

Concussion Baseline Instructions:

For the most accurate results, students should test uninterrupted in a quiet area using a clickable mouse

1. Open: <https://www.impacttestonline.com/htmllauncher/>
2. Enter the SCC code: **6a3f3feaca**
3. Click “VALIDATE” *(if not using Google Chrome, you might have to disable pop-ups at this point)*
4. Click “LAUNCH BASELINE TEST”
5. Enter student information *(on the 5th screen, click “Skip Additional Demographics”)*
6. Enter current symptoms (if any)
7. After completing the screener, the High School will be notified (you do not need to print or email the confirmation)
