

John Blackburn/Sunfish Valley Whitetails Memorial Scholarship

Student Name: _____

Address: _____

Phone Number: _____

Parent/Guardian: _____

Please list clubs and activities that you have been involved in, including positions held, extra-curricular activities, and any awards received.

Please list any volunteer activities or community service that you have been involved with.

What college do you plan to attend and what is your expected major?

John Blackburn was a 1976 graduate of Western High School and was an avid outdoorsman. John was a great supporter of Western High School and of all young people in the Latham community. John helped many young people get started in the outdoors through hunting and fishing. He had a true passion for both the outdoors and for young people. In honor of John Blackburn's hunting/fishing/outdoor heritage the family would like for applicants to answer the following question - If you could go hunting, fishing, or spend time in the outdoors with any one person who would you choose to spend that precious time with? Where would you go and why did you choose that person and that place?
