

CONTIG

Student Population Guidelines

The number of Contig participants sent from each building will be based on the following criteria:

- TOTAL number of 4th grade students in the building
- TOTAL number of 5th grade students in the building
- TOTAL number of 6th grade students in the building

The following scale will be used to determine the number of students who may attend the Contig competition:

- **1-74** students at a grade level, you may send **2 students**
- **75-125** students at a grade level, you may send **4 students**
- **126-150** students at a grade level, you may send **6 students**
- **151 and above**, you may send **8 students**

You may send fewer students than your allotted number, but to participate in the competition, you must send two (2) students from a grade level. Your school does NOT have to participate at all three grade levels (4, 5, 6). Be sure to select an alternate.

Check-in begins at 8:30 am. **Students need to be ready to play by 9:00 am SHARP.** Plan your transportation so students will not be late. Thank you. Call **Jewel Grady** at **362-3520 or 853-8468** if you have any questions. You can also email us at contig@roe39.k12.il.us.

Thanks!
