School Description and Profile:

This We Believe

In a middle school environment that addresses and supports the specific needs of young adolescents and assists their transition through middle school into high school and beyond.

Children of all races, ability, and income levels can achieve growth and success while attending BGMS in an atmosphere of tolerance..

In a team-based, student-centered, challenging, and integrated curriculum, using authentic learning experiences that encourage creative and critical thinkers..

In a clearly defined code-of-conduct, discipline plan, and set of expectations that encourage student reflection and self adjustment to successful student behaviors.

Each student has the responsibility to actively participate in his/her education, including learning the habits that lead to success.

In a strong exploratory/enrichment program that provides students with hands-on, performance, or interest based classes. Students and staff have a right to a clean, healthy, safe, and nurturing environment with the same high level of respect encouraging lifelong learners.

Faculty knows and teaches to the state standards, implementing academic strategies driven by research, best practice, assessment, and professional intuition.

In a cooperative support system which includes and benefits students, teachers, staff, administration, and our community in the success of students' achievement..

Students and staff strive to use advanced and appropriate technology both for and with students.

Baechtel Grove Middle School (BGMS) is located in Willits, in the heart of Mendocino County. San Francisco is a two-and-a-half hour drive to the south and Eureka a two-and-a-half hour drive to the north. We serve a student body of about two hundred seventy five, 6th, 7th, and 8th graders that is both ethnically and economically diverse.

The staff consists of 18 highly qualified credentialed teachers, 5 instructional assistants, one principal, one vice principal, a full-time librarian, a full time Health Technician, one school counselor, school psychologist, one part-time speech and language teacher, two secretaries, two custodians, three part time cafeteria employees, and three part-time yard assistants.

In partnership with parents and community, the staff provides students a meaningful and diverse learning experience. Students may participate in a wide range of developmentally appropriate extracurricular activities. Opportunities, facilitated by teachers, paid professionals and parent and community volunteers, are varied and scheduled throughout the school year. Our clubs, school teams, and competitions include WEB (Where Everyone Belongs), the Science Fair, Communicators for Kindness, Student Council and Peer Helpers. The Collections Designated ELD program is embedded throughout all Language Arts classes. Every student who needs the support has an intervention time built into their day. Intervention, AVID and Exploration classes are during our first period block. Exploratory classes are offered through out the day, and after school intervention help is offered by credentialed teachers.

Academic Support classes in Language Arts, Mathematics, and Science are provided for students receiving a D or F, or just needing support for learning, in after school classes. These classes are a combination of re-teaching of the concepts in academically less complex, and varied methodology classes, and homework completion. In Language Arts, students are provided time to fulfill the requirements of the Accelerated Reading Program, and individual help with writing. Students who have failed a core course at each quarter are identified for after-school Academic Intervention and support.

We are also offering Second Step Social Emotional

Our school follows the California Common Core State Standards. As a district we addressed the instructional shifts as we moved to the CCSS, using student collaboration as a focus. The district is also using a Gradual Release of Responsibility lesson model, the Willits Instructional Model. This year in Language Arts the teachers are using the Houghton Mifflin Harcourt's Collections Curriculum. Our social studies staff is using the Teachers Curriculum Institute program for Social Studies. In Math the teachers are using the curriculum called Ready Math that has both text and online components available for both student and teacher. This program aligns its instructional strategies to the CCSS in Mathematics. Science has transitioned to the Next Generation Science Standards, using the Foss Science Curriculum They are also

using instructional practices that will shift to the Next Generation Science Standards, in a laboratory rich (investigations) and discovery based curriculum.

We are involved in the seventh year of our AVID College readiness program implementation. Students in sixth, seventh, and eighth grades have the opportunity to be a part of the AVID Elective class that focuses on skills necessary to succeed in coursework at the University level, as well as providing college awareness, and AVID tutoring for academic success. There are four teachers who have been trained to use AVID strategies in their subject area. These strategies founded in research are also being used by the rest of the staff, to create an AVID School Wide implementation. Currently about half of the teachers at BGMS use AVID strategies on a regular basis. All teachers have been introduced and trained in the use of schoolwide AVID strategies. Math and Science teachers are using Digital Interactive Notebooks as a tool for organization and study.

W.E.B. (Where Everyone Belongs) is a yearlong transition program for incoming sixth grade students and has been in place for ten years. Once again this year we are involving our incoming 6th graders in the WEB program. As part of the program new sixth grade students are partnered in groups of about eight with two eighth grade students for the entire year. The eighth graders are trained to help their sixth graders not only have a smooth transition into middle school, but to also coach them through out the year on how to handle typical problems a sixth grader might encounter. The eighth grade students also set the tone of behavior for the rest of the student body, helping in leadership roles. They help identify and address problems of harassment, bullying, isolation, and exclusion. To this end W.E.B., and the relationship between sixth and eighth grade students, serves as an important part of our overall efforts to help sixth grade students transition to middle school. WEB hosts numerous events through out the year; a sixth grade orientation day, after school tutoring, 6th grade classroom success skills lessons, and social events for WEB Leaders and their 6th grade WEBlets.

We use the Building Effective Schools Together (B.E.S.T. Practice) program to ensure all our students know and understand school rules, and expectations. We provide student with a description of Responsible, Respectful, and Safe behaviors in all the common areas of our school and teach these to them. We have common classroom procedures and expectations posted in each class.

We teach students to deal with their problems when the problems are at a lower level. The Peer Helpers are a trained group of students that facilitate conflict resolution between students. Additionally, identified students attend support groups in which they learn conflict resolution techniques, and substance abuse information, facilitated by our school counselor.

The BGMS students are stepping up to leadership positions through activities put together by students in the Student Council. Through Student Council students are empowered to make decisions for their school.

Two very special weeks every year are developed by students and teachers to help bring community expertise to BGMS students; The Community Awareness Week, and College and Career Week. The Peer Helpers, AVID, Student Teacher Assistants, and WEB take the lead by researching social issues and college and career issues that are relevant to students, giving these presentations in Exploratory classes, and developing noon time activities that are fun in which students can participate. During both weeks workshops are held for students using community and agency presenters.

We often have students reflect about their behaviors and will have them self reflect using these questions as a guideline in attempting to "right their wrong".

As a community we have adapted the following questions when responding to conflict, a restorative approach consists of in asking the following key questions.

1. What happened, and what were you thinking at the time.
2. What have you thought about since?
3. Who has been affected by what has happened and how?
4. What about this has been the hardest for you?
5. What do you think needs to be done to make things as right as possible?

Summary of School Crime Data:

According to California Dashboard BGMS's suspension rates for the past four years are: in 2017 21.9% of students were suspended at least once, and in 2018 only 10.8% of the students were suspended at least once, in 2019 14.3% of students were suspended at least once, and in 2020 (return to In Person school in the beginning of March) 2% of students were suspended.

Suspensions were on a trend of decreasing in prior years. In 2019-20 there was an increase in suspensions due to a few factors. There was an increase in student suspensions for students with disabilities. The most important factor to consider was a lack of Therapeutic Program for our Emotionally Disturbed student population. They were not in a proper educational placement with enough supports and in that sense were more likely to have educational code violations. These students were suspended rather than given supports or strategies for their behaviors. Our Special Education department teachers had frequent turnover which led to less supports and structure being provided for our students.

In 2020-2021 there were 4 suspensions for under the influence of cannabis, 1 for sexual harassment, and 1 fight. We had one student that went on expulsion under a stipulated agreement for brandishing a knife. We were only back to In Person School with 16 student cohorts for 12 weeks.

In 2019-2020 there were 7 suspensions for alcohol use, 1 for under the influence of cannabis, 3 drug possession of cannabis, 4 tobacco possession (vape devices), 2 drug paraphernalia (cannabis). There was an increase in suspensions for drug and alcohol related incidents this year. Profanity towards instructor was at 15, there were 10 suspensions for fighting with no blood. There was an increase in suspensions for harassment that was race based, and both school and class disruptions increased.

In 2018-2019 there were 0 suspensions for alcohol use, 2 for under the influence of cannabis, 5 drug possession of cannabis, 1 sale of cannabis, 3 tobacco possession (vape devices), 2 drug paraphernalia (pipe/vape device). There was a decrease in drug and alcohol related incidents this year. Profanity directed at instructors increased to 16 incidents, suspensions for defiance were high at 25 reported incidents.

In 2017-2018 there were 5 suspensions for alcohol use, 8 for drug possession (marijuana or some form of cannabis), 6 for drug paraphernalia, and 2 for distribution of marijuana. This was an increase from past school years. Further, there were 12 suspensions for profanity directed at a school employee (instructors, administrators or other staff).

Expulsions: 0 in 2016-2017, 2 in 2017-2018, 1 in 2018-2019, 1 in 2019-2020 and 1 in 2020-2021. The expulsions were for distributing drugs (cannabis) and or alcohol on campus. The 2020-2021 expulsion was due to a student brandishing a knife in class.

Other Data:

In the 2020-2021 school year we spent the majority of the year on Distance Learning. Our students returned to school in March of 2021. We had 16 student cohorts and remained separated from all other cohorts. We have 272 students enrolled in 2020-2021 and 72.1% of those students are socioeconomically disadvantaged. 2.2% of our students are foster youth. We did take the CA Healthy Kids Survey in April of 2021. The seventh grade students took this survey and we administered it both In Person and at home for our students that were on Distance Learning, only 63% of our 7th grade students completed the survey. There were 42 students that were In Person and 23 students that were on Distance Learning that completed the Healthy Kids survey.

Our results showed that students believe that the adults have high expectations for them (70%). Yet, only 56% of respondents feel that there are caring adults at school. The majority of students do not feel that there is meaningful participation in school, 30% of students feel that there is meaning. Students feel academically motivated at 61% even though only 53% feel a sense of school connectedness. Most of the students did not feel that they were able to help decide things like class activities or rules and they didn't feel that they are doing things to make a difference or getting a say in how things work. With that being stated, the majority of students feel that they are part of the school, that they are happy and treated fairly. Students do feel academically motivated and 77% of the students try hard to do well and to understand their schoolwork.

63% of respondents have not feel sad or hopeless in the last 12 months. A concerning data point is that of the 37% of students who have felt a sense of hopelessness 15% have seriously considered attempting suicide. The majority of students (70%) believe that they possess the skills to work out their own problems, to do well, and to be successful at things as long as they try. An average of 66% of students feel that they have purpose and understand themselves. Our students also feel that they have peer supports that really care for them and help them through their problems. The students report that 73% have adult supports and people that care about them and help them when they are having a hard time. 29% of students report to experiencing anxiety or worry and an inability to relax.

Of our respondents 48% of students feel safe at school and 49% reported that they felt neither safe nor unsafe. 85% of students report to not being harassed for race or ethnicity. There are 15% of students who report to be harassed because they are gay or someone thought they are. 22% of students have been a victim of school violence and or victimization, this could have been anything from lies, rumors, comments, being physically pushed, shoved, slapped by someone who wasn't messing around. 80% of students have never been in a physical fight.

18% of the students have tried alcohol in their lifetime and 15% have tried cannabis. However, 92% of students report zero use of cannabis in the last 30 days, 94% of students report to zero use of alcohol in the past 30 days. 100% of students have never been very drunk or sick from alcohol. 94% of students have never been high. 60% of students believe there is a moderate to great harm in drinking alcohol 5 or more drinks once or twice a week. Important to note, only 56% perceive moderate to great harm in daily use of marijuana. 16% of students have used a nicotine vape device. It is not difficult for students to obtain the vape device and 50% see that there is harm in vaping several times a day. Students do know that the school bans tobacco use and vaping. 100% of our students report to not smoking cigarettes or smokeless tobacco and 7% report to using a vape device 1-2 days a week.

A third of students feel that they are treated fairly when they broke rules and a third feel that they are not treated fairly and the last third didn't have an opinion. 47% of students feel that they are encouraged to work hard in school. More than half (54%) of students feel that the adults work hard to help them with their school work.

In conclusion our students feel focused and academically motivated but do not feel connected to the learning or see the meaning behind the content. They feel that adults have high expectations of them but at least half are still trying to seek out caring adult relationships. Most of our students feel safe at school and see a connection between healthy behaviors and drug and alcohol use. Our students understand themselves and also know that they need support from adults at school.

The staff also took the California School Staff Survey. The information from these two surveys is intended to determine the degree to which staff perceptions align with the attitudes and experiences of students. We picked three climate areas to compare; meaningful participation, caring relationships, and disciplinary harshness, along with three in classroom areas; high expectations, academic motivation, and student learning environment. In each of these areas, results from similar questions asked of students and staff were compared by the teaching staff. They made use of the process of comparing by stating "What I see... , What I think..., and What I wonder..."

These were their summarized written responses in each area:

Student Meaningful Participation

Staff see that there were significant discrepancies between staff and student perceptions about students having decision making around activities or rules.

They think that students feel that they don't have a voice.

They wonder if there is a way to involve students more so that they think they make a difference.

Caring Relationships

Staff see that slightly over half of the students know they are cared about.

They are concerned that there is a percentage of staff who feel staff does not care or pay attention to students.

They wonder if this percentage is about teachers not listening to students, because they don't have the time.

Disciplinary Harshness

Staff see that teachers didn't think students got in trouble for breaking small rules, but students think they get in trouble for breaking small rules.

They think that teachers don't think the rules are strict and students think they are strict.

They wondered if the consequences had some influence on how strict they think the rules are.

High Expectations

They see that less than half of the students feel there is a teacher who always wants them to do their best.

They think that almost a quarter of the teachers don't believe every student can succeed

They wonder why not all teachers think that all students can be successful.

Academic Motivation

Staff see that students are not interested in the work, and feel they are overly supported in doing the work.

They think that there might be a disconnect between what teachers see and what students feel.

They wonder how teachers can make learning more relevant and exciting.

Student Learning Environment

Staff see that one third of the students have are ambivalent about the learning environment.

They think that teachers and students agree that teachers teach relevant lessons.

They wonder how teachers can give more meaningful feedback to students.

Our staff took this information and used it as we continued our Climate and Culture work with Mendocino County Office of Education. Our staff is participating in Adult Social Emotional Learning Lessons through Second Step as a means to build a more trusting and connected working environment for the adults on campus.

Summary of Data

In conclusion our students feel focused and academically motivated but do not feel connected to the learning or see the meaning behind the content. They feel that adults have high expectations of them but at least half are still trying to seek out caring adult relationships. Most of our students feel safe at school and see a connection between healthy behaviors and drug and alcohol use. Our students understand themselves and also know that they need support from adults at school.

We will continue to address the lack of student's making choices through student council meetings, student focus groups, and other means to place students at the center of decision making. In middle school it is important for the students to feel that they are making decisions that have meaning beyond their day to day existence. We will focus on building more community service oriented projects.

Our staff took this information and used it as we continued our Climate and Culture work with Mendocino County Office of Education. Our staff is participating in Adult Social Emotional Learning Lessons through Second Step as a means to build a more trusting and connected working environment for the adults on campus.

Finally, we as a team will focus on equity within the classroom and throughout the culture of the school. The stark differences between ethnicity and gender reporting data has lead us to understand and examine our educational practices in order to promote a more equitable outcome.

(Penal Code 11165.7)

Reasonable suspicion means that it is objectively reasonable for a person to entertain a suspicion, based upon facts that could cause a reasonable person in a like position, drawing when appropriate on his/her training and experience, to suspect child abuse or neglect. However, reasonable suspicion does not require certainty that child abuse or neglect has occurred nor does it require a specific medical indication of child abuse or neglect. (Penal Code 11166)

Reportable Offenses

A mandated reporter shall make a report using the procedures provided below whenever, in his/her professional capacity or within the scope of his/her employment, he/she has knowledge of or observes a child whom the mandated reporter knows or reasonably suspects has been the victim of child abuse or neglect. (Penal Code 11166)

Any mandated reporter who has knowledge of or who reasonably suspects that a child is suffering serious emotional damage or is at a substantial risk of suffering serious emotional damage, based on evidence of severe anxiety, depression, withdrawal, or untoward aggressive behavior toward self or others, may make a report to the appropriate agency. (Penal Code 11166.05, 11167)

Any district employee who reasonably believes that he/she has observed the commission of a murder, rape, or lewd or lascivious act by use of force, violence, duress, menace, or fear of immediate and unlawful bodily injury against a victim who is a child under age 14 shall notify a peace officer. (Penal Code 152.3, 288)

Responsibility for Reporting

The reporting duties of mandated reporters are individual and cannot be delegated to another person. (Penal Code 11166)

When two or more mandated reporters jointly have knowledge of a known or suspected instance of child abuse or neglect, the report may be made by a member of the team selected by mutual agreement and a single report may be made and signed by the selected member of the reporting team. Any member who has knowledge that the member designated to report has failed to do so shall thereafter make the report. (Penal Code 11166)

No supervisor or administrator shall impede or inhibit a mandated reporter from making a report. (Penal Code 11166)

Any person not identified as a mandated reporter who has knowledge of or observes a child whom he/she knows or reasonably suspects has been a victim of child abuse or neglect may report the known or suspected instance of child abuse or neglect to the appropriate agency. (Penal Code 11166)

Reporting Procedures

1. Initial Telephone Report

Immediately or as soon as practicable after knowing or observing suspected child abuse or neglect, a mandated reporter shall make an initial report by telephone to any police department (excluding a school district police/security department), sheriff's department, county probation department if designated by the county to receive such reports, or county welfare department. (Penal Code 11165.9, 11166)

Child Protective Services

(707) 463-7992

(866) 236-0368

When the initial telephone report is made, the mandated reporter shall note the name of the official contacted, the date and time contacted, and any instructions or advice received.

2. Written Report

Within 36 hours of knowing or observing the information concerning the incident, the mandated reporter shall then prepare and either send, fax, or electronically submit to the appropriate agency a written follow-up report, which includes a completed Department of Justice form (SS 8572). (Penal Code 11166, 11168)

The Department of Justice form may be obtained from the district office or other appropriate agencies, such as the county probation or welfare department or the police or sheriff's department.

Reports of suspected child abuse or neglect shall include, if known: (Penal Code 11167)

a. The name, business address, and telephone number of the person making the report and the capacity that makes the person a mandated reporter

b. The child's name and address, present location, and, where applicable, school, grade, and class

c. The names, addresses, and telephone numbers of the child's parents/guardians

d. The name, address, telephone number, and other relevant personal information about the person who might have abused or neglected the child

e. The information that gave rise to the reasonable suspicion of child abuse or neglect and the source(s) of that information

The mandated reporter shall make a report even if some of this information is not known or is uncertain to him/her. (Penal Code 11167)

The mandated reporter may give to an investigator from an agency investigating the case, including a licensing agency, any information relevant to an incident of child abuse or neglect or to a report made for serious emotional damage pursuant to Penal Code 11166.05. (Penal Code 11167)

3. Internal Reporting

The mandated reporter shall not be required to disclose his/her identity to his/her supervisor, the principal, or the Superintendent or designee. (Penal Code 11166)

However, employees reporting child abuse or neglect to an appropriate agency are encouraged, but not required, to notify the principal as soon as possible after the initial telephone report to the appropriate agency. When so notified, the principal shall inform the Superintendent or designee.

The principal so notified shall provide the mandated reporter with any assistance necessary to ensure that reporting procedures are carried out in accordance with law, Board policy, and administrative regulation. At the mandated reporter's request, the principal may assist in completing and filing the necessary forms.

Reporting the information to an employer, supervisor, principal, school counselor, co-worker, or other person shall not be a substitute for making a mandated report to the appropriate agency. (Penal Code 11166)

Victim Interviews by Social Services

Whenever a representative from the Department of Social Services or another government agency investigating suspected child abuse or neglect deems it necessary, a suspected victim may be interviewed during school hours, on school premises, concerning a report of suspected child abuse or neglect that occurred within the child's home or out-of-home care facility. The child shall be given the choice of being interviewed in private or in the presence of any adult school employee or volunteer aide selected by the child. (Penal Code 11174.3)

A staff member or volunteer aide selected by a child may decline to be present at the interview. If the selected person accepts, the principal or designee shall inform him/her of the following requirements: (Penal Code 11174.3)

1. The purpose of the selected person's presence at the interview is to lend support to the child and enable him/her to be as comfortable as possible.
2. The selected person shall not participate in the interview.
3. The selected person shall not discuss the facts or circumstances of the case with the child.
4. The selected person is subject to the confidentiality requirements of the Child Abuse and Neglect Reporting Act, a violation of which is punishable as specified in Penal Code 11167.5.

If a staff member agrees to be present, the interview shall be held at a time during school hours when it does not involve an expense to the school. (Penal Code 11174.3)

Release of Child to Peace Officer

When a child is released to a peace officer and taken into custody as a victim of suspected child abuse or neglect, the Superintendent or designee and/or principal shall not notify the parent/guardian, but rather shall provide the peace officer

with the address and telephone number of the child's parent/guardian. It is the responsibility of the peace officer or agent to notify the parent/guardian of the situation. (Education Code 48906)

(cf. 5145.11 - Questioning and Apprehension by Law Enforcement)

Parent/Guardian Complaints

Upon request, the Superintendent or designee shall provide parents/guardians with a copy of this administrative regulation which contains procedures for reporting suspected child abuse occurring at a school site to appropriate agencies. For parents/guardians whose primary language is not English, such procedures shall be in their primary language and, when communicating orally regarding those procedures, an interpreter shall be provided.

To file a complaint against a district employee or other person suspected of child abuse or neglect at a school site, parents/guardians may file a report by telephone, in person, or in writing with any appropriate agency identified above under "Reporting Procedures." If a parent/guardian makes a complaint about an employee to any other employee, the employee receiving the information shall notify the parent/guardian of procedures for filing a complaint with the appropriate agency. The employee also is obligated pursuant to Penal Code 11166 to file a report himself/herself using the procedures described above for mandated reporters.

(cf. 1312.1 - Complaints Concerning District Employees)

In addition, if the child is enrolled in special education, a separate complaint may be filed with the California Department of Education pursuant to 5 CCR 4650.

(cf. 1312.3 - Uniform Complaint Procedures)

Notifications

The Superintendent or designee shall provide to all new employees who are mandated reporters a statement that informs them of their status as mandated reporters, their reporting obligations under Penal Code 11166, and their confidentiality rights under Penal Code 11167. The district also shall provide these new employees with a copy of Penal Code 11165.7, 11166, and 11167. (Penal Code 11165.7, 11166.5)

Before beginning employment, any person who will be a mandated reporter by virtue of his/her position shall sign a statement indicating that he/she has knowledge of the reporting obligations under Penal Code 11166 and will comply with those provisions. The signed statement shall be retained by the Superintendent or designee. (Penal Code 11166.5)

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

(cf. 5145.3 - Nondiscrimination/Harassment)
Suspension from Class by a Teacher

A teacher may suspend a student, including a grade K-3 student, from class for the remainder of the day and the following day for disruption, willful defiance, or any of the other acts specified in Education Code 48900 and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school, he/she shall be appropriately supervised during the class periods from which he/she has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, he/she shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which he/she was suspended. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site. The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" and for which he/she is required to recommend expulsion. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if he/she determines that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)

(cf. 5125 - Student Records)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, he/she may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

(cf. 6184 - Continuation Education)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against him/her, and shall be given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)

3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. **Extension of Suspension:** If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)

a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.

b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)

c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)

(cf. 6173.1 - Education for Foster Youth)

d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)

(cf. 6173 - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above and within the limits specified under "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information that would violate a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.

4. The student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification may be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, he/she shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication for his/her use or other medication prescribed for him/her by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether he/she should be expelled.

The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and his/her parent/guardian the option to waive a hearing and stipulate to the expulsion or to a

suspension of the expulsion under certain conditions. The offer shall be made only after the student or his/her parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code 48918. The stipulation agreement shall be in writing and shall be signed by the student and his/her parent/guardian. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of his/her right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel. A stipulated expulsion agreed to by the student and his/her parent/guardian shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days' notice of his/her scheduled testimony at the hearing
2. Have up to two adult support persons of his/her choosing present at the hearing at the time he/she testifies
3. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c). (cf. 5119 - Students Expelled from Other Districts)

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including,

but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))

3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above. (Education Code 48918(h)) Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f)) In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

a. Any complaining witness shall be given five days' notice before being called to testify.

b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.

c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.

d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.

e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.

f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

(1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

(2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

(3) The person conducting the hearing may:

(a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness

(b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours

(c) Permit one of the support persons to accompany the complaining witness to the witness stand

6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by his/her parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board (Education Code 48918)

4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)
6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of his/her status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate county or district law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension

(cf. 6158 - Independent Study)

(cf. 6185 - Community Day School)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
2. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)
5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.
6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

(cf. 5119 - Students Expelled from Other Districts)

IV. Procedures for Complying With Existing School Safety Laws (continued)

Procedures to Notify Teachers of Dangerous Students

Other student information is given to them in person and/or sent to them via email for students who are dangerous before the beginning of the school year, and throughout the school year.

IV. Procedures for Complying With Existing School Safety Laws (continued)

Sexual Harassment Policy

The Governing Board is committed to providing a safe work environment that is free of harassment and intimidation. The board prohibits sexual harassment against district employees and retaliatory behavior or action against any person who complain, testifies or otherwise participates in the complaint process established for the purpose of this policy.

Sexual harassment includes, but is not limited to, harassment that is based on the gender, gender identity, gender expression, or sexual orientation of the victim.

This policy shall apply to all district employees and to other persons on district property or with some employment relationship with the district, such as interns, volunteers, contractors, and job applicants.

(cf. 0410 - Nondiscrimination in District Programs and Activities)

(cf. 4030 - Nondiscrimination in Employment)

Any district employee who engages or participates in sexual harassment or who aids, abets, incites, compels, or coerces another to commit sexual harassment in violation of this policy is subject to disciplinary action, up to and including dismissal.

(cf. 4117.7/4317.7 - Employment Status Reports)

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The Superintendent or designee shall take all actions necessary to ensure the prevention, investigation, and correction of sexual harassment, including but not limited to:

1. Providing training to employees in accordance with law and administrative regulation
2. Publicizing and disseminating the district's sexual harassment policy to employees and others to whom the policy may apply

(cf. 4112.9/4212.9/4312.9 - Employee Notifications)

4. Taking timely and appropriate corrective/remedial action(s), which may require interim separation of the complainant and the alleged harasser and subsequent monitoring of developments

The Superintendent or designee shall periodically evaluate the effectiveness of the district's strategies to prevent and address harassment. Such evaluation may involve conducting regular anonymous employee surveys to assess whether harassment is occurring or is perceived to be tolerated, partnering with researchers or other agencies with the needed expertise to evaluate the district's prevention strategies, and using any other effective tool for receiving feedback on systems and/or processes. As necessary, changes shall be made to the harassment policy, complaint procedures, or training.

Procedures for Safe Ingress and Egress

The entire school has a fenced perimeter. Entry into the front of the school has clear lines of demarcation for school buses to stop, as well as spacing set aside for persons with special needs. Entry into the drop-off/pick-up area for students being transported to and from school is supervised both during the morning and in the afternoon by school personnel.

Students are required to check in at the office if they are late and sign-out when they are leaving the school early. Unless prior written or verbal authorization has been arranged, a parent/guardian that is on the emergency card must sign a student release before a child will be allowed to leave the school.

A bike rack is provided for students that ride their bikes to school.

If students ride scooters to school they store them in the office.

There are no scooters, bikes or skates allowed to be operated on campus.

Sidewalks have been laid surrounding the school site with the exception of Walnut Street. The streets directly surrounding the school (Hazel, Magnolia, Locust and Walnut) have been repaved. Crosswalk and school zone identification has also been identified.

In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy (item #1 of the section "Complaints Subject to UCP") may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by persons who allege that they have personally suffered unlawful discrimination or who believe that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or

victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the

imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Final Decision

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant. The respondent also shall be sent the district's final written decision at the same time it is provided to the complainant.

Final Written Decision

For all complaints, the district's final written decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:

- a. Statements made by any witnesses
- b. The relative credibility of the individuals involved
- c. How the complaining individual reacted to the incident
- d. Any documentary or other evidence relating to the alleged conduct
- e. Past instances of similar conduct by any alleged offenders
- f. Past false allegations made by the complainant

2. The conclusion(s) of law

3. Disposition of the complaint

4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. The manner in which the misconduct affected one or more students' education
- b. The type, frequency, and duration of the misconduct
- c. The relationship between the alleged victim(s) and offender(s)
- d. The number of persons engaged in the conduct and at whom the conduct was directed
- e. The size of the school, location of the incidents, and context in which they occurred
- f. Other incidents at the school involving different individuals

5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- a. The corrective actions imposed on the respondent
 - b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.
 - c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence
6. Notice of the complainant's and respondent's right to appeal the district's decision to CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved is enrolled in a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated into that language pursuant to Education Code 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law. Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

(cf. 5137 - Positive School Climate)

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling

(cf. 6164.2 - Guidance/Counseling Services)

2. Academic support

3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team
(cf. 6164.5 - Student Success Teams)
6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law
(cf. 6145 - Extracurricular and Cocurricular Activities)
7. Disciplinary action, such as suspension or expulsion, as permitted by law
(cf. 5144 - Discipline)
(cf. 5144.1 - Suspension and Expulsion/Due Process)

When an employee is found to have committed retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the district shall take appropriate disciplinary action, up to and including dismissal, in accordance with applicable law and collective bargaining agreement.

(cf. 4118 - Dismissal/Suspension/Disciplinary Action)

(cf. 4218 - Dismissal/Suspension/Disciplinary Action)

The district may also consider training and other interventions for the larger school community to ensure that students, staff, and parents/guardians understand the types of behavior that constitute unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), that the district does not tolerate it, and how to report and respond to it.

When a complaint is found to have merit, an appropriate remedy shall be provided to the complainant or other affected person.

However, if a complaint alleging noncompliance with the laws regarding student fees, deposits, and other charges, physical education instructional minutes for students in elementary schools, or any requirement related to the LCAP is found to have merit, the district shall provide a remedy to all affected students and parents/guardians subject to procedures established by regulation of the State Board of Education. (Education Code 49013, 51223, 52075)

For complaints alleging noncompliance with the laws regarding student fees, the district shall attempt in good faith, by engaging in reasonable efforts, to identify and fully reimburse all affected students and parents/guardians who paid the unlawful student fees within one year prior to the filing of the complaint. (Education Code 49013; 5 CCR 4600)

Appeals to the California Department of Education

Any complainant who is dissatisfied with the district's final written decision on a complaint regarding any specified federal or state educational program subject to UCP may file an appeal in writing with CDE within 15 calendar days of receiving the district's decision. (5 CCR 4632)

The complainant shall specify the basis for the appeal of the decision and how the facts of the district's decision are incorrect and/or the law has been misapplied. The appeal shall be sent to CDE with a copy of the original locally filed complaint and a copy of the district's decision in that complaint. (5 CCR 4632)

When a respondent in any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying) is dissatisfied with the district's final written decision, the respondent, in the same manner as the complainant, may file an appeal with CDE.

Upon notification by CDE that the district's decision has been appealed, the Superintendent or designee shall forward the following documents to CDE: (5 CCR 4633)

1. A copy of the original complaint
2. A copy of the written decision

School Discipline

B.G.M.S Discipline 2021-22

In a clearly defined code-of-conduct, discipline plan and set of expectations that encourage student reflection and self adjustment to successful student behaviors. BGMS utilizes a progressive discipline.

These actions will be supported or corrected by any staff member by explaining the behavior expectation as it relates to the student's behavior. The student will not meet with an administrator unless absolutely necessary and/repetitive behaviors on Level 1

Examples:

use of profanity

These steps must be followed:

1. Student is counseled outside of the classroom with teacher (T)
2. A reflection sheet is filled out outside of the classroom or in a Buddy Teacher's room (T)
3. Student gets sent to office with call out slip to call home or student can call from classroom (S)
4. Teacher calls home (T)
5. Teacher Team Discussion about next steps

Level 2:

Use a time out place in the classroom or outside of classroom, a reflection sheet, a buddy teacher, a parent contact, and a teacher contract before moving to level 3 for the same infraction.

Examples:

Aggressive Behavior

Multiple classroom disruptions

Depending on the situation a student may go immediately to the office, with the referral in hand or close behind (if students is returned they need the referral form to take to the office). In some cases the student may be sent to the next class before meeting with an administrator. Referrals will be recorded in the assertive discipline database in Aeries.

Examples:

Continued defiance

4. Suspension with parent return conference with all teachers, may need a behavior contract conference with all teachers (A)

Level 4:

Use the referral form

These actions require the student to be immediately removed from the school and to immediately meet with an administrator. In most cases, these actions will result in a suspension after meeting with an administrator. These require a referral for counseling. Parent will be notified before law enforcement is contacted.

Examples:

Fight/assault with injury

Possession of marijuana or other controlled substances

Some types of vandalism

Profanity used toward a school employee

Bullying with threats, intimidation, physical abuse, or dangerous objects

EARTHQUAKE EMERGENCY PROCEDURE SYSTEM A.R. 3516.3

Earthquake Emergency Procedure System

Earthquake Preparedness

Earthquake emergency procedures shall be established in every school building having an occupant capacity of 50 or more students, or more than one classroom, and shall be incorporated into the comprehensive safety plan. (Education Code 32282) (cf. 0450 - Comprehensive Safety Plan)

Earthquake emergency procedures shall be aligned with the Standardized Emergency Management System and the National Incident Management System. (Government Code 8607; 19 CCR 2400-2450) (cf. 3516 - Emergencies and Disaster Preparedness Plan)

The Superintendent or designee may work with the California Governor's Office of Emergency Services and the Seismic Safety Commission to develop and establish the earthquake emergency procedures. (Education Code 32282)

Earthquake emergency procedures shall outline the roles and responsibilities of students and staff during and after an earthquake. Earthquake emergency procedures shall include, but not be limited to, all of the following: (Education Code 32282)

1. A school building disaster plan, ready for implementation at any time, for maintaining the safety and care of students and staff
2. A drop procedure whereby each student and staff member takes cover under a table or desk, dropping to his/her knees, with the head protected by the arms and the back to the windows

Drop procedures shall be practiced at least once each school quarter in elementary schools and at least once each semester in secondary schools.

3. Protective measures to be taken before, during, and following an earthquake

4. A program to ensure that students and staff are aware of and properly trained in the earthquake emergency procedure system (cf. 4131 - Staff Development)

(cf. 4231 - Staff Development)

(cf. 4331 - Staff Development)

Staff and students shall be informed of the dangers to expect in an earthquake and procedures to be followed. Students shall be instructed to remain silent and follow directions given by staff in such an emergency. Staff and students also shall be taught safety precautions to take if they are in the open or on the way to or from school when an earthquake occurs.

Earthquake emergency procedures shall designate primary and alternative locations outside of buildings, which may include areas off campus if necessary, where individuals on a school site will assemble following evacuation. In designating such areas, the Superintendent or designee shall consider potential post-earthquake hazards outside school buildings including, but not limited to, power lines, trees, covered walkways, chain link fences that may be an electric shock hazard, and areas near buildings that may have debris.

Earthquake emergency procedures also shall outline primary and alternative evacuation routes that avoid areas with potential hazards to the extent possible. The needs of students with disabilities shall be considered when planning evacuation routes.

The Superintendent or designee shall consider the danger of a post-earthquake tsunami when developing evacuation routes and locations, including the need to evacuate to higher ground.

The Superintendent or designee shall identify at least one individual within each building to determine if an evacuation is necessary, the best evacuation location, and the best route to that location when an earthquake occurs.

The Superintendent or designee shall identify potential earthquake hazards in classrooms and other district facilities, including, but not limited to, areas where the main gas supply or electric current enters the building, suspended ceilings, pendant light fixtures, large windows, stairwells, science laboratories, storage areas for hazardous materials, shop areas, and unsecured furniture and equipment. To the extent possible, dangers presented by such potential hazards shall be minimized by securing equipment and furnishings and removing heavy objects from high shelves.

Earthquake While Indoors at School

When an earthquake occurs, the following actions shall be taken inside buildings and classrooms:

1. Staff shall have students perform the drop procedure. Students should stay in the drop position until the emergency is over or until further instructions are given.
2. In laboratories, burners should be extinguished, if possible, before taking cover.
3. As soon as possible, staff shall move students away from windows, shelves, and heavy objects or furniture that may fall.
4. After the earthquake, the principal or designee shall determine whether planned evacuation routes and assembly locations are safe and shall communicate with teachers and other staff.
5. When directed by the principal or designee to evacuate, or if classrooms or other facilities present dangerous hazards that require immediate evacuation, staff shall account for all students under their supervision and shall evacuate the building in an orderly manner.

Earthquake While Outdoors on School Grounds

When an earthquake occurs, the following actions shall be taken by staff or other persons in authority who are outdoors on school grounds:

1. Staff shall direct students to walk away from buildings, trees, overhead power lines, power poles, or exposed wires.
2. Staff shall have students perform the drop procedure.
3. Staff shall have students stay in the open until the earthquake is over or until further directions are given.

Earthquake While on the Bus

If students are on the school bus when an earthquake occurs, the bus driver shall take proper precautions to ensure student safety, which may include pulling over to the side of the road or driving to a location away from outside hazards, if possible. Following the earthquake, the driver shall contact the Superintendent or designee for instructions before proceeding on the route or, if such contact is not possible, drive to an evacuation or assembly location.

(cf. 3543 - Transportation Safety and Emergencies)

Subsequent Emergency Procedures

After an earthquake episode has subsided, the following actions shall be taken:

1. Staff shall extinguish small fires if safe.
2. Staff shall provide first aid to any injured students, take roll, and report missing students to the principal or designee.
3. Staff and students shall refrain from lighting any stoves or burners or operating any electrical switches until the area is declared safe.
4. All buildings shall be inspected for water and gas leaks, electrical breakages, and large cracks or earth slippage affecting buildings.
5. The principal or designee shall post staff at safe distances from all building entrances and instruct staff and students to remain outside the buildings until they are declared safe.
6. The principal or designee shall request assistance as needed from the county or city civil defense office, fire and police departments, city and county building inspectors, and utility companies and shall confer with them regarding the advisability of closing the school.
7. The principal or designee shall contact the Superintendent or designee and request further instructions after assessing the earthquake damage.
8. The Superintendent or designee shall provide updates to parents/guardians of district students and members of the community about the incident, any safety issues, and follow-up directions.

TRANSPORTATION SAFETY AND EMERGENCIES AR 3543

Cautionary Notice: Government Code 17581.5 relieves districts from the obligation to perform specified mandated activities when the Budget Act does not provide reimbursement during that fiscal year. The Budget Act of 2018 (SB 840, Ch. 29, Statutes of 2018) extends the suspension of these requirements through the 2018-19 fiscal year. As a result, certain provisions of the following administrative regulation related to transportation safety plans and safety instruction for students may be suspended.

Each day, prior to driving a school bus, each school bus driver shall inspect the bus to ensure that it is in safe operating condition and equipped as required by law and that all equipment is in good working order. At the completion of each day's work, the driver shall prepare and sign a written report of the condition of the equipment specified in 13 CCR 1215. The report shall indicate any defect or deficiency discovered by or reported to the driver which would affect safe operation or result in mechanical breakdown of the bus. If no defect or deficiency is discovered or reported, the driver shall so indicate on the report. Any defect or deficiency that would affect safe operation shall be repaired prior to operating the bus. (13 CCR 1215)

(cf. 3540 - Transportation)

(cf. 3541.1 - Transportation for School-Related Trips)

(cf. 3542 - School Bus Drivers)

Passenger Restraint Systems

The Superintendent or designee shall ensure that any school bus or student activity bus which is purchased or leased by the district is equipped with a combination pelvic and upper torso passenger restraint system at all designated seating positions if that

bus: (Vehicle Code 27316, 27316.5; 13 CCR 1201)

1. Is a Type 1 school bus designed for carrying more than 16 passengers and the driver, and was manufactured on or after July 1, 2005
2. Is a Type 2 school bus or student activity bus designed for carrying 16 or fewer passengers and the driver, or for carrying 20 or fewer passengers and the driver if the bus has a manufacturer's vehicle weight rating of 10,000 pounds or less, and was manufactured on or after July 1, 2004

The Superintendent or designee shall prioritize the allocation of school buses purchased, leased, or contracted to ensure that elementary students receive first priority for new school buses equipped with passenger restraint systems whenever feasible. When a school bus or student activity bus is equipped with a passenger restraint system, all passengers shall use the passenger restraint system. (5 CCR 14105)

Bus drivers shall be instructed regarding procedures to enforce the proper use of the passenger restraint system. Students who fail to follow instructions of the bus driver may be subject to discipline, including suspension of riding privileges, in accordance with Board policy and administrative regulations.

(cf. 5131.1 - Bus Conduct)

(cf. 5144 - Discipline)

Fire Extinguishers

Each school bus shall be equipped with at least one fire extinguisher, located in the driver's compartment, which meets the standards specified in law. In addition, a wheelchair school bus shall have another fire extinguisher placed at the wheelchair loading door or emergency exit. All fire extinguishers shall be regularly inspected and serviced in accordance with regulations adopted by the State Fire Marshal. (Education Code 39838; 13 CCR 1242; 19 CCR 574-575.3)

Child Safety Alert System

In accordance with Vehicle Code 28160, each school bus or student activity bus shall be equipped with an operational child safety alert system at the interior rear of the bus that requires the driver to either manually contact or scan the device, thereby prompting the driver to inspect the entirety of the interior of the vehicle before exiting.

A student activity bus that does not have a child safety alert system may be used only if all of the following apply: (Vehicle Code 28160)

1. The student activity bus is not used exclusively to transport students.
2. When the student activity bus is used to transport students, the students are accompanied by at least one adult chaperone selected by a school official. If an adult chaperone is not a school employee, the chaperone shall meet the requirements for a school volunteer.
(cf. 1240 - Volunteer Assistance)
3. One adult chaperone has a list of every student and adult chaperone, including a school employee, who is on the student activity bus at the time of departure.
4. The driver has reviewed all safety and emergency procedures before the initial departure, and the driver and adult chaperone have signed a form, with the time and date, acknowledging that the safety plan and procedures were reviewed.
5. Immediately before departure from any location, the adult chaperone shall account for each student on the list of students, verify the number of students to the driver, and sign a form indicating that all students are present or accounted for.
6. After students have exited a student activity bus, and before driving away, the driver shall check all areas of the bus, including, but not limited to, overhead compartments and bathrooms, to ensure that the bus is vacant.

In any such permitted situation, the driver shall only use a wireless telephone or device that is specifically designed and configured to allow voice-operated and hands-free operation or a function that requires only a single swipe or tap of the driver's finger provided the device is mounted on the windshield, dashboard, or center console of the bus. (Vehicle Code 23123.5, 23125)

Safe Bus Operations

School buses and student activity buses shall not be operated whenever the number of passengers exceeds bus seating capacity, except when necessary in emergency situations which require that individuals be transported immediately to ensure their safety. (Education Code 39834)

(cf. 3516 - Emergencies and Disaster Preparedness Plan)

School bus operations shall be limited when atmospheric conditions reduce visibility on the roadway to 200 feet or less during regular home-to-school transportation service. Bus drivers for school activity trips may discontinue bus operation whenever they determine that it is unsafe to continue operation because of reduced visibility. (Vehicle Code 34501.6)

Development of the IEP

Within 30 days of a determination that a student needs special education and related services, the Superintendent or designee shall ensure that a meeting to develop an initial IEP is conducted. (34 CFR 300.323)

Any IEP required as a result of an assessment of a student shall be developed within 60 days from the date of receipt of the parent/guardian's written consent for assessment, unless the parent/guardian agrees, in writing, to an extension. Days between the student's regular school sessions, terms, or vacation of more than five school days shall not be counted. In the case of school vacations, the 60-day time limit shall recommence on the date that the student's school days reconvene. (Education Code 56344)

However, when the IEP is required as a result of an assessment of a student for whom a referral has been made 30 days or less prior to the end of the preceding regular school year, the IEP shall be developed within 30 days after the commencement of the subsequent regular school year. (Education Code 56344)

In developing the IEP, the IEP team shall consider all of the following: (Education Code 56341.1, 56345; 20 USC 1414(d)(3)(A); 34 CFR 300.324)

6. In the case of a student with limited English proficiency, the language needs of the student as such needs relate to the student's IEP
7. In the case of a student who is blind or visually impaired, the need to provide for instruction in Braille and instruction in the use of Braille

However, such instruction need not be included in the IEP if the IEP team determines that instruction in Braille or the use of Braille is not appropriate for the student. This determination shall be based upon an assessment of the student's reading and writing skills, his/her future needs for instruction in Braille or the use of Braille, and other appropriate reading and writing media.

8. The communication needs of the student and, in the case of a student who is deaf or hard of hearing, the student's language and communication needs, opportunities for direct communications with peers and professional personnel in the student's language and communication mode, academic level, and full range of needs, including opportunities for direct instruction in the student's language and communication mode

The team shall also consider the related services and program options that provide the student with an equal opportunity for communication access, as described in Education Code 56345.

9. Whether the student requires assistive technology devices and services

If, in considering the special factors in items #1-9 above, the IEP team determines that the student needs a particular device or service, including an intervention, accommodation, or other program modification, in order to receive FAPE, the team shall include a statement to that effect in the student's IEP. (Education Code 56341.1)

Provision of Special Education and Related Services

The district shall ensure that, as soon as possible following development of the IEP, special education services and related services are made available to the student in accordance with his/her IEP. (Education Code 56344; 34 CFR 300.323)

The Superintendent or designee shall ensure that the student's IEP is accessible to each regular education teacher, special education teacher, related service provider, and any other service provider who is responsible for its implementation. The Superintendent or designee also shall ensure that such teachers and providers are informed of their specific responsibilities related to implementing the IEP and the specific accommodations, modifications, and supports that must be provided to the student in accordance with the IEP. (34 CFR 300.323)

Review and Revision of the IEP

The Superintendent or designee shall ensure that the IEP team reviews the IEP periodically, but at least annually, in order to:

(Education Code 56043, 56341.1, 56380; 20 USC 1414(d)(4); 34 CFR 300.324)

1. Determine whether the annual goals for the student are being achieved
2. Revise the IEP, as appropriate, to address:
 - a. Any lack of expected progress toward the annual goals and in the general education curriculum, where appropriate
 - b. The results of any reassessment conducted pursuant to Education Code 56381
 - c. Information about the student provided to or by the parents/guardians regarding review of evaluation data pursuant to 34 CFR 300.305(a)(2) and Education Code 56381(b)
 - d. The student's anticipated needs
 - e. Any other relevant matter
3. Consider the special factors listed in items #5-9 above under "Development of the IEP," when reviewing the IEP of any student with a disability to whom one of those factors may apply

The IEP team shall also meet at any other time upon request by the student's parent/guardian or teacher to review or revise the IEP. (Education Code 56343)

When a parent/guardian requests an IEP team meeting to review the IEP, the team shall meet within 30 days of receiving the parent/guardian's written request, not counting days between the student's regular school sessions or terms or days of school vacation in excess of five school days. If a parent/guardian makes an oral request, the district shall notify the parent/guardian of the need for a written request and the procedure for filing such a request. (Education Code 56043, 56343.5)

A regular education or special education teacher may request a review of the classroom assignment of a student with a disability by submitting a written request to the Superintendent or designee. The Superintendent or designee shall consider the request within 20 days of receiving it, not counting days when school is not in session or, for year-round schools, days when the school is off track. If the review indicates a need for change in the student's placement, instruction, and/or related services, the Superintendent or designee shall convene an IEP team meeting, which shall be held within 30 days of the Superintendent or designee's review, not counting days when school is not in session or days when school is off track, unless the student's parent/guardian consents in writing to an extension of time.

If a participating agency other than the district fails to provide the transition services described in the student's IEP, the team shall reconvene to identify alternative strategies to meet the transition service objectives set out for the student in the IEP. (Education Code 56345.1; 20 USC 1414(d); 34 CFR 300.324)

If a student with a disability residing in a licensed children's institution or foster family home has been placed by the district in a nonpublic, nonsectarian school, the Superintendent or designee shall conduct an annual evaluation as part of the IEP process of whether the placement is the least restrictive environment that is appropriate to meet the student's needs. (Education Code 56157) (cf. 6159.2 - Nonpublic, Nonsectarian School and Agency Services for Special Education) (cf. 6173.1 - Education for Foster Youth)

When an IEP calls for a residential placement as a result of a review by an expanded IEP team, the IEP shall include a provision for a review, at least every six months, by the full IEP team of the case progress, the continuing need for out-of-home placement, the extent of compliance with the IEP, and progress toward alleviating the need for out-of-home care. (Education Code 56043)

To the extent possible, the Superintendent or designee shall encourage the consolidation of reassessment meetings and other IEP team meetings for a student. (20 USC 1414(d)(3)(A); 34 CFR 300.324)

When a change is necessary to a student's IEP after the annual IEP team meeting for the school year has been held, the parent/guardian and the Superintendent or designee may agree not to convene an IEP team meeting for the purpose of making the change and instead may develop a written document to amend or modify the student's current IEP. The IEP team shall be informed of any such changes. Upon request, the Superintendent or designee shall provide the parent/guardian with a revised copy of the IEP with the incorporated amendments. (20 USC 1414(d)(3)(D); 34 CFR 300.324)

Audio Recording of IEP Team Meetings

Parents/guardians and the Superintendent or designee shall have the right to audio record the proceedings of IEP team meetings, provided members of the IEP team are notified of this intent at least 24 hours before the meeting. If the Superintendent or designee gives notice of intent to audio record a meeting and the parent/guardian objects or refuses to attend because the meeting would be audio recorded, the meeting shall not be audio recorded. Parents/guardians also have the right to: (Education Code 56341.1)

1. Inspect and review the audio recordings
2. Request that an audio recording be amended if they believe it contains information that is inaccurate, misleading, or in violation of the student's privacy rights or other rights

3. Challenge, in a hearing, information that the parents/guardians believe is inaccurate, misleading, or in violation of the student's privacy rights or other rights

Parent/Guardian Participation and Other Rights

The Superintendent or designee shall take steps to ensure that one or both of the parents/guardians of the student with a disability are present at each IEP team meeting or are afforded the opportunity to participate. These steps shall include notifying the parents/guardians of the meeting early enough to ensure that they will have the opportunity to attend and scheduling the meeting at a mutually agreed upon time and place. (Education Code 56341.5; 34 CFR 300.322)

The Superintendent or designee shall send parents/guardians notices of IEP team meetings that: (Education Code 56341.5; 34 CFR 300.322)

1. Indicate the purpose, time, and location of the meeting
2. Indicate who will be in attendance at the meeting
3. Inform them of:

a. Their right to bring to the meeting other individuals who have knowledge or special expertise about the student, pursuant to Education Code 56341(b)(6)

b. The provision of Education Code 56341(i) relating to the participation of the Infant and Toddlers with Disabilities Coordinator at the initial IEP team meeting, if the student was previously served under Early Education for Individuals with Exceptional Needs (Education Code 56425-56432) or the California Early Intervention Services Act (Government Code 95000-95004)

In addition, when the IEP team meeting is to consider the development, review, or revision of the IEP of a student with a disability who is 16 years of age or older, or younger than 16 if deemed appropriate by the IEP team, the Superintendent or designee's notice to the student's parents/guardians shall include the following: (Education Code 56341.5)

1. An indication that a purpose of the meeting will be the consideration of postsecondary goals and transition services for the student pursuant to Education Code 56345.1, 20 USC 1414(d)(1)(A)(i)(VIII), and 34 CFR 300.320(b)
2. An indication that the student is invited to the IEP team meeting
3. Identification of any other agency that will be invited to send a representative

(cf. 5145.6 - Parental Notifications)

At each IEP team meeting convened by the district, the district administrator or specialist on the team shall inform the parent/guardian and student of the federal and state procedural safeguards included in the notice of parental rights provided pursuant to Education Code 56321. (Education Code 56500.1)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

The parent/guardian shall have the right and opportunity to examine all of his/her child's school records upon request, before any IEP meeting, and in connection with any hearing or resolution session on matters affecting his/her child, including, but not limited to, initial formal assessment, procedural safeguards, and due process. Upon receipt of an oral or written request, the Superintendent or designee shall provide complete copies of the records within five business days. (Education Code 56043, 56504)

An IEP team meeting may be conducted without a parent/guardian in attendance if the Superintendent or designee is unable to convince the parent/guardian that he/she should attend. In such a case, the Superintendent or designee shall maintain a record of the attempts to arrange a mutually agreed upon time and place for the meeting, including: (Education Code 56341.5; 34 CFR 300.322)

1. Detailed records of telephone calls made or attempted and the results of those calls
2. Copies of correspondence sent to the parent/guardian and any responses received
3. Detailed records of visits made to the parent/guardian's home or place of employment and the results of those visits

The Superintendent or designee shall take any action necessary to ensure that the parents/guardians understand the proceedings of the meeting, including arranging for an interpreter for parents/guardians with deafness or whose native language is not English. (Education Code 56341.5; 34 CFR 300.322)

The Superintendent or designee shall give the parents/guardians of a student with a disability a copy of his/her child's IEP at no cost. (Education Code 56341.5; 34 CFR 300.322)

Parent/Guardian Consent for Provision of Special Education and Services

Before providing special education and related services to any student, the Superintendent or designee shall seek to obtain informed consent of the student's parent/guardian pursuant to 20 USC 1414(a)(1). The district shall not provide services by utilizing the due process hearing procedures pursuant to 20 USC 1415(f) if the parent/guardian refuses to consent to the initiation of services. If the parent/guardian does not consent to all of the components of the IEP, then those components to which the parent/guardian has consented shall be implemented so as not to delay providing instruction and services to the student. (Education Code 56346)

If the Superintendent or designee determines that a part of a proposed IEP to which the parent/guardian does not consent is necessary in order to provide the student with FAPE, a due process hearing shall be initiated in accordance with 20 USC 1415(f). While the due process hearing is pending, the student shall remain in the current placement unless the parent/guardian and the Superintendent or designee agree otherwise. (Education Code 56346)

If at any time subsequent to the initial provision of services, the student's parent/guardian, in writing, revokes consent for the continued provision of special education services, the Superintendent or designee shall provide prior written notice within a reasonable time before ceasing to provide services to the student. The Superintendent or designee shall not request a due process hearing or

pursue mediation in order to require an agreement or ruling that services be provided to the student. (Education Code 56346; 34 CFR 300.300, 300.503)

Prior to the discontinuation of services, the Superintendent or designee may offer to meet with the parents/guardians to discuss concerns for the student's education. However, this meeting shall be voluntary on the part of the parent/guardian and shall not delay the implementation of the parent/guardian's request for discontinuation of services. In addition, the Superintendent or designee shall send a letter to the parent/guardian confirming the parent/guardian's decision to discontinue all services.

When the district ceases to provide special education services in response to the parent/guardian's revocation of consent, the student shall be classified as a general education student.

Transfer Students

To facilitate the transition of a student with a disability who is transferring into the district, the Superintendent or designee shall take reasonable steps to promptly obtain the student's records, including his/her IEP and the supporting documents related to the provision of special education services. (Education Code 56325; 34 CFR 300.323)

If the student transfers into the district from another school district within the same SELPA during the school year, the district shall continue to provide services comparable to those described in the student's existing IEP, unless his/her parent/guardian and the district agree to develop, adopt, and implement a new IEP that is consistent with state and federal law. (Education Code 56325; 34 CFR 300.323)

If the student transfers into the district from a school district outside of the district's SELPA during the school year, the district shall provide the student with FAPE, including services comparable to those described in the previous district's IEP. Within 30 days, the Superintendent or designee shall, in consultation with the student's parents/guardians, adopt the previous district's IEP or shall develop, adopt, and implement a new IEP that is consistent with state and federal law. (Education Code 56325; 34 CFR 300.323)

If the student transfers into the district from an out-of-state district during the school year, the district shall provide the student with FAPE, including services comparable to the out-of-state district's IEP, in consultation with the parent/guardian, until such time as the Superintendent or designee conducts an assessment, if it determines that such an assessment is necessary, and develops, adopts, and implements a new IEP, if appropriate. (Education Code 56325; 34 CFR 300.323)

Suspension from Class by a Teacher

A teacher may suspend a student, including a grade K-3 student, from class for the remainder of the day and the following day for disruption, willful defiance, or any of the other acts specified in Education Code 48900 and listed as items #1-18 under "Grounds for Suspension and Expulsion: Grades K-12" above. (Education Code 48910)

When suspending a student from class, the teacher shall immediately report this action to the principal or designee and send the student to the principal or designee for appropriate action. If that action requires the continuing presence of the student at school,

he/she shall be appropriately supervised during the class periods from which he/she has been suspended. (Education Code 48910)

As soon as possible after the teacher decides to suspend the student, he/she shall ask the student's parent/guardian to attend a parent-teacher conference regarding the suspension. A counselor or psychologist may attend the conference if it is practicable, and a school administrator shall attend if either the parent/guardian or teacher so requests. (Education Code 48910)

A student suspended from class shall not be returned to class during the period of the suspension without the approval of the teacher of the class and the principal or designee. (Education Code 48910)

A student suspended from class shall not be placed in another regular class during the period of suspension. However, a student assigned to more than one class per day may continue to attend other regular classes except those held at the same time as the class from which he/she was suspended. (Education Code 48910)

The teacher of any class from which a student is suspended may require the student to complete any assignments and tests missed during the removal. (Education Code 48913)

Suspension by Superintendent, Principal or Principal's Designee

To implement disciplinary procedures at a school site, the principal may, in writing, designate as the principal's designee another administrator or, if the principal is the only administrator at the school site, a certificated employee. As necessary, the principal may, in writing, also designate another administrator or certificated employee as the secondary designee to assist with disciplinary procedures when the principal and the principal's primary designee are absent from the school site.

The Superintendent, principal, or designee shall immediately suspend any student found at school or at a school activity to have committed any of the acts listed in the Board policy under "Authority to Expel" and for which he/she is required to recommend expulsion. (Education Code 48915(c))

The Superintendent, principal, or designee may impose a suspension for a first offense if he/she determines that the student violated any of items #1-5 listed under "Grounds for Suspension and Expulsion: Grades K-12" above or if the student's presence causes a danger to persons. (Education Code 48900.5)

For all other offenses, a student may be suspended only when the Superintendent or principal has determined that other means of correction have failed to bring about proper conduct. (Education Code 48900.5)

When other means of correction are implemented prior to imposing suspension or supervised suspension upon a student, the Superintendent, principal, or designee shall document the other means of correction used and retain the documentation in the student's record. (Education Code 48900.5)

(cf. 5125 - Student Records)

Length of Suspension

The Superintendent, principal, or designee may suspend a student from school for not more than five consecutive school days. (Education Code 48911)

A student may be suspended from school for not more than 20 school days in any school year. However, if a student enrolls in or is transferred to another regular school, an opportunity school, or continuation school or class for the purpose of adjustment, he/she may be suspended for not more than 30 school days in a school year. The district may count suspensions that occur while a student is enrolled in another school district toward the maximum number of days for which the student may be suspended in any school year. (Education Code 48903, 48911, 48912)

(cf. 6184 - Continuation Education)

These restrictions on the number of days of suspension shall not apply when the suspension is extended pending an expulsion. (Education Code 48911)

Due Process Procedures for Suspension

Suspensions shall be imposed in accordance with the following procedures:

1. **Informal Conference:** Suspension shall be preceded by an informal conference conducted by the Superintendent, principal, or designee with the student and, whenever practicable, the teacher, supervisor, or school employee who referred the student to the principal. At the conference, the student shall be informed of the reason for the disciplinary action, including the other means of correction that were attempted before the suspension as required pursuant to Education Code 48900.5, and the evidence against him/her, and shall be given the opportunity to present his/her version and evidence in support of his/her defense. (Education Code 48911)

This conference may be omitted if the Superintendent, principal, or designee determines that an emergency situation exists involving a clear and present danger to the lives, safety, or health of students or school personnel. If a student is suspended without this conference, both the parent/guardian and student shall be notified of the student's right to return to school for the purpose of the conference and the conference shall be held within two school days, unless the student waives his/her right to it or is physically unable to attend for any reason. In such a case, the conference shall be held as soon as the student is physically able to return to school. (Education Code 48911)

2. **Administrative Actions:** All requests for student suspension are to be processed by the principal or designee. A school employee shall report the suspension, including the name of the student and the cause for the suspension, to the Superintendent or designee. (Education Code 48911)

3. **Notice to Parents/Guardians:** At the time of the suspension, a school employee shall make a reasonable effort to contact the parent/guardian by telephone or in person. Whenever a student is suspended, the parent/guardian shall also be notified in writing of the suspension. (Education Code 48911)

This notice shall state the specific offense committed by the student. (Education Code 48900.8)

In addition, the notice may state the date and time when the student may return to school.

4. **Parent/Guardian Conference:** Whenever a student is suspended, school officials may request a meeting with the parent/guardian to discuss the cause(s) and duration of the suspension, the school policy involved, and any other pertinent matter. (Education Code 48914)

If school officials request to meet with the parent/guardian, the notice may state that the law requires the parent/guardian to respond to such requests without delay. However, no penalties may be imposed on the student for the failure of the parent/guardian to attend such a conference. The student may not be denied reinstatement solely because the parent/guardian failed to attend the conference. (Education Code 48911)

5. Extension of Suspension: If the Board is considering the expulsion of a suspended student from any school or the suspension of a student for the balance of the semester from continuation school, the Superintendent or designee may, in writing, extend the suspension until such time as the Board has made a decision, provided the following requirements are followed: (Education Code 48911)
 - a. The extension of the original period of suspension is preceded by notice of such extension with an offer to hold a conference concerning the extension, giving the student an opportunity to be heard. This conference may be held in conjunction with a meeting requested by the student or parent/guardian to challenge the original suspension.
 - b. The Superintendent or designee determines, following a meeting in which the student and the student's parent/guardian were invited to participate, that the student's presence at the school or at an alternative school would endanger persons or property or threaten to disrupt the instructional process. (Education Code 48911)
 - c. If the student involved is a foster youth, the Superintendent or designee shall notify the district liaison for foster youth of the need to invite the student's attorney and a representative of the appropriate county child welfare agency to attend the meeting. (Education Code 48853.5, 48911, 48918.1)
(cf. 6173.1 - Education for Foster Youth)
 - d. If the student involved is a homeless child or youth, the Superintendent or designee shall notify the district liaison for homeless students. (Education Code 48918.1)
(cf. 6173 - Education for Homeless Children)

In lieu of or in addition to suspending a student, the Superintendent, principal, or designee may provide services or require the student to participate in an alternative disciplinary program designed to correct his/her behavior and keep him/her in school.

Suspension by the Board

The Board may suspend a student for any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above and within the limits specified under "Suspension by Superintendent, Principal, or Designee" above. (Education Code 48912)

The Board may suspend a student enrolled in a continuation school or class for a period not longer than the remainder of the semester. The suspension shall meet the requirements of Education Code 48915. (Education Code 48912.5)

When the Board is considering a suspension, disciplinary action, or any other action (except expulsion) against any student, it shall hold a closed session if a public hearing would lead to disclosure of information that would violate a student's right to privacy under Education Code 49073-49079. (Education Code 35146, 48912)

(cf. 9321 - Closed Session Purposes and Agendas)

The Board shall provide the student and his/her parent/guardian with written notice of the closed session by registered or certified mail or personal service. Upon receiving this notice, the student or parent/guardian may request a public meeting, and this request shall be granted if made in writing within 48 hours after receipt of the Board's notice. However, any discussion that conflicts with any other student's right to privacy still shall be held in closed session. (Education Code 35146, 48912)

On-Campus Suspension

A student for whom an expulsion action has not been initiated and who poses no imminent danger or threat to the school, students, or staff may be assigned to on-campus suspension in a separate classroom, building, or site for the entire period of suspension. The following conditions shall apply: (Education Code 48911.1)

1. The on-campus suspension classroom shall be staffed in accordance with law.
2. The student shall have access to appropriate counseling services.
3. The on-campus suspension classroom shall promote completion of schoolwork and tests missed by the student during the suspension.
4. The student shall be responsible for contacting his/her teacher(s) to receive assignments to be completed in the supervised suspension classroom. The teacher(s) shall provide all assignments and tests that the student will miss while suspended. If no such work is assigned, the person supervising the suspension classroom shall assign schoolwork.

At the time a student is assigned to an on-campus suspension classroom, the principal or designee shall notify the student's parent/guardian in person or by telephone. When the assignment is for longer than one class period, this notification may be made in writing. (Education Code 48911.1)

Superintendent or Principal's Authority to Recommend Expulsion

Unless the Superintendent or principal determines that expulsion should not be recommended under the circumstances or that an alternative means of correction would address the conduct, he/she shall recommend a student's expulsion for any of the following acts: (Education Code 48915)

1. Causing serious physical injury to another person, except in self-defense
2. Possession of any knife or other dangerous object of no reasonable use to the student
3. Unlawful possession of any controlled substance as listed in Health and Safety Code 11053-11058, except for (a) the first offense for the possession of not more than one ounce of marijuana, other than concentrated cannabis, or (b) the student's possession of over-the-counter medication for his/her use or other medication prescribed for him/her by a physician
4. Robbery or extortion
5. Assault or battery, as defined in Penal Code 240 and 242, upon any school employee

In determining whether or not to recommend the expulsion of a student, the Superintendent, principal, or designee shall act as quickly as possible to ensure that the student does not lose instructional time. (Education Code 48915)

Student's Right to Expulsion Hearing

Any student recommended for expulsion shall be entitled to a hearing to determine whether he/she should be expelled. The hearing shall be held within 30 school days after the Superintendent, principal, or designee determines that the student has committed the act(s) that form the basis for the expulsion recommendation. (Education Code 48918(a))

The student is entitled to at least one postponement of an expulsion hearing for a period of not more than 30 calendar days. The request for postponement shall be in writing. Any subsequent postponement may be granted at the Board's discretion. (Education Code 48918(a))

If the Board finds it impractical during the regular school year to comply with these time requirements for conducting an expulsion hearing, the Superintendent or designee may, for good cause, extend the time period by an additional five school days. Reasons for the extension shall be included as a part of the record when the expulsion hearing is held. (Education Code 48918(a))

If the Board finds it impractical to comply with the time requirements of the expulsion hearing due to a summer recess of Board meetings of more than two weeks, the days during the recess shall not be counted as school days. The days not counted during the recess may not exceed 20 school days, as defined in Education Code 48925. Unless the student requests in writing that the expulsion hearing be postponed, the hearing shall be held not later than 20 calendar days prior to the first day of the next school year. (Education Code 48918(a))

Once the hearing starts, all matters shall be pursued with reasonable diligence and concluded without unnecessary delay. (Education Code 48918(a))

Stipulated Expulsion

After a determination that a student has committed an expellable offense, the Superintendent, principal, or designee shall offer the student and his/her parent/guardian the option to waive a hearing and stipulate to the expulsion or to a suspension of the expulsion under certain conditions. The offer shall be made only after the student or his/her parent/guardian has been given written notice of the expulsion hearing pursuant to Education Code 48918.

The stipulation agreement shall be in writing and shall be signed by the student and his/her parent/guardian. The stipulation agreement shall include notice of all the rights that the student is waiving, including the waiving of his/her right to have a full hearing, to appeal the expulsion to the County Board of Education, and to consult legal counsel.

A stipulated expulsion agreed to by the student and his/her parent/guardian shall be effective upon approval by the Board.

Rights of Complaining Witness

An expulsion hearing involving allegations of sexual assault or sexual battery may be postponed for one school day in order to accommodate the special physical, mental, or emotional needs of a student who is the complaining witness. (Education Code 48918.5)

Whenever the Superintendent or designee recommends an expulsion hearing that addresses allegations of sexual assault or sexual battery, he/she shall give the complaining witness a copy of the district's suspension and expulsion policy and regulation and shall advise the witness of his/her right to: (Education Code 48918.5)

1. Receive five days' notice of his/her scheduled testimony at the hearing
2. Have up to two adult support persons of his/her choosing present at the hearing at the time he/she testifies
3. Have a closed hearing during the time he/she testifies

Whenever any allegation of sexual assault or sexual battery is made, the Superintendent or designee shall immediately advise complaining witnesses and accused students to refrain from personal or telephone contact with each other during the time when an expulsion process is pending. (Education Code 48918.5)

Written Notice of the Expulsion Hearing

Written notice of the expulsion hearing shall be forwarded to the student and the student's parent/guardian at least 10 calendar days before the date of the hearing. The notice shall include: (Education Code 48900.8, 48918(b))

1. The date and place of the hearing
2. A statement of the specific facts, charges, and offense upon which the proposed expulsion is based
3. A copy of district disciplinary rules which relate to the alleged violation
4. Notification of the student's or parent/guardian's obligation, pursuant to Education Code 48915.1, to provide information about the student's status in the district to any other district in which the student seeks enrollment

This obligation applies when a student is expelled for acts other than those described in Education Code 48915(a) or (c). (cf. 5119 - Students Expelled from Other Districts)

5. The opportunity for the student or the student's parent/guardian to appear in person or be represented by legal counsel or by a nonattorney adviser

Legal counsel means an attorney or lawyer who is admitted to the practice of law in California and is an active member of the State Bar of California.

Nonattorney adviser means an individual who is not an attorney or lawyer, but who is familiar with the facts of the case and has been selected by the student or student's parent/guardian to provide assistance at the hearing.

6. The right to inspect and obtain copies of all documents to be used at the hearing
7. The opportunity to confront and question all witnesses who testify at the hearing
8. The opportunity to question all evidence presented and to present oral and documentary evidence on the student's behalf, including witnesses

Additional Notice of Expulsion Hearing for Foster Youth and Homeless Students

If the student facing expulsion is a foster student, the Superintendent or designee shall also send notice of the hearing to the student's attorney and a representative of an appropriate child welfare agency at least 10 days prior to the hearing. (Education Code 48918.1)

If the student facing expulsion is a homeless student, the Superintendent or designee shall also send notice of the hearing to the district liaison for homeless students at least 10 days prior to the hearing. (Education Code 48918.1)

Any notice for these purposes may be provided by the most cost-effective method possible, including by email or a telephone call. (Education Code 48918.1)

Conduct of Expulsion Hearing

1. Closed Session: Notwithstanding Education Code 35145, the Board shall conduct a hearing to consider the expulsion of the student in a session closed to the public unless the student requests in writing at least five days prior to the hearing that the hearing be a public meeting. If such a request is made, the meeting shall be public to the extent that privacy rights of other students are not violated. (Education Code 48918)

Whether the expulsion hearing is held in closed or public session, the Board may meet in closed session to deliberate and determine whether or not the student should be expelled. If the Board admits any other person to this closed session, the parent/guardian, the student, and the counsel of the student also shall be allowed to attend the closed session. (Education Code 48918(c))

If a hearing that involves a charge of sexual assault or sexual battery is to be conducted in public, a complaining witness shall have the right to have his/her testimony heard in closed session when testifying in public would threaten serious psychological harm to the witness and when there are no alternative procedures to avoid the threatened harm, including, but not limited to, a videotaped deposition or contemporaneous examination in another place communicated to the hearing room by closed-circuit television. (Education Code 48918(c))

2. Record of Hearing: A record of the hearing shall be made and may be maintained by any means, including electronic recording, as long as a reasonably accurate and complete written transcription of the proceedings can be made. (Education Code 48918(g))

3. Subpoenas: Before commencing a student expulsion hearing, the Board may issue subpoenas, at the request of either the student or the Superintendent or designee, for the personal appearance at the hearing of any person who actually witnessed the action that gave rise to the recommendation for expulsion. After the hearing has commenced, the Board or the hearing officer or administrative panel may issue such subpoenas at the request of the student or the County Superintendent of Schools or designee. All subpoenas shall be issued in accordance with Code of Civil Procedure 1985-1985.2 and enforced in accordance with Government Code 11455.20. (Education Code 48918(i))

Any objection raised by the student or the Superintendent or designee to the issuance of subpoenas may be considered by the Board in closed session, or in open session if so requested by the student, before the meeting. The Board's decision in response to such an objection shall be final and binding. (Education Code 48918(i))

If the Board determines, or if the hearing officer or administrative panel finds and submits to the Board, that a witness would be subject to unreasonable risk of harm by testifying at the hearing, a subpoena shall not be issued to compel the personal attendance of that witness at the hearing. However, that witness may be compelled to testify by means of a sworn declaration as described in item #4 below. (Education Code 48918(i))

4. Presentation of Evidence: Technical rules of evidence shall not apply to the expulsion hearing, but relevant evidence may be admitted and used as proof only if it is the kind of evidence on which reasonable persons can rely in the conduct of serious affairs. The decision of the Board to expel shall be supported by substantial evidence that the student committed any of the acts pursuant to Education Code 48900 and listed in "Grounds for Suspension and Expulsion: Grades K-12" and "Additional Grounds for Suspension and Expulsion: Grades 4-12" above. (Education Code 48918(h))

Findings of fact shall be based solely on the evidence at the hearing. Although no finding shall be based solely on hearsay, sworn declarations may be admitted as testimony from witnesses whose disclosure of their identity or testimony at the hearing may subject them to an unreasonable risk of physical or psychological harm. (Education Code 48918(f))

In cases where a search of a student's person or property has occurred, evidence describing the reasonableness of the search shall be included in the hearing record.

5. Testimony by Complaining Witnesses: The following procedures shall be observed when a hearing involves allegations of sexual assault or sexual battery by a student: (Education Code 48918, 48918.5)

a. Any complaining witness shall be given five days' notice before being called to testify.

b. Any complaining witness shall be entitled to have up to two adult support persons, including, but not limited to, a parent/guardian or legal counsel, present during his/her testimony.

c. Before a complaining witness testifies, support persons shall be admonished that the hearing is confidential.

d. The person presiding over the hearing may remove a support person whom he/she finds is disrupting the hearing.

e. If one or both support persons are also witnesses, the hearing shall be conducted in accordance with Penal Code 868.5.

f. Evidence of specific instances of prior sexual conduct of a complaining witness shall be presumed inadmissible and shall not be heard unless the person conducting the hearing determines that extraordinary circumstances require the evidence to be heard. Before such a determination is made, the complaining witness shall be given notice and an opportunity to oppose the introduction of this evidence. In the hearing on the admissibility of this evidence, the complaining witness shall be entitled to be represented by a parent/guardian, legal counsel, or other support person. Reputation or opinion evidence regarding the sexual behavior of a complaining witness shall not be admissible for any purpose.

g. In order to facilitate a free and accurate statement of the experiences of the complaining witness and to prevent discouragement of complaints, the district shall provide a nonthreatening environment.

(1) The district shall provide a room separate from the hearing room for the use of the complaining witness before and during breaks in testimony.

(2) At the discretion of the person conducting the hearing, the complaining witness shall be allowed reasonable periods of relief from examination and cross-examination during which he/she may leave the hearing room.

(3) The person conducting the hearing may:

(a) Arrange the seating within the hearing room so as to facilitate a less intimidating environment for the complaining witness

(b) Limit the time for taking the testimony of a complaining witness to the hours he/she is normally in school, if there is no good cause to take the testimony during other hours

(c) Permit one of the support persons to accompany the complaining witness to the witness stand

6. Decision: The Board's decision as to whether to expel a student shall be made within 40 school days after the student is removed from his/her school of attendance, unless the student requests in writing that the decision be postponed. (Education Code 48918(a))

Alternative Expulsion Hearing: Hearing Officer or Administrative Panel

Instead of conducting an expulsion hearing itself, the Board may contract with the county hearing officer or with the Office of Administrative Hearings of the State of California for a hearing officer. The Board may also appoint an impartial administrative panel composed of three or more certificated personnel, none of whom shall be members of the Board or on the staff of the school in which the student is enrolled. (Education Code 48918)

A hearing conducted by the hearing officer or administrative panel shall conform to the same procedures applicable to a hearing conducted by the Board as specified above in "Conduct of Expulsion Hearing," including the requirement to issue a decision within 40 school days of the student's removal from school, unless the student requests that the decision be postponed. (Education Code 48918(a) and (d))

The hearing officer or administrative panel shall, within three school days after the hearing, determine whether to recommend expulsion of the student to the Board. If expulsion is not recommended, the expulsion proceeding shall be terminated and the student shall be immediately reinstated and permitted to return to the classroom instructional program from which the referral was made, unless another placement is requested in writing by the student's parent/guardian. Before the student's placement decision is made by his/her parent/guardian, the Superintendent or designee shall consult with the parent/guardian and district staff, including the student's teachers, regarding other placement options for the student in addition to the option to return to the classroom instructional program from which the student's expulsion referral was made. The decision to not recommend expulsion shall be final. (Education Code 48918(e))

If expulsion is recommended, findings of fact in support of the recommendation shall be prepared and submitted to the Board. All findings of fact and recommendations shall be based solely on the evidence presented at the hearing. The Board may accept the recommendation based either upon a review of the findings of fact and recommendations submitted or upon the results of any supplementary hearing the Board may order. (Education Code 48918(f))

In accordance with Board policy, the hearing officer or administrative panel may recommend that the Board suspend the enforcement of the expulsion. If the hearing officer or administrative panel recommends that the Board expel a student but suspend the enforcement of the expulsion, the student shall not be reinstated and permitted to return to the classroom instructional program from which the referral was made until the Board has ruled on the recommendation. (Education Code 48917, 48918)

Final Action by the Board

Whether the expulsion hearing is conducted in closed or open session by the Board, a hearing officer, or an administrative panel or is waived through the signing of a stipulated expulsion agreement, the final action to expel shall be taken by the Board in public. (Education Code 48918(j))

(cf. 9321.1 - Closed Session Actions and Reports)

The Board's decision is final. If the decision is to not expel, the student shall be reinstated immediately. If the decision is to suspend the enforcement of the expulsion, the student shall be reinstated under the conditions of the suspended expulsion.

Upon ordering an expulsion, the Board shall set a date when the student shall be reviewed for readmission to a school within the district. For a student expelled for any "mandatory recommendation and mandatory expulsion" act listed in the section "Authority to Expel" in the accompanying Board policy, this date shall be one year from the date the expulsion occurred, except that the Board may set an earlier date on a case-by-case basis. For a student expelled for other acts, this date shall be no later than the last day of the semester following the semester in which the expulsion occurred. If an expulsion is ordered during summer session or the intersession period of a year-round program, the Board shall set a date when the student shall be reviewed for readmission not later than the last day of the semester following the summer session or intersession period in which the expulsion occurred. (Education Code 48916)

At the time of the expulsion order, the Board shall recommend a plan for the student's rehabilitation, which may include: (Education Code 48916)

1. Periodic review, as well as assessment at the time of review, for readmission
2. Recommendations for improved academic performance, tutoring, special education assessments, job training, counseling, employment, community service, or other rehabilitative programs

With parent/guardian consent, students who have been expelled for reasons relating to controlled substances or alcohol may be required to enroll in a county-sponsored drug rehabilitation program before returning to school. (Education Code 48916.5)

Written Notice to Expel

The Superintendent or designee shall send written notice of the decision to expel to the student or parent/guardian. This notice shall include the following:

1. The specific offense committed by the student for any of the causes for suspension or expulsion listed above under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" (Education Code 48900.8)
2. The fact that a description of readmission procedures will be made available to the student and his/her parent/guardian (Education Code 48916)
3. Notice of the right to appeal the expulsion to the County Board (Education Code 48918)
4. Notice of the alternative educational placement to be provided to the student during the time of expulsion (Education Code 48918)
5. Notice of the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of the student's status with the expelling district, pursuant to Education Code 48915.1 (Education Code 48918)

Decision to Suspend Expulsion Order

In accordance with Board policy, when deciding whether to suspend the enforcement of an expulsion order, the Board shall take into account the following criteria:

1. The student's pattern of behavior
2. The seriousness of the misconduct
3. The student's attitude toward the misconduct and his/her willingness to follow a rehabilitation program

The suspension of the enforcement of an expulsion shall be governed by the following:

1. The Board may, as a condition of the suspension of enforcement, assign the student to a school, class, or program appropriate for the student's rehabilitation. This rehabilitation program may provide for the involvement of the student's parent/guardian in the student's education. However, a parent/guardian's refusal to participate in the rehabilitation program shall not be considered in the Board's determination as to whether the student has satisfactorily completed the rehabilitation program. (Education Code 48917)
2. During the period when enforcement of the expulsion order is suspended, the student shall be on probationary status. (Education Code 48917)
3. The suspension of the enforcement of an expulsion order may be revoked by the Board if the student commits any of the acts listed under "Grounds for Suspension and Expulsion: Grades K-12" or "Additional Grounds for Suspension and Expulsion: Grades 4-12" above or violates any of the district's rules and regulations governing student conduct. (Education Code 48917)
4. When the suspension of enforcement of an expulsion order is revoked, a student may be expelled under the terms of the original expulsion order. (Education Code 48917)
5. Upon satisfactory completion of the rehabilitation assignment, the Board shall reinstate the student in a district school. Upon reinstatement, the Board may order the expunging of any or all records of the expulsion proceedings. (Education Code 48917)
6. The Superintendent or designee shall send written notice of any decision to suspend the enforcement of an expulsion order during a period of probation to the student or parent/guardian. The notice shall inform the parent/guardian of the right to appeal the expulsion to the County Board, the alternative educational placement to be provided to the student during the period of expulsion, and the student's or parent/guardian's obligation to inform any new district in which the student seeks to enroll of his/her status with the expelling district, pursuant to Education Code 48915.1(b). (Education Code 48918(j))
7. Suspension of the enforcement of an expulsion order shall not affect the time period and requirements for the filing of an appeal of the expulsion order with the County Board. (Education Code 48917)

Appeal

The student or parent/guardian is entitled to file an appeal of the Board's decision with the County Board. The appeal must be filed within 30 days of the Board's decision to expel, even if the expulsion order is suspended and the student is placed on probation. (Education Code 48919)

If the student submits a written request for a copy of the written transcripts and supporting documents from the district simultaneously with the filing of the notice of appeal with the County Board, the district shall provide the student with these documents within 10 school days following the student's written request. (Education Code 48919)

Notification to Law Enforcement Authorities

Prior to the suspension or expulsion of any student, the principal or designee shall notify appropriate city or county law enforcement authorities of any student acts of assault which may have violated Penal Code 245. (Education Code 48902)

The principal or designee shall notify appropriate city or county law enforcement authorities of any student acts which may involve the possession or sale of narcotics or of a controlled substance, or of any student acts involving the possession, sale, or furnishing of firearms, explosives, or other dangerous weapons in violation of Education Code 48915(c)(1) or (5) or Penal Code 626.9 and 626.10. (Education Code 48902)

Within one school day after a student's suspension or expulsion, the principal or designee shall notify appropriate county or district law enforcement authorities, by telephone or other appropriate means, of any student acts which may violate Education Code 48900(c) or (d), relating to the possession, use, offering, or sale of controlled substances, alcohol, or intoxicants of any kind. (Education Code 48902)

Placement During Expulsion

The Board shall refer expelled students to a program of study that is: (Education Code 48915, 48915.01)

1. Appropriately prepared to accommodate students who exhibit discipline problems
2. Not provided at a comprehensive middle, junior, or senior high school or at any elementary school, unless the program is offered at a community day school established at any of these
3. Not housed at the school site attended by the student at the time of suspension
(cf. 6158 - Independent Study)
(cf. 6185 - Community Day School)

When the placement described above is not available and when the County Superintendent so certifies, students expelled for only acts described in items #6-12 under "Grounds for Suspension and Expulsion: Grades K-12" and items #1-3 under "Additional Grounds for Suspension and Expulsion: Grades 4-12" above may be referred to a program of study that is provided at another comprehensive middle, junior, or senior high school or at an elementary school. (Education Code 48915)

The program for a student expelled from any of grades K-6 shall not be combined or merged with programs offered to students in any of grades 7-12. (Education Code 48916.1)

Readmission After Expulsion

Prior to the date set by the Board for the student's readmission:

1. The Superintendent or designee shall hold a conference with the parent/guardian and the student. At the conference, the student's rehabilitation plan shall be reviewed and the Superintendent or designee shall verify that the provisions of this plan have been met. School regulations shall be reviewed and the student and parent/guardian shall be asked to indicate in writing their willingness to comply with these regulations.
2. The Superintendent or designee shall transmit to the Board his/her recommendation regarding readmission. The Board shall consider this recommendation in closed session. If a written request for open session is received from the parent/guardian or adult student, it shall be honored to the extent that privacy rights of other students are not violated.
3. If the readmission is granted, the Superintendent or designee shall notify the student and parent/guardian, by registered mail, of the Board's decision regarding readmission.
4. The Board may deny readmission only if it finds that the student has not satisfied the conditions of the rehabilitation plan or that the student continues to pose a danger to campus safety or to other district students or employees. (Education Code 48916)

5. If the Board denies the readmission of a student, the Board shall determine either to continue the student's placement in the alternative educational program initially selected or to place the student in another program that serves expelled students, including placement in a county community school.
6. The Board shall provide written notice to the expelled student and parent/guardian describing the reasons for denying readmittance into the regular program. This notice shall indicate the Board's determination of the educational program which the Board has chosen. The student shall enroll in that program unless the parent/guardian chooses to enroll the student in another school district. (Education Code 48916)

No student shall be denied readmission into the district based solely on the student's arrest, adjudication by a juvenile court, formal or informal supervision by a probation officer, detention in a juvenile facility, enrollment in a juvenile court school, or other such contact with the juvenile justice system. (Education Code 48645.5)

Maintenance of Records

The district shall maintain a record of each suspension and expulsion, including its specific cause(s). (Education Code 48900.8)

Expulsion records of any student shall be maintained in the student's mandatory interim record and sent to any school in which the student subsequently enrolls upon written request by that school. (Education Code 48918(k))

The Superintendent or designee shall, within five working days, honor any other district's request for information about an expulsion from this district. (Education Code 48915.1)

(cf. 5119 - Students Expelled from Other Districts)

Regulation WILLITS UNIFIED SCHOOL DISTRICT

approved: December 5, 2018 Willits, California

SUSPENSION AND EXPULSION DUE PROCESS (STUDENTS WITH DISABILITIES) AR 5144.2

A student identified as an individual with a disability pursuant to the Individuals with Disabilities Education Act (IDEA), 20 USC 1400-1482, is subject to the same grounds and procedures for suspension and expulsion which apply to students without disabilities, except as otherwise specified in this administrative regulation.

(cf. 5144.1 - Suspension and Expulsion/Due Process)

Suspension

The Superintendent or designee may suspend a student with a disability for up to 10 consecutive school days for a single incident of misconduct, and for up to 20 school days in a school year, as long as the suspension(s) does not constitute a change in placement pursuant to 34 CFR 300.536. (Education Code 48903; 34 CFR 300.530)

The principal or designee shall monitor the number of days, including portions of days, in which a student with a valid individualized education program (IEP) has been suspended during the school year.

(cf. 6159 - Individualized Education Program)

The Superintendent or designee shall determine, on a case-by-case basis, whether a pattern of removals of a student from his/her current educational placement for disciplinary reasons constitutes a change of placement. A change of placement shall be deemed to have occurred under either of the following circumstances: (34 CFR 300.536)

1. The removal is for more than 10 consecutive school days.
2. The student has been subjected to a series of removals that constitute a pattern because of all of the following:
 - a. The series of removals total more than 10 school days in a school year.
 - b. The student's behavior is substantially similar to his/her behavior in previous incidents that resulted in the series of removals.
 - c. Additional factors, such as the length of each removal, the total amount of time the student has been removed, and the proximity of the removals to one another, indicate a change of placement.

If a student's removal is determined to be a change of placement as specified in items #1-2 above, or the student is suspended for more than 10 school days in the same school year, the student's IEP team shall determine the appropriate educational services.

Such services shall be designed to enable the student to continue to participate in the general education curriculum in another setting, to progress toward meeting the goals set out in his/her IEP, and to address the student's behavior violation so that it does not recur. (20 USC 1412(a)(1)(A); 34 CFR 300.530)

If the IEP of a student with a disability requires the district to provide the student with transportation, the district shall provide the student with an alternative form of transportation at no cost to him/her or to his/her parent/guardian when he/she is to be excluded from school bus transportation. (Education Code 48915.5)

(cf. 3541.2 - Transportation for Students with Disabilities)

Interim Alternative Educational Placement Due to Dangerous Behavior

The district may unilaterally place a student with a disability in an appropriate interim alternative educational setting for up to 45 school days, without regard to whether the behavior is a manifestation of the student's disability, when the student commits one of the following acts while at school, going to or from school, or at a school-related function: (20 USC 1415(k)(1)(G); 34 CFR 300.530)

1. Carries or possesses a weapon, as defined in 18 USC 930
2. Knowingly possesses or uses illegal drugs
3. Sells or solicits the sale of a controlled substance as identified in 21 USC 812(c), Schedules I-V
4. Inflicts serious bodily injury upon another person as defined in 18 USC 1365

The student's interim alternative educational setting shall be determined by his/her IEP team. (20 USC 1415(k)(1)(G); 34 CFR 300.531)

On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530)

A student who has been removed from his/her current placement because of dangerous behavior shall receive services, although

in another setting, to the extent necessary to allow him/her to participate in the general education curriculum and to progress toward meeting the goals set out in his/her IEP. As appropriate, the student shall also receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

Manifestation Determination

The following procedural safeguards shall apply when a student with a disability is suspended for more than 10 consecutive school days, when a series of removals of a student constitutes a pattern, or when a change of placement of a student is contemplated due to a violation of the district's code of conduct:

1. Notice: On the date the decision to take disciplinary action is made, the student's parent/guardian shall be notified of the decision and provided the procedural safeguards notice pursuant to 34 CFR 300.504. (20 USC 1415(k)(1)(H); 34 CFR 300.530) (cf. 5145.6 - Parental Notifications)

(cf. 6159.1 - Procedural Safeguards and Complaints for Special Education)

2. Manifestation Determination Review: Immediately if possible, but in no case later than 10 school days after the date the decision to take disciplinary action is made, a manifestation determination review shall be made of the relationship between the student's disability and the behavior subject to the disciplinary action. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

At the manifestation determination review, the district, the student's parent/guardian, and relevant members of the IEP team (as determined by the district and parent/guardian) shall review all relevant information in the student's file, including the student's IEP, any teacher observations, and any relevant information provided by the parents/guardians, to determine whether the conduct in question was either of the following: (20 USC 1415(k)(1)(E); 34 CFR 300.530)

a. Caused by or had a direct and substantial relationship to the student's disability

b. A direct result of the district's failure to implement the student's IEP, in which case the district shall take immediate steps to remedy those deficiencies

If the manifestation review team determines that either of the above conditions applies, the student's conduct shall then be determined to be a manifestation of his/her disability. (20 USC 1415(k)(1)(E); 34 CFR 300.530)

3. Determination that Behavior is a Manifestation of the Student's Disability: When the student's conduct has been determined to be a manifestation of his/her disability, the IEP team shall conduct a functional behavioral assessment, unless one had been conducted before the occurrence of the behavior that resulted in the change of placement, and shall implement a behavioral intervention plan for the student. If a behavioral intervention plan has already been developed, the IEP team shall review the behavioral intervention plan and modify it as necessary to address the behavior. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

The student shall be returned to the placement from which he/she was removed, unless the parent/guardian and Superintendent or designee agree to a change of placement as part of the modification of the behavioral intervention plan. (20 USC 1415(k)(1)(F); 34 CFR 300.530)

(cf. 6159.4 - Behavioral Interventions for Special Education Students)

4. Determination that Behavior is Not a Manifestation of the Student's Disability: When it has been determined that the student's conduct was not a manifestation of his/her disability, the student may be disciplined in accordance with the procedures for students without disabilities. However, the student's IEP team shall determine services necessary to enable him/her to participate in the general education curriculum in another setting and to allow him/her to progress toward meeting the goals set out in his/her IEP. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

As appropriate, the student also shall receive a functional behavioral assessment and behavioral intervention services and modifications that are designed to address the behavior violation so that it does not recur. (20 USC 1415(k)(1)(D); 34 CFR 300.530)

(cf. 6158 - Independent Study)

(cf. 6185 - Community Day School)

Due Process Appeals

If the parent/guardian disagrees with any district decision regarding placement under 34 CFR 300.530 (suspension and removal for dangerous circumstances) or 34 CFR 300.531 (interim alternative placement), or the manifestation determination under 34 CFR 300.530(e), he/she may appeal the decision by requesting a hearing. The district may request a hearing if the district believes that maintaining the student's current placement is substantially likely to result in injury to the student or others. In order to request a due process hearing, the requesting party shall file a complaint pursuant to 34 CFR 300.507 and 300.508(a) and (b). (20 USC 1415(k)(3); 34 CFR 300.532)

Whenever a hearing is requested as specified above, the parent/guardian or the district shall have an opportunity for an expedited due process hearing consistent with requirements specified in 34 CFR 300.507, 300.508 (a)-(c), and 300.510-300.514.

If the student's parent/guardian or the district has initiated a due process hearing under 34 CFR 300.532 as detailed above, the student shall remain in the interim alternative educational setting pending the decision of the hearing officer or until the expiration of the 45-day time period, whichever occurs first, unless the parent/guardian and district agree otherwise. (20 USC 1415(k)(4); 34 CFR 300.533)

Readmission

Readmission procedures for students with disabilities shall be the same as those adopted for students without disabilities. Upon readmission of a student with disabilities, an IEP team meeting shall be convened to review and, as necessary, modify the student's IEP.

Decision Not to Enforce Expulsion Order

The Board of Trustee's criteria for suspending the enforcement of an expulsion order shall be applied to students with disabilities in the same manner as they are applied to all other students. (Education Code 48917)

Notification to Law Enforcement Authorities

Law enforcement notification requirements involving students with disabilities shall be the same as those specified for all students in AR 5144.1 - Suspension and Expulsion/Due Process.

When giving any required notification concerning a student with disabilities to any law enforcement official, the principal or designee shall require the law enforcement official to certify in writing that he/she will not disclose the student's information or records to any other person without the prior written consent of the student's parent/guardian. (Education Code 49076) (cf. 5131.7 - Weapons and Dangerous Instruments)

Report to County Superintendent of Schools

The Superintendent or designee shall report to the County Superintendent of Schools when any special education student has been expelled or suspended for more than 10 school days. The report shall include the student's name, last known address, and the reason for the action. (Education Code 48203)

Procedures for Students Not Yet Eligible for Special Education Services

A student who has not been determined to be eligible for special education and related services and who has violated the district's code of student conduct may nevertheless assert any of the protections under IDEA, if the district had knowledge of the student's disability. (20 USC1415(k)(5); 34 CFR 300.534)

Knowledge means that, before the occurrence of the behavior that precipitated the disciplinary action, one of the following occurred: (20 USC1415(k)(5); 34 CFR 300.534)

1. The parent/guardian, in writing, has expressed concern to district supervisory or administrative personnel, or to a teacher of the student, that the student is in need of special education or related services.
2. The parent/guardian has requested an evaluation of the student for special education pursuant to 20 USC 1414(a)(1)(B) or 34 CFR 300.300-300.311.

(cf. 6164.4 - Identification and Evaluation of Individuals for Special Education)

3. The teacher of the student or other district personnel has expressed specific concerns directly to the district's director of special education or other supervisory district personnel about a pattern of behavior demonstrated by the student.

However, the district shall not be deemed to have knowledge of a student's disability if the student's parent/guardian has not allowed him/her to be evaluated for special education services or has refused services or, after evaluating the student pursuant to 34 CFR 300.300-300.311, the district determined that he/she was not an individual with a disability.

When the district is deemed to not have knowledge of a student's disability, the student shall be disciplined in accordance with procedures established for students without disabilities who engage in comparable behavior. (20 USC 1415(k)(5); 34 CFR 300.534)

If a request is made for an evaluation of a student during the time period in which the student is subject to disciplinary measures pursuant to 34 CFR 300.530, the evaluation shall be conducted in an expedited manner. Until the evaluation is completed, the student shall remain in the educational placement determined by school authorities. (20 USC 1415(k)(5); 34 CFR 300.534)

In all other instances, the district shall ensure meaningful access to all relevant UCP information for parents/guardians with limited English proficiency.

Filing of Complaints

The complaint shall be presented to the compliance officer who shall maintain a log of complaints received, providing each with a code number and a date stamp.

All complaints shall be filed in writing and signed by the complainant. If a complainant is unable to put a complaint in writing due to conditions such as a disability or illiteracy, district staff shall assist in the filing of the complaint. (5 CCR 4600)

Complaints shall also be filed in accordance with the following rules, as applicable:

1. A complaint alleging district violation of applicable state or federal law or regulations governing the programs specified in the accompanying Board policy (item #1 of the section "Complaints Subject to UCP") may be filed by any individual, public agency, or organization. (5 CCR 4630)
2. Any complaint alleging noncompliance with law regarding the prohibition against student fees, deposits, and charges or any requirement related to the LCAP may be filed anonymously if the complaint provides evidence, or information leading to evidence, to support an allegation of noncompliance. A complaint about a violation of the prohibition against the charging of unlawful student fees may be filed with the principal of the school or with the Superintendent or designee. However, any such complaint shall be filed no later than one year from the date the alleged violation occurred. (Education Code 49013, 52075; 5 CCR 4630)
3. A complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) may be filed only by persons who allege that they have personally suffered unlawful discrimination or who believe that an individual or any specific class of individuals has been subjected to unlawful discrimination. The complaint shall be initiated no later than six months from the date that the alleged unlawful discrimination occurred, or six months from the date that the complainant first obtained knowledge of the facts of the alleged unlawful discrimination. The time for filing may be extended for up to 90 days by the Superintendent or designee for good cause upon written request by the complainant setting forth the reasons for the extension. (5 CCR 4630)
4. When a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) is filed anonymously, the compliance officer shall pursue an investigation or other response as appropriate, depending on the specificity and reliability of the information provided and the seriousness of the allegation.
5. When the complainant of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying) or the alleged victim, when not the complainant, requests confidentiality, the compliance officer shall inform the complainant or victim that the request may limit the district's ability to investigate the conduct or take other necessary action. When honoring a request for confidentiality, the district shall nevertheless take all reasonable steps to investigate and resolve/respond to the complaint consistent with the request.

Mediation

Within three business days after receiving the complaint, the compliance officer may informally discuss with all the parties the possibility of using mediation. Mediation shall be offered to resolve complaints that involve more than one student and no adult. However, mediation shall not be offered or used to resolve any complaint involving an allegation of sexual assault or where there is a reasonable risk that a party to the mediation would feel compelled to participate. If the parties agree to mediation, the compliance officer shall make all arrangements for this process.

Before initiating the mediation of a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall ensure that all parties agree to make the mediator a party to relevant confidential information. The compliance officer shall also notify all parties of the right to end the informal process at any time.

If the mediation process does not resolve the problem within the parameters of law, the compliance officer shall proceed with an investigation of the complaint.

The use of mediation shall not extend the district's timelines for investigating and resolving the complaint unless the complainant agrees in writing to such an extension of time. If mediation is successful and the complaint is withdrawn, then the district shall take only the actions agreed upon through the mediation. If mediation is unsuccessful, the district shall then continue with subsequent steps specified in this administrative regulation.

Investigation of Complaint

Within 10 business days after the compliance officer receives the complaint, the compliance officer shall begin an investigation into the complaint.

Within one business day of initiating the investigation, the compliance officer shall provide the complainant and/or the complainant's representative with the opportunity to present the information contained in the complaint to the compliance officer and shall notify the complainant and/or representative of the opportunity to present the compliance officer with any evidence, or information leading to evidence, to support the allegations in the complaint. Such evidence or information may be presented at any time during the investigation.

In conducting the investigation, the compliance officer shall collect all available documents and review all available records, notes, or statements related to the complaint, including any additional evidence or information received from the parties during the course of the investigation. The compliance officer shall individually interview all available witnesses with information pertinent to the complaint, and may visit any reasonably accessible location where the relevant actions are alleged to have taken place. At appropriate intervals, the compliance officer shall inform both parties of the status of the investigation.

To investigate a complaint alleging retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the compliance officer shall interview the alleged victim(s), any alleged offenders, and other relevant witnesses privately, separately, and in a confidential manner. As necessary, additional staff or legal counsel may conduct or support the investigation.

A complainant's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in the dismissal of the complaint because of a lack of evidence to support the allegation. Similarly, a respondent's refusal to provide the district's investigator with documents or other evidence related to the allegations in the complaint, failure or refusal to cooperate in the investigation, or engagement in any other obstruction of the investigation may result in a finding, based on evidence collected, that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

In accordance with law, the district shall provide the investigator with access to records and other information related to the allegation in the complaint and shall not in any way obstruct the investigation. Failure or refusal of the district to cooperate in the investigation may result in a finding based on evidence collected that a violation has occurred and in the imposition of a remedy in favor of the complainant. (5 CCR 4631)

Timeline for Final Decision

Unless extended by written agreement with the complainant, the compliance officer shall prepare and send to the complainant a written report, as described in the section "Final Written Decision" below, within 60 calendar days of the district's receipt of the complaint. (5 CCR 4631)

For any complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), the respondent shall be informed of any extension of the timeline agreed to by the complainant. The respondent also shall be sent the district's final written decision at the same time it is provided to the complainant.

Final Written Decision

For all complaints, the district's final written decision shall include: (5 CCR 4631)

1. The findings of fact based on the evidence gathered. In reaching a factual determination, the following factors may be taken into account:

- a. Statements made by any witnesses
- b. The relative credibility of the individuals involved
- c. How the complaining individual reacted to the incident
- d. Any documentary or other evidence relating to the alleged conduct
- e. Past instances of similar conduct by any alleged offenders
- f. Past false allegations made by the complainant

2. The conclusion(s) of law

3. Disposition of the complaint

4. Rationale for such disposition

For complaints of retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the disposition of the complaint shall include a determination for each allegation as to whether retaliation or unlawful discrimination has occurred.

The determination of whether a hostile environment exists may involve consideration of the following:

- a. The manner in which the misconduct affected one or more students' education
 - b. The type, frequency, and duration of the misconduct
 - c. The relationship between the alleged victim(s) and offender(s)
 - d. The number of persons engaged in the conduct and at whom the conduct was directed
 - e. The size of the school, location of the incidents, and context in which they occurred
 - f. Other incidents at the school involving different individuals
5. Corrective action(s), including any actions that have been taken or will be taken to address the allegations in the complaint and including, with respect to a student fees complaint, a remedy that comports with Education Code 49013 and 5 CCR 4600

For complaints of unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), the decision may, as required by law, include:

- a. The corrective actions imposed on the respondent
 - b. Individual remedies offered or provided to the complainant or another person who was the subject of the complaint, but this information should not be shared with the respondent.
 - c. Systemic measures the school has taken to eliminate a hostile environment and prevent recurrence
6. Notice of the complainant's and respondent's right to appeal the district's decision to CDE within 15 calendar days, and procedures to be followed for initiating such an appeal

The decision may also include follow-up procedures to prevent recurrence or retaliation and for reporting any subsequent problems.

In consultation with district legal counsel, information about the relevant part of a decision may be communicated to a victim who is not the complainant and to other parties who may be involved in implementing the decision or are affected by the complaint, as long as the privacy of the parties is protected. In a complaint alleging unlawful discrimination (such as discriminatory harassment, intimidation, and bullying), notice of the district's decision to the alleged victim shall include information about any sanction to be imposed upon the respondent that relates directly to the alleged victim.

If the complaint involves a limited-English-proficient student or parent/guardian and the student involved is enrolled in a school at which 15 percent or more of the students speak a single primary language other than English, then the decision shall also be translated

into that language pursuant to Education Code 48985. In all other instances, the district shall ensure meaningful access to all relevant information for parents/guardians with limited English proficiency.

For complaints alleging unlawful discrimination based on state law (such as discriminatory harassment, intimidation, and bullying), the decision shall also include a notice to the complainant that:

1. The complainant may pursue available civil law remedies outside of the district's complaint procedures, including seeking assistance from mediation centers or public/private interest attorneys, 60 calendar days after the filing of an appeal with CDE. (Education Code 262.3)
2. The 60 days moratorium does not apply to complaints seeking injunctive relief in state courts or to discrimination complaints based on federal law. (Education Code 262.3)
3. Complaints alleging discrimination based on race, color, national origin, sex, gender, disability, or age may also be filed with the U.S. Department of Education, Office for Civil Rights at www.ed.gov/ocr within 180 days of the alleged discrimination.

Corrective Actions

When a complaint is found to have merit, the compliance officer shall adopt any appropriate corrective action permitted by law.

Appropriate corrective actions that focus on the larger school or district environment may include, but are not limited to, actions to reinforce district policies; training for faculty, staff, and students; updates to school policies; or school climate surveys.

(cf. 5137 - Positive School Climate)

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate remedies that may be offered to the victim but not communicated to the respondent may include, but are not limited to, the following:

1. Counseling

(cf. 6164.2 - Guidance/Counseling Services)

2. Academic support
3. Health services
4. Assignment of an escort to allow the victim to move safely about campus
5. Information regarding available resources and how to report similar incidents or retaliation
6. Separation of the victim from any other individuals involved, provided the separation does not penalize the victim
7. Restorative justice
8. Follow-up inquiries to ensure that the conduct has stopped and there has been no retaliation

For complaints involving retaliation or unlawful discrimination (such as discriminatory harassment, intimidation, or bullying), appropriate corrective actions that focus on a student offender may include, but are not limited to, the following:

1. Transfer from a class or school as permitted by law
2. Parent/guardian conference
3. Education regarding the impact of the conduct on others
4. Positive behavior support
5. Referral to a student success team

(cf. 6164.5 - Student Success Teams)

6. Denial of participation in extracurricular or cocurricular activities or other privileges as permitted by law

Policy WILLITS UNIFIED SCHOOL DISTRICT

adopted: May 3, 2017 Willits, California

revised: June 13, 2018

DRESS AND GROOMING/SCHOOL UNIFORMS A.R. 5132

In cooperation with teachers, students, and parents/guardians, the principal or designee may establish school rules governing student dress and grooming which are consistent with law, Board policy, and administrative regulations. These school dress codes shall be regularly reviewed.

(cf. 0420 - School Plans/Site Councils)

The following guidelines shall apply to all regular school activities:

1. Clothing, jewelry, and personal items shall be free of writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, or sexually suggestive or which promotes the use of alcohol, drugs, tobacco, or other illegal activity.
2. Appropriate shoes must be worn at all times.
3. Hats, caps, and other head coverings shall not be worn indoors.
4. Clothes shall be sufficient to conceal undergarments. See-through tops and bare abdomens are prohibited.

The dress code shall be modified as appropriate to accommodate a student's religious or cultural observance, health condition, or other circumstance deemed necessary by the principal or designee. In addition, the principal or designee may impose dress requirements to accommodate the needs of special school activities, physical education classes, athletic activities, and other extracurricular and cocurricular activities.

(cf. 3260 - Fees and Charges)

(cf. 6142.7 - Physical Education and Activity)

(cf. 6145 - Extracurricular and Cocurricular Activities)

(cf. 6145.2 - Athletic Competition)

No grade of a student participating in a physical education class shall be adversely affected if the student does not wear standardized physical education apparel because of circumstances beyond the student's control. (Education Code 49066)

(cf. 5121 - Grades/Evaluation of Student Achievement)

Students shall be allowed to wear sun-protective clothing, including but not limited to hats, for outdoor use during the school day. (Education Code 35183.5)

(cf. 5141.7 - Sun Safety)

Gang-Related Apparel

At individual schools that have a dress code prohibiting gang-related apparel at school or school activities, the principal, staff, and parents/guardians participating in the development of the school safety plan shall define "gang-related apparel" and shall limit this definition to apparel that reasonably could be determined to threaten the health and safety of the school environment if it were worn or displayed on a school campus. (Education Code 32282)

Because gang-related symbols are constantly changing, definitions of gang-related apparel shall be reviewed at least once each semester and updated whenever related information is received. As necessary, the school shall collaborate with law enforcement agencies to update definitions of gang-related apparel.

Uniforms

In schools that require a schoolwide uniform, the principal, staff, and parents/guardians of the school shall jointly select the specific uniform to be worn. (Education Code 35183)
At least six months before a school uniform policy is implemented, the principal or designee shall notify parents/guardians of this policy. (Education Code 35183)
(cf. 5145.6 - Parental Notifications)
Parents/guardians shall also be informed of their right to have their child exempted.
The Superintendent or designee shall establish criteria for determining student eligibility for financial assistance when purchasing uniforms.
Students who participate in a nationally recognized youth organization shall be allowed to wear organization uniforms on days when the organization has a scheduled meeting. (Education Code 35183)

Every teacher shall hold students accountable for their conduct on the way to and from school, on the playgrounds, and during recess. (Education Code 44807)

The principal or designee shall require all individuals supervising students to remain alert in spotting dangerous conditions, promptly report any such conditions to the principal or designee, and file a written report on such conditions as appropriate.

(cf. 3530 - Risk Management/Insurance)

In arranging for appropriate supervision on playgrounds, the principal or designee shall:

The Superintendent or designee shall ensure that teachers, teacher aides, playground supervisors, yard aides, and volunteers who supervise students receive training in safety practices and in supervisory techniques that will help them to forestall problems and resolve conflicts. Such training shall be documented and kept on file.

Policy WILLITS UNIFIED SCHOOL DISTRICT

adopted: June 13, 2018 Willits, California

VII. Appendix 2: Incident Management Response Plan

Willits Unified School District Pandemic Illness Response, Surveillance, and Reporting

Response

WUSD will create a plan specific to the type of strategies to effectively mitigate the particular challenges presented by the illness as advised by public health officials. However, the following general provisions will apply.

1. Daily cleaning of classrooms and facilities will focus on sanitizing spaces.
2. Increased cleaning of frequently touched surfaces throughout the day
3. Maximized ventilation in district buildings and classrooms.
4. Encouraging everyone to frequently and thoroughly wash their hands for at least 20 seconds at a time.
5. Symptom screening and exclusion of symptomatic individuals from campuses until no longer symptomatic for at least 24 hours.
6. Advising symptomatic individuals to stay at home.

Surveillance and Reporting

During all stages of a pandemic illness outbreak, it will be essential to monitor and document the number of students and faculty who are absent with symptoms of the illness. Keeping track of these numbers will help health officials determine when and where to close schools, whether the pandemic is increasing in scope and whether to declare an epidemic, making state support available through the Office of Emergency Services.

Utilize the following information and forms to monitor illness rates and potential epidemic:

Basic surveillance instructions and definitions of surveillance levels

Symptom Screening and Surveillance

Reporting form(s) to submit to the Health Department

Attendance Log to document illness related absences to assist in tracking case counts

Definition of Surveillance Levels

Standard Surveillance

Minimal illness activity reported in the community

Monitor daily attendance for increased reports of absence due to symptoms of illness

Do not report absences to the Health Department unless greater than 10%

Heightened Surveillance

Heightened illness activity reported in the community (less than 10% school absenteeism due to illness)

Monitor daily attendance for illness related absences

Begin symptom screening before entering the classroom/site

Log absences due to illness with identified symptoms

Send weekly absence report to Health Department

Intensive Surveillance

High number of illness reported in the community (10% or greater school absenteeism due to illness with identified symptoms)

Monitor daily attendance and log absences on log sheet

Continue symptom screening before entering the classroom/site

Send daily absence report to Health Department

Begin preparation for potential school closure

Symptom Definitions

The California Department of Public Health and the U.S. Center for Disease Control will share updated symptoms for the relevant illness. These definitions could change as more information is learned through the course of the pandemic.

Baechtel Grove Middle School
School Threat Assessment Decision Tree

Step 1 Evaluate Threat

- Obtain a detailed account of the threat, usually by interviewing the person who made the threat, the intended victim, and other witnesses. Write the exact content of the threat and key observations by each party. Consider the circumstances in which the threat was made and the student's intentions.
- Is there communication of intent to harm someone or behavior suggesting intent to harm?
 - No- Not a threat. Might be an expression of anger that merits attention.
 - Yes- Go to Step 2

Step 2 Attempt to Resolve the Threat as Transient

- Is the threat an expression of humor, rhetoric, anger, or frustration that can be easily resolved so that there is no intent to harm?
- Does the person retract the threat or offer an explanation and/or apology that indicates no further intent to harm anyone?
 - Yes- Case resolved as transient; add services as needed
 - No- Go to Step 3

Step 3 Respond to a Substantive Threat

- For all substantive threats:
 - Take precautions to protect potential victims
 - Warn intended victims and parents
 - Look for ways to resolve the conflict
 - Discipline student, when appropriate
- Serious means a threat to hit, fight, or beat up whereas very serious means a threat to kill, rape, or cause very serious injury with a weapon
 - Serious-Case resolved as serious substantive threat; add services as needed
 - Very Serious- go to Step 4

Step 4 Conduct a Safety Evaluation for a Very Serious Substantive Threat

- In addition to the steps for substantive threats above, the student may be briefly placed elsewhere or suspended pending completion of the following:
 - Screen student for mental health services and counseling; refer as needed
 - Law Enforcement investigation for evidence of planning and preparation, criminal activity
 - Develop a safety plan that reduces risk and addresses student needs. Plan should include review of Individual Educational Plan if they already receive special education services and further assessment of possible disability

Step 5 Implement and Monitor the Safety Plan

- Document the plan
- Maintain contact with the student
- Monitor whether plan is working and revise as needed

Presenting Problem: What prompted the concern? What did the student say? What did the student do?
Describe the student's behavior.

Questions to ask student:

Do you know why I wanted to talk to you?

What happened today when you were [place of incident]?

What exactly did you say and do?

What did you mean when you said/did that?

How do you think [person threatened] feels about what you said?

What was the reason you said that?

What are you going to do now?

Threat is determined to be **TRANSIENT** **SUBSTANTIVE**

Recommendations for Follow Up:

		Person Responsible/Date Done
Safe to send student home?	yes/no	
Contacted Parent	yes/no	
Notified Administrator	yes/no	
Notified Police	yes/no	
Called MH Crisis	yes/no	

Transient vs Substantive Threats

Transient Threats (most common)

Often are rhetorical remarks not genuine expressions of intent to harm

At worst, express temporary feelings of anger or frustration

Usually can be resolved on the scene or in the office

After resolution, the threat no longer exists

Usually end with an apology or clarification

Substantive Threats (serious)

Express intent to physically injure someone beyond the immediate situation

There is at least some risk the student will carry out the threat

Require that you take protective, action, including warning intended victims and parents

May be legal violations and require police consultation

When in doubt, treat threats as substantive

Factors to be considered:

age of student, capability of student to carry out the threat, student's discipline history, credibility of student and willingness to acknowledge his/her behavior, credibility of witness accounts

Substantive Threats will require completion of the Eleven Questions

1. What are the student's motives or goals?
2. Any communications of intent to attack?
3. Any inappropriate interest in other attacks, weapons, or mass violence?
4. Any attack-related behaviors? Making a plan, acquiring weapons, casing sites, etc.
5. Does the student have the capacity to attack?
6. Is there hopelessness or despair?
7. Any trusting relationship with an adult?
8. Is violence regarded as a way to solve a problem? Any peer influences?
9. Are student's words consistent with actions?
10. Are others concerned about student?
11. What circumstances might trigger violence?
