

PLEASE POST

POLICY RESCIND WARNING

The Maple Run Unified School District Board of Directors will be rescinding the B06 HIPAA Compliance Policy as per the VSBA and attorney recommendations on **November 20, 2019**, at the Board meeting at NWTC, 71 S. Main St., St. Albans.

The Board is rescinding the B06 HIPAA Compliance Policy because: *As a general rule, school districts are not covered entities under HIPAA and therefore should not adopt a HIPAA Compliance Policy. Covered entities are limited to health plans, clearinghouses and providers.*

If you have input or concerns about rescinding this policy, please contact Brenda Comstock at 802.370.3935 or bcomstock@maplerun.org. Your input and concerns will be shared with the Board at the next meeting.
