

2019-20 Clarke Club Archery Contract

- Archers are expected to accept direction from coaches without complaining or arguing. Archers will follow directions the first time given. Coaches are volunteers and are giving their time to help you become a better archer.
- For everyone's safety, Archers are required to follow the whistle signals given by the coach running the range during practice.
- Archers are expected to attend a minimum of 2 practices each week and be on time for practice. Archers are encouraged to attend all practices.
- Archers are expected to stay in the Middle School stage area during practice.
- It is expected that you will speak quietly and keep your hands to yourself when on the stage before, during, and after practice. If you miss instructions or are a disruption, the coach may decide to have you sit out a round or shoot with fewer arrows.
- Use of inappropriate language is unacceptable. It is disrespectful to coaches and a poor example for younger archers who may be shooting at the same time as you.
- Cell phones are not permitted on the range. All electronics should be put away during practice.
- Tournament slots are filled based on attitude, effort, attendance, academic eligibility and score. Archers must attend a minimum of 2 practices a week, post 2 scores a week and maintain good grades (No failing grades) in order to be eligible to shoot in a tournament.
- Participating in a tournament is a commitment to yourself and your team. If you cancel less than 24 hours before a meet, or no-show the morning of, you will not be eligible to shoot in the next tournament.

By signing this contract, you understand these rules and agree to follow them. As a parent, you may be contacted and asked to remove your archer from practice if they are disrespectful and/or disruptive.
