Below- Mrs. Wolcott's class created an X-Ray of their hand using vegetable oil and construction paper as part of a Mystery Science activity.

Below— Some members of the CMS Band, who had a great marching season this year!

Right- The Cross Country season wrapped up Saturday, October 26th. It was cold and wet, but the kids still gave it their all. Lily Vargas finished 7th overall for the girls and Aiden Wright finished 10th for the boys. The boys were just 3 points away from finishing runner-up in conference.

Below- Congratulations to the 2019 Duke TIP students, Saylor Ross and Maggie Alford. These students scored in the 95th percentile or higher on the ACT Aspire exam last year. They will have the opportunity to take the ACT College entrance exam in the Spring. Taking the exam this early in their school career gives them the unique opportunity to preview a college entrance exam and allows them to be better prepared for taking the exam as a high school student.

Below- 6th grade GT students attended the 1st Annual GT Engineering Day at the Southeast Educational Co-op in Monticello. These students had the opportunity to work with GT students from other schools to solve various engineering challenges.

CMS

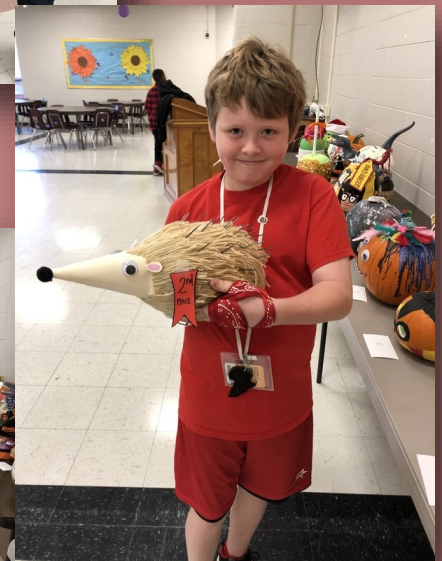

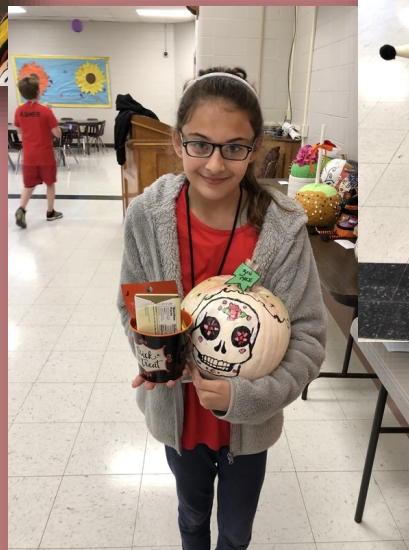

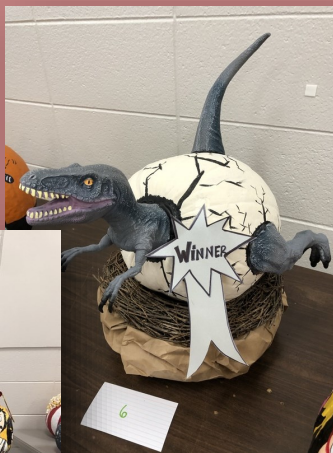

Left- Several members of the CMS Quiz Bowl attended the Arkansas Governor's Quiz Bowl Camp at Pulaski Heights Middle School in Little Rock Saturday, October 19th. They played numerous practice games with students from all over the state and learned even more about the game.

CMS

Crossett Middle School was proud to present "The Great Pumpkin Contest" on October 29 2019, sponsored by Mrs. Elliott and the Drama class. The turn out was superb! Our student winners were in 1st place James Hayes (5th) 2nd place Asher Johnson (5th) and in 3rd place Courtney Crossland (5th). Our teacher winner was Mrs. Pippen! The pumpkins were creative and fantastic! Way to go CMS!

CHS

CHS Juniors and Seniors toured Southern Arkansas University in Magnolia on October 23rd.

Above and Below: CHS is blessed with teachers who will do anything for their students! Mrs. Mann as a Hamburg Lion and Mr. Adams kissing a pig for a FFA Fundraiser!

Quote from the FFA Facebook page: FFA Alumni hosted a "Kiss a Pig" contest to raise money for National Convention. Thanks to Alumni member and CHS teacher Nick Adams for losing.
