Employee Acknowledgment

(To be signed and returned to the District Office)

I hereby acknowledge that it is my responsibility to access the St. Croix Central School District ("District") Employee Handbook online. My signature below indicates that I agree to read the Handbook and abide by the standards, policies and procedures defined or referenced in this document. It is also important to know that additional regulations, policies and laws are in Board Policies and corresponding Administrative Regulations. The Employee Handbook and Board Policies can be located on the District's website at www.scc.k12.wi.us. The Employee Handbook and Board Policies can be found under the heading Menu > Board of Education > Board Policies > District Policies and New District Policies. The information in this *Handbook* is subject to change. I understand that changes in District policies may supersede modify or eliminate the information summarized in this *Handbook*. As the District provides updated policy information, I accept responsibility for reading and abiding by the changes. I understand that this Handbook does not constitute an employment contract or alter my status as an at-will employee unless specifically addressed for those employees covered by Part II, Part III or Part IV. For those employees covered by Part II and Part IV, I understand that nothing in this Handbook is intended to confer a property interest in my continued employment with the District beyond the term of my current contract (if any). I understand that I have an obligation to inform my supervisor of any changes in my personal information, such as phone number, address, etc. I also accept responsibility for contacting my supervisor if I have any questions, concerns or need further explanation. My signature on this form is acknowledgment that I agree that I am legally responsible for any fines or fees charged to the school District incurred by me (an example may be a traffic citation, e.g. a parking ticket, received as a result of my operation of a District motor vehicle) or reduction in salary for breach of contract. If any contractual relationship between the District and an employee (or group of employees) conflicts with any provision of this *Handbook*, the contract shall govern with respect to that issue.

2.02 Equal Opportunity

It is the policy of the District that no person may be illegally discriminated against in employment by reason of their age, race, religion, creed, color, disability, pregnancy, marital status, sex, citizenship, national origin, ancestry, sexual orientation, arrest record, conviction record, military service, membership in the National Guard, state defense force or any other reserve component of the military forces of Wisconsin or the United States, political or religious affiliation, use or nonuse of lawful products off the employer's premises during nonworking hours, declining to attend a meeting or to participate in any communication about religious matters or political matters, the authorized use of family or medical leave or worker's compensation benefits, genetic information, or any other factor prohibited by state or federal law.

Reasonable accommodations shall be made for qualified individuals with a disability, unless such accommodations would impose an undue hardship on the District. A reasonable accommodation is a change or adjustment to job duties or work environment that permits a qualified applicant or employee with a disability to perform the essential functions of a position or enjoy the benefits and privileges of employment compared to those enjoyed by employees without disabilities.

Requests from current employees for accommodations under the Americans with Disabilities Act or under the Wisconsin Fair Employment Act must be made in writing in accordance with District policy.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by GINA. Accordingly, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information" includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. An exception to the prohibition outlined in this paragraph is family medical history for situations in which the employee is asking for leave to care for a family member with a serious health condition (e.g., under the Family and Medical Leave Act).

2.03 Equal Opportunity Complaints

The District encourages informal resolution of complaints under this policy. A formal complaint resolution procedure is available, however, to address allegations of violations of the policy in the District.

2.04 Fair Labor Standards Act

Certain types of workers are exempt from the minimum wage and overtime pay provisions, including bona fide executive, administrative, and professional employees who meet regulatory requirements under the Fair Labor Standards Act [FLSA]. For non-exempt employees, issues concerning overtime, compensatory time off and minimum wage are included on the FLSA notice. Notification of rights under the FLSA is set forth in the employment poster which can be found on the district website > Menu > HR Self-Service > Employment Posters and Notices and posted in each of the buildings.

2.05 Family and Medical Leave Act

A. <u>Notification of Benefits and Leave Rights</u>: Since the District has an employee *Handbook* or other written policy concerning employee benefits or leave rights, information concerning FMLA entitlements and employee

obligations under the FMLA is included in the *Handbook* as required by federal law. The District shall post the text of the notice contained in the following link in a conspicuous place where notices to employees and applicants are customarily placed: http://www.dol.gov/whd/regs/compliance/posters/fmlaen.pdf See 29 U.S.C. § 2619(a); 29 C.F.R. § 825.300(a)(1). The notice is posted on the district website > Menu > HR Self-Service > Employment Posters and Notices and posted in each of the buildings.

- B. <u>Eligibility Notice</u>. When an employee requests FMLA leave, or when the employer acquires knowledge that an employee's leave may be for an FMLA-qualifying reason, the employer must notify the employee of the employee's eligibility to take FMLA leave within five business days, absent extenuating circumstances. 29 C.F.R. § 825.300(b).
- C. Rights and Responsibilities Notice. The District shall provide written notice outlining specific obligations of the employee and explaining any consequences of not meeting those requirements. 29 C.F.R. § 825.300(c). The District is satisfying this notice requirement by directing the employee to the following website, which combines the eligibility notice and the rights & responsibilities notice into a single form: U.S. DEP'T OF LABOR, *Notice of Eligibility and Rights & Responsibilities (FMLA)*, available at http://www.dol.gov/whd/fmla/finalrule/WH381.pdf.
- D. <u>Designation Notice</u>. The District shall "inform employees in writing whether leave requested under the FMLA has been determined to be covered under the FMLA." U.S. DEP'T OF LABOR, *Designation Notice (Family and Medical Leave Act)*, available at http://www.dol.gov/whd/forms/WH-382.pdf. See 29 C.F.R. § 825.300(d).

2.06 Immigration Law Compliance

The District is committed to employing only United States citizens and aliens who are authorized to work in the United States. Therefore, in accordance with the Immigration Reform and Control Act of 1986, employees must complete an I-9 form before commencing work and at other times prescribed by applicable law or District policy. *The I-9 form is available* at http://www.uscis.gov/files/form/i-9.pdf

2.07 Harassment and Bullying

The District is committed to providing fair and equal employment opportunities and to providing a professional work environment free of all forms of harassment and bullying. The District shall not tolerate harassment based on any personal characteristic described in Section 2.02. Harassment and other unacceptable activities that could alter conditions of employment, or form a basis for personnel decisions, or interfere with an employee's work performance are specifically prohibited. Sexual harassment, whether committed by supervisory or non-supervisory personnel, is unlawful and also specifically prohibited. In addition, the District shall not tolerate acts of non-employees (volunteers, vendors, visitors, etc.) that have the effect of harassing District employees in the workplace. Harassment can occur as a result of a single incident or a pattern of behavior where the purpose or effect of such behavior is to create an intimidating, hostile or offensive working environment. Harassment encompasses a broad range of physical and verbal behavior that can include, but is not limited to, the following:

- A. Unwelcome sexual advances, comments or innuendos;
- B. Physical or verbal abuse;
- C. Jokes, insults or slurs based on any personal characteristic described in Section 2.02 (Such comments are unacceptable whether or not the individual within the protected class is present in the workplace to overhear them and whether or not a member of a class professes to tolerate such remarks);
- D. Taunting based on any personal characteristics described in Section 2.02; and/or

E. Requests for sexual favors used as a condition of employment or affecting any personnel decisions such as hiring, promotion, compensation, etc.

"Bullying" includes, but is not limited to, physical intimidation or assault, extortion, oral or written threats, teasing, name-calling, put-downs, threatening looks, false rumors, false accusations, retaliation for reporting harassment or bullying, and similar activities.

All employees are responsible for ensuring that harassment and bullying do not occur. It is the intent of the District to comply with both the letter and spirit of the law in making certain that harassment and bullying do not exist in its policies, regulations and operations. Anyone who believes that he or she has been the subject of harassment or bullying or has knowledge of violations of this policy shall report the matter in accordance with established complaint procedures. All reports regarding employee harassment or bullying shall be taken seriously, treated fairly and promptly and thoroughly investigated. Individual privacy shall be protected to the extent possible. There shall be no retaliation against any person who files a complaint under this policy. The District shall take appropriate and necessary action to eliminate employee harassment and bullying. Actions that are determined to be harassment or bullying shall be subject to disciplinary action, up to and including dismissal.

All employees have a duty to report incidents, in writing, of alleged harassment or bullying to their immediate supervisor or designated equal employment officer. Employees who fail to report incidents of alleged harassment or bullying may be subject to disciplinary action, up to and including dismissal. In addition, supervisory employees who fail to respond to harassment or bullying complaints or to act on their knowledge of violation of this policy will likewise be subject to disciplinary action, up to and including dismissal.

SECTION 3. GENERAL EMPLOYMENT PRACTICES AND EXPECTATIONS

3.01 District Expectations

The District expects its employees to produce quality work, maintain confidentially, work efficiently, and exhibit a professional and courteous attitude toward other employees, parents, and students. The District expects employees to comply with all applicable Board policies, work rules, job descriptions, terms of this *Handbook* and legal obligations.

The District expects employees to comply with the standards of conduct set out in Board policies, this *Handbook*, administrative regulations, and with any other policies, regulations and guidelines that impose duties, requirements or standards attendant to their status as District employees. Violation of any policies, regulations and guidelines may result in disciplinary action, including termination of employment.

The following delineation of employment practices is for informational purposes and is not intended to be an exhaustive list of all employment expectations that may be found in other applicable Board policies, work rules, job descriptions, terms of this *Handbook* and legal obligations.

3.02 Accident/Incident Reports

All accidents/incidents occurring on District property, school buses or during the course of school-sponsored activities, including field trips and other away events, are to be reported to the building principal/immediate supervisor immediately. Reports should cover property damage as well as personal injury. The employee must call the district office as soon as reasonably possible within twenty-four (24) hours or the next scheduled District workday, as appropriate. In the event of a work-related accident or injury, please see the Worker's Compensation section of this *Handbook*.

3.03 Attendance

The District expects employees to make every effort to be present for work. Employees are expected to adhere to their assigned schedule. In order for the schools to operate effectively, employees are expected to perform all assigned duties

and work all scheduled hours during each designated workday, unless the employee has received approved leave. Breaks and meal periods may only be taken during times designated by the employee's supervisor/building administrator and as further specified in other parts of this *Handbook*. Any deviation from assigned hours must have prior approval from the employee's supervisor/building administrator.

Employees who are unable to report to work shall follow the applicable procedures for reporting his/her absence. Any time spent not working during an employee's scheduled day must be accounted for on an absentee slip/time card or Skyward Employee Access using the appropriate reasons (please see Section 9 thru Section 14). The District will monitor attendance and absence patterns. Theft of time and/or improper modification of time worked records will be investigated and will result in disciplinary action up to and including termination. Failure to notify the District of an absence and failure to report to work on such day could result in disciplinary action up to and including termination. Failure to return to work the day following the expiration of an authorized leave of absence may result in termination of employment.

Employees who fail to provide adequate notice of tardiness, and incur instances of unexcused tardiness as a result, will be subject to discipline up to and including discharge. Tardiness is defined as failing to report to work at the scheduled start time of an employee's shift or workday, including failing to report back to work on time after a scheduled lunch or break period, without having preapproval to report late from an immediate supervisor. Tardiness may also include any instances where an employee has reported for the start of his or her scheduled shift or workday, but who is not prepared to actually begin working at that time.

Employees who fail to provide adequate notice of absences, and incur unexcused absences as a result, will be subject to discipline up to and including discharge. Absence is defined as failing to report to work for a scheduled shift or workday without having secured preapproved leave.

The District reserves the right to waive enforcement of these rules in very limited circumstances as may be necessary to provide a reasonable accommodation for a qualified individual with a disability under the Americans with Disabilities Act.

3.04 Bulletin Boards

The District shall provide a bulletin board as a limited forum for employees to post professional development information and other apolitical literature that is directly connected to employment at the District and is consistent with District policy and applicable law. If a collective bargaining unit exists, the Association will be allowed to post items on the bulletin board subject to the restrictions set forth herein and as amended by the applicable collective bargaining agreement. All distributed and posted materials shall always be professional in approach, shall not contain any derogatory comments about staff, parents, students or board members and shall not be in contravention of any District policy or law. The Superintendent will be provided a copy of all posted material at the time of the posting. The Superintendent and/or his/her designee shall be allowed to remove material from the bulletin board(s) at his/her discretion.

3.05 Child Abuse Reporting

- A. Any school employee who has reasonable cause to suspect that a child, seen by the person in the course of professional duties, has been abused or neglected or who has reason to believe that a child, seen by the person in the course of professional duties, has been threatened with abuse or neglect, and that abuse or neglect of the child will occur, shall report as provided for below in section B.
- B. 3.06 Communications

District employees are expected to abide by the following rules when using information technology and communication resources.

A. Electronic Communications:

- 1. Electronic communications are protected by the same laws and policies and are subject to the same limitations as other types of media. When creating, using or storing messages on the network, the user should consider both the personal ramifications and the impact on the District should the messages be disclosed or released to other parties. Extreme caution should be used when committing confidential information to the electronic messages, as confidentiality cannot be guaranteed.
- 2. The District may review email logs and/or messages at its discretion. Because all computer hardware, digital communication devices and software belong to the District, users have no reasonable expectation of privacy, including the use of email, text-message and other forms of digital communications, e.g. voicemail, TwitterTM, FacebookTM, etc. The use of the District's technology and electronic resources is a privilege which may be revoked at any time. Furthermore, personal electronic communications deemed inappropriate may be subjected to disciplinary action.
- 3. Electronic mail transmissions and other use of the District's electronic communications systems or devices by employees shall not be considered confidential and may be monitored at any time by designated District staff to ensure appropriate use. This monitoring may include, but is not limited by enumeration to, activity logging, virus scanning, and content scanning. Participation in computer-mediated conversation/discussion forums for instructional purposes must be approved by building principal or curriculum director. External electronic storage devices are subject to monitoring if used with District resources.
- B. <u>User Responsibilities</u>: Network/internet users (students and district employees), like traditional library users or those participating in field trips, are responsible for their actions in accessing available resources. The following standards will apply to all users (students and employees) of the network/internet:
 - 1. The user in whose name a system account is issued will be responsible at all times for its proper use. Users may not access another person's account without written permission from an administrator or immediate supervisor.
 - 2. The system may not be used for illegal purposes, in support of illegal activities, or for any other activity prohibited by District policy.
 - 3. Users may not redistribute copyrighted programs or data without the written permission of the copyright holder or designee. Such permission must be specified in the document or must be obtained directly from the copyright holder or designee in accordance with applicable copyright laws, District policy, and administrative regulations.
 - 4. A user must not knowingly attempt to access educationally inappropriate material. If a user accidentally reaches such material, the user must immediately back out of the area on the Internet containing educationally inappropriate material. The user must then notify the building administrator and/or immediate supervisor of the site address that should be added to the filtering software, so that it can be removed from accessibility.

5. A user may not disable internet tracking software or implement a private browsing feature on District computers or networks. Browsing history shall only be deleted by authorized staff or in accordance with the District's technology department's directives.

Please see Board Policy 363.2, Internet Safety and Acceptable Use located on the district website > Menu > Board of Education > New District Policies > Series 300: Instruction

C. <u>Electronic Communications with Students</u>: Employees are prohibited from communicating with students who are enrolled in the District through electronic media, except as set forth herein. An employee is not subject to this prohibition to the extent the employee has a pre-existing social or family relationship with the student.

For example, an employee may have a pre-existing relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee's child, or a member or participant in the same civic, social, recreational, or religious organization. The following definitions apply for purposes of this section on Electronic Communication with Students:

- "Authorized Personnel" includes classroom teachers, counselors, principals, assistant principals, directors
 of instruction, coaches, campus athletic coordinators, athletic trainers, and any other employee designated
 in writing by the Superintendent or a building principal.
- "Communicate" means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee's personal social network page or a blog) is not a communication; however, the employee may be subject to District regulations on personal electronic communications. Unsolicited contact from a student through electronic means is not a communication.
- "Electronic media" includes all forms of social media, such as, but not limited by enumeration to, the following: text messaging, instant messaging, electronic mail (email), Web logs (blogs), electronic forums (chat rooms), video sharing Websites (e.g., YouTubeTM), editorial comments posted on the Internet, and social network sites (e.g., FacebookTM, MySpaceTM, TwitterTM, LinkedInTM), and all forms of telecommunication such as landlines, cell phones, and web-based applications.
- D. <u>Limited Electronic Communication with Students</u>: Authorized Personnel may communicate through electronic media with students who are currently enrolled in the District only within the following guidelines:
 - 1. The employee shall limit communications to matters within the scope of the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests).
 - 2. If an employee receives an unsolicited electronic contact from a student that is not within the employee's professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests), the employee shall not respond to the student using any electronic media except to address a health or safety emergency.
 - 3. The employee is prohibited from communicating with students through a personal social network page; the employee must create a separate social network page ("professional page") for this purpose. The employee must enable administration and parents to access the employee's professional page.
 - 4. Only a teacher, coach, trainer, or other employee who has an extracurricular duty may communicate with students through text messaging. The employee may communicate only with students who participate in the extracurricular activity over which the employee has responsibility.

- 5. The employee shall not communicate with any student between the hours of 10:00 p.m. and 6:00 a.m. unless the employee has supervisory responsibilities for the student at that time. An employee may, however, make public posts to a social network site, blog, or similar application at any time.
- 6. Upon written request from a parent to the principal, the employee shall discontinue communicating with the parent's minor student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- 7. An employee may request an exception from one or more of the limitations above by submitting a written request to his/her immediate supervisor.
- 8. All electronic communication with students shall be appropriate, professional and related to the scope of the employee's responsibilities.
- E. Retention of Electronic Communications and other Electronic Media: The District archives all non-spam emails sent and/or received on the system in accordance with the District's adopted record retention schedule outlined in the District policies. After the set time has elapsed, email communications may be discarded unless the records may be relevant to any pending litigation, pending public records request, or other good cause exists for retaining email records.

Employees who create student records via email need to ensure that student records are retained for the period of time specified by the student records law. For this reason, the District heavily discourages the use of email as the means to communicate about individually identifiable students.

- F. Electronic Recording: Employees shall not electronically record by audio, video, or other means, any conversations or meetings unless each and every person present has been notified and consents to being electronically recorded. Persons wishing to record a meeting must obtain consent from anyone arriving late to any such meeting. Employees shall not electronically record telephone conversations unless all persons participating in the telephone conversation have consented to be electronically recorded. These provisions are not intended to limit or restrict electronic recording of publicly posted Board meetings, grievance hearings, and any other Board sanctioned meeting recorded in accordance with Board policy. These provisions are not intended to limit or restrict electronic recordings involving authorized investigations conducted by District personnel, or authorized agents of the District, or electronic recordings that are authorized by the District, e.g. surveillance videos, extracurricular activities, voicemail recordings.
- G. <u>Compliance with Federal, State and Local Law</u>: For all electronic media, employees are subject to certain state and federal laws, local policies, and administrative regulations, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off District property. These restrictions include:
 - 1. Confidentiality of student records.
 - 2. Confidentiality of other District records, including staff evaluations, credit card numbers, and private email addresses.
 - 3. Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law.
 - 4. Prohibition against harming others by knowingly making false statements about a colleague or the District.

- 5. Prohibitions against soliciting or engaging in sexual conduct or a romantic relationship with a student.
- 6. Upon written request from a parent to the principal, the employee shall discontinue communicating with the parent's minor student through email, text messaging, instant messaging, or any other form of one-to-one communication.
- 7. An employee may request an exception from one or more of the limitations above by submitting a written request to his/her immediate supervisor.
- H. <u>Personal Web Pages</u>: Employees may not misrepresent the District by creating, or posting any content to, any personal or non-authorized website that purports to be an official/authorized website of the District. No employee may purport to speak on behalf of the District through any personal or other non-authorized website.
- I. <u>Disclaimer</u>: The District's electronic systems are provided on an "as is, as available" basis. The District does not make any warranties, whether expressed or implied, including, without limitation, those of merchantability and fitness for a particular purpose with respect to any services provided by the system and any information or software contained therein. The District does not warrant that the functions or services performed by, or that the information or software contained on the system will meet the system user's requirements, or that the system will be uninterrupted or error-free, or that defects will be corrected. Opinions, advice, services, and all other information expressed by system users, information providers, service providers, or other third-party individuals in the systems are those of the individual or entity and not the District. The District will cooperate fully with local, state, or federal officials in any investigation concerning or relating to misuse of the District's electronic communications system.

3.07 Confidentiality

Pupil information employees obtain as the result of their employment with the District is confidential and protected by law unless such information has been designated as pupil directory data as set forth in Board policy. The law and respect for our students require that student issues are only discussed with employees and parents who need to know the information. In addition to student information, confidentiality is expected in other areas, including employee or District business information. Any requests for District records shall be referred to the appropriate administrator.

3.08 Conflict of Interest

A conflict of interest is defined as any judgment, action or relationship that may benefit an employee or another party the employee is affiliated with because of the employee's position with the District. Employees are asked to avoid outside activity that may compete or be in conflict with the best interests of the District. Employees must disclose to their immediate supervisor information of any transaction that may be considered a conflict of interest as soon as they know the facts. No employee may use his or her position to obtain financial gain or anything of substantial value for the private benefit of himself or herself or his or her immediate family, or for an organization with which he or she is associated.

3.09 Contracts and Conflict of Interest

No employee may negotiate or bid for, or enter into a contract in which the employee has a private pecuniary interest, direct or indirect, if at the same time the employee is authorized or required by law to participate in the employee's capacity as an employee in the making of that contract or to perform in regard to that contract some official function requiring the exercise of discretion on the employee's part. No employee may, in the employee's capacity as an employee, participate in the making of a contract in which the employee has a private pecuniary interest, direct or indirect, or

performs in regard to that contract some function requiring the exercise of discretion on the employee's part. See Wis. Stats. § 946.13(1)(a) and (b).

3.10 Copyright

A variety of machines and equipment for reproducing materials to assist staff in carrying out their educational assignments are available to staff in both the school and home setting. Infringement on copyrighted material, whether prose, poetry, graphic images, music audiotapes, video or computer-programmed materials, is a serious offense against federal law, a violation of Board policy and contrary to ethical standards required of staff. All reproduction of copyrighted material shall be conducted strictly in accordance with applicable provisions of law. Unless otherwise allowed as "fair use" under federal law, permission must be acquired from the copyright owner prior to reproduction of material in any form. Employees are further advised that copyright provisions apply to all forms of digital media. Questions regarding copyright shall be directed to the <u>Library Media Specialist</u> or reference District policies.

3.11 Criminal Background Checks

All persons that have student contact (including, but not limited to applicants, volunteers, chaperones, student teachers, and observation students) are required to file in writing and in advance on forms provided by the District, a statement identifying whether the applicant:

- A. Has been convicted of a misdemeanor or felony in this state or any other state or country; and
- B. Has been dismissed or non-renewed, or has resigned from employment in-lieu-of a potential dismissal or non-renewal, for any of the following causes: failure to meet the District's performance expectations, incompetence, inefficiency, neglect of duty, unprofessional conduct or insubordination. Knowingly falsifying information shall be sufficient grounds for termination of employment.

Additionally, all persons applying for any position:

- 1. Shall be required to agree to the release of all investigative records to the Board for examination for the purpose of verifying the accuracy of criminal violation information; and
- 2. Shall be required to agree to submit to criminal history records checks to be conducted by the District.
- 3. May be required to supply a fingerprint sample.

Employment will be offered pending the return and disposition of such background checks. All offers of employment are contingent upon the results of such checks.

3.12 Criminal Background Checks/Charges/Convictions for Active Employees - Obligation to Report Criminal Record

All District employees shall notify his/her immediate supervisor or administrator as soon as possible, <u>but no more than three calendar days</u> after any arrest, indictment, conviction, no contest or guilty plea, or other adjudication of the employee for any felony, any offense involving moral turpitude, and any of the other offenses as indicated below:

- A. crimes involving school property or funds;
- B. crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator;

- D. a misdemeanor which involves moral turpitude [e.g. an act or behavior that gravely violates moral sentiments or accepted moral standards of the community]; or
- E. a misdemeanor which violates the public trust.

The requirement to report a conviction or deferred adjudication shall not apply to minor traffic offenses. However, an offense of operating under the influence, revocation or suspension of license, and driving after revocation or suspension must be reported. Failure to report under this section may result in disciplinary action, up to and including termination. Such report shall be made as soon as possible, but in no circumstance more than three calendar days after the event giving rise to the duty to report. The District may conduct criminal history and background checks on its employees. An arrest or indictment shall not be an automatic basis for an adverse employment action. However, if the offense giving rise to the arrest or indictment is substantially related to the circumstances of the employee's job, and if the arrest or indictment relates to a pending criminal charge, the District may suspend the employee. Arrests or indictments for which criminal charges were dismissed shall not be the basis for adverse employment actions. Conviction of a crime shall not be an automatic basis for an adverse employment action. The District shall consider the following factors in determining what action, if any, should be taken against an employee who is convicted of a crime during employment with the District:

- A. the nature and gravity of the offense or conduct;
- B. the time that has passed since the offense, conduct and/or completion of the sentence;
- C. the nature of the position to which the employee is assigned; and
- D. (for non-felonious crimes only) the relationship between the offense and the position to which the employee is assigned.

Nothing herein shall prohibit the District from placing an employee on administrative leave based upon an arrest, indictment or conviction.

3.13 District Property

The District may supply an employee with equipment or supplies to assist the employee in performing his/her job duties. All employees are expected to show reasonable care for any equipment issued and to take precautions against theft. Employees cannot use District property for personal gain. Any equipment, unused supplies, fobs, or keys issued must be returned prior to the employee's last day of employment, including, but not limited by enumeration: employee identification badges for building entry.

3.14 Diversity Initiatives

The District may take initiatives to achieve equal employment opportunity in all personnel actions and procedures, including, but not limited to, recruitment, hiring, training, transfers, promotions, compensation, and other benefits.

Any such initiative is to be administered not only without prejudicial and discriminatory regard to any protected status which includes but is not limited to race, creed, color, disability, national origin, sexual orientation, religion, age and sex, but special efforts in recruitment and employment shall be taken to overcome barriers to equal employment opportunities.

Employees of the school system shall not possess, use, or distribute any illicit drug or alcoholic beverage as defined in Wisconsin Statutes while on school premises or while responsible for chaperoning students on school-sponsored trips. Any employee who possesses, uses, or distributes any illicit and/or behavior altering drug or alcoholic beverage while on school premises, or while responsible for chaperoning students on a school-sponsored trip may be disciplined, up to and including discharge. (See Board Policy 522.1 Alcohol and Drug Free Workplace and 41 U.S.C. § 702(a) (1))
- D. Reasonable Suspicion Testing: All employees shall be required to undergo alcohol and drug testing at any time the District has reasonable suspicion to believe that the employee has violated the District's policy concerning alcohol and/or drugs. Reasonable suspicion alcohol or drug testing may be conducted when there is reasonable suspicion to believe that the employee has used or is using drugs or alcohol prior to reporting for duty, or while on duty, or prior to or while attending any District function on or off District property. The District's determination that reasonable cause exists must be based on specific, contemporaneous, accurate observations concerning the appearance, behavior, speech or body odors of the employee. Refusal to consent to testing will result in disciplinary action, up to and including termination of employment.
- E. <u>Additional Testing and Requirements</u>: Employees required to possess a commercial driver's license may be required to undergo additional drug testing in accordance with relevant law, Board policy, and administrative rules. They allow students, parents, coworkers, vendors and the public to know who employees are. They are an important part of providing a secure environment for our students. Employees are encouraged to wear their employee identification badges in a visible spot during their contracted work time.

3.17 False Reports

Employees may be disciplined for filing false reports or statements including but not limited to the following: accident reports, attendance reports, insurance reports, physician's statements, pre-employment statements, sick leave requests, student records, tax withholding forms and work reports.

Reports of suspected fraud or financial impropriety shall be processed in a manner that gives appropriate consideration to the confidentiality of these matters. Limited disclosure may be necessary to complete a full investigation or to comply with law. Each employee who supervises or prepares District financial reports or transactions shall set an example of honest and ethical behavior and shall actively monitor his or her area of responsibility for fraud and financial impropriety. Neither the Board nor any District employee shall unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety.

In cases involving monetary loss to the District, the District may seek to recover lost or misappropriated funds.

3.20 Gifts and Sale of Goods and Services

A. Gifts: An employee or a member of the employee's immediate family may not accept, directly or indirectly, any gift, money, gratuity, or other consideration or favor of any kind from anyone intended to influence decision-making authority affecting the District. It shall not be considered a violation of this policy for an employee to receive incidental entertainment, food, refreshments, meals, or similar amenities that are provided in connection with a conference or similar work-related activity. Exceptions to this policy are acceptance of minor items, which are generally distributed to all by companies through public relations programs. Employees should accept only gifts that have a maximum value of \$50.

It is the District's policy for individuals to decline gifts, gratuities or favors from any outside organization or individual doing business or seeking to do business with the District. Gifts that are intended for the benefit of the District should be referred to the Superintendent for proper processing. Gifts of nominal or of insubstantial value and services offered for a reason unrelated to the employees' position and which could not reasonably be expected to influence a decision could be accepted. Gifts to employees exceeding \$50 shall be donated to the District. Please refer to Board Policy 524, Staff Gifts and Gratuities and §19.59, Wis. Stats.

3.22 Investigations

A. <u>Expectation of Cooperation</u>: In the event of a District investigation or inquiry, every District employee has an affirmative duty to provide to his/her supervisor(s) or any other District official assigned to investigate all relevant and factual information about matters inquired except as provided for below in paragraph "B".

Employees failing to volunteer such information shall receive a directive from an administrator to provide a statement. The employee's failure to comply with the directive may constitute "insubordination," a violation that will be grounds for disciplinary action up to and including termination.

- B. <u>Investigation interplay with potential criminal conduct</u>: If the alleged misconduct may constitute criminal conduct by the employee, the employee may be provided a *Garrity* warning. *Garrity v. New Jersey*, 385 U.S. 493 (1967).

Personnel files can be found in the district office. Employees are expected to know the expiration date of their license/certification and meet the requirements for relicensure or certification in a timely manner. A teaching contract with any person not legally authorized to teach the named subject or at the named school shall be void. All teaching contracts shall terminate if, and when, the authority to teach terminates.

3.24 Nepotism

- A. Applicants for employment in the District shall be selected without regard to a relationship by affinity or consanguinity, which they may have with a current employee of the District. However, to avoid possible conflicts of interest, which may result from employment procedures, an employee who is related by affinity or consanguinity to another employee or applicant shall not participate in any decision to hire, retain, promote, evaluate or determine the salary of that person except with the prior approval of the Board.
- B. <u>Definition</u>: For the purposes of this *Handbook*, a "relationship by affinity" is defined as one that includes, but is not limited to, a relationship which an individual has with his or her spouse, designated partner, father-in-law, mother-in-law, brother-in-law, sister-in-law, son-in-law, daughter-in-law, adoptive sibling, adoptive child, adoptive parent, adoptive first cousin, a financial dependent or co-dependent [for example sharing the same place of residence]. A "relationship by consanguinity" is defined as a relationship which an individual has with a blood relative that extends to first cousin. The phrase "decision to hire" includes every aspect of the hiring process.
- C. <u>Employee Reporting Requirements</u>: Should a District employee be called upon to participate in a decision to hire, retain, promote, evaluate, or determine the salary of a person related to him or her by affinity or consanguinity, as defined above, the employee shall refrain from participating in such decision and shall instead delegate his or her decision making authority regarding that person to the Superintendent or his or her designee. Should the Superintendent be called upon to participate in a decision to hire, retain, promote, evaluate or determine the salary of a person related to him or her by affinity or consanguinity as defined above, he or she shall refrain from participating in such decision and shall instead delegate his or her decision making authority in regard to the employment status of that person (i.e., decision to hire, retain, promote, evaluate, etc.) to another employee of the District.

A. <u>Allowances or Mileage Reimbursement</u>: All employees who drive a District vehicle, operate mobile equipment, or receive a District travel allowance or mileage reimbursement will be subjected to a driver's license record check. - B. <u>Notice of Traffic Violations</u>: All employees who drive a District vehicle, operate mobile equipment, or receive a District travel allowance or mileage reimbursement must notify their immediate supervisors immediately of any driving citation or conviction of a traffic violation. Supervisors receiving such notice will immediately notify the Superintendent. Payment for any citations received while driving a District vehicle is the responsibility of the driver. The reporting provision applies to citations or convictions as a result of operating either a District vehicle or personal vehicle.
- C. <u>Commercial Driver's License (CDL)</u>: In addition to the notice requirements in paragraph B and pursuant to CDL Requirements, a CDL driver must notify his/her employer, in writing and within 30 days, of a conviction for any traffic violation regardless of the type of vehicle being driven at the time of the violation.
- D. <u>Drivers</u>: All drivers of motor vehicles owned by the District and used for the transportation of pupils shall be under written contract with the Board. *See* WIS. STAT. § 121.52(2).

3.26 Outside Employment

Outside employment is regarded as employment for compensation that is not within the duties and responsibilities of the employee's regular position with the school system. Personnel shall not be prohibited from holding employment outside the District as long as such employment does not interfere with assigned school duties as determined by the District. The School Board expects employees to devote maximum effort to the position in which employed. An employee will not perform any duties related to an outside job during regular working hours or for professional employees during the additional time that the responsibilities of the District's position require; nor will an employee use any District facilities, equipment or materials in performing outside work. When the periods of work are such that certain evenings, days or vacation periods are duty free, the employee may use such off-duty time for the purposes of non-school employment.

3.27 Personal Appearance/Staff Dress Code

District employees are judged not only by their service but also by their appearance. It is the District's expectation that every employee's appearance is consistent with the high standards we set for ourselves as a District. Employees are expected to present a well-groomed, professional appearance and to practice good personal hygiene. Remember, to our students, parents and the public, employees represent the District.

The District expects that all employees are neat, clean, and wear appropriate dress for work that is in good taste and suitable for the job at hand. The District will not tolerate dress or attire from school employees that the principal or supervisor considers disruptive, inappropriate, or which adversely affects the educational atmosphere.

3.28 Personal Property

- A. <u>Liability:</u> The District does not assume any responsibility for loss, theft or damages to personal property. In order to minimize risk, the District advises employees not to carry unnecessary amounts of cash or other valuables. If employees bring personal items to work, they are expected to exercise reasonable care to safeguard them. The District is not liable for vandalism, theft or any damage to cars parked on school property. The District carries no accident insurance or other insurance coverage for any loss or injury for which the District does not have legal responsibility.
- B. Search of Personal Effects [Please see Section 3.40 of the *Handbook* for information on the Search of District Property]: Employees should have no expectation of privacy to items contained in plain view, for example, but not limited by enumeration to automobiles parked on the District's property, items left on top of or within desks and cabinets, lockers, etc. Items not in plain view and contained within personal property, e.g. purse, satchel, wallet, coat, backpack, etc., may be searched in accordance with applicable state and federal law.

3.29 Personnel Files

An employee shall have the right, upon request and consistent with the timelines and content limitations specified in state law, to review the contents of his/her personnel file while in the presence of the administrator or his designee. The employee shall be entitled to have a representative accompany him/her during such review. This examination must be accomplished in the presence of the person officially charged by the Superintendent with custody of those files. The removal of this file from the safekeeping place will be done by the official personnel file custodian. The employee's personnel file or any part thereto may not be removed from the visual presence of the official custodian. An employee shall have the right, upon request, to receive copies of any documents contained in the personnel file except those delineated in § 103.13(6), Wisconsin Statutes, upon payment of the actual cost for making such a copy.

If the request to review personnel records is pursuant to an active grievance filed by that employee, the District will provide copies of the records to the employee, at the employee's expense, and the employee and his or her representative may examine the copies outside of the presence of the administrator/records custodian.

After reviewing his or her personnel records, the employee has the right to request that records he or she believes to be inaccurate or obsolete be removed from his or her file. If the District denies the request, the employee has the right to file a written rebuttal statement and have that rebuttal attached to the disputed record. If the District intends to release the disputed record to a third party, the District must also release the attached employee rebuttal statement to the third party. § 103.13(4) Wis. Stats.

3.30 Personnel – Student Relations

All District personnel will recognize and respect the rights of students, as established by local, state, and federal law. Employees shall, at all times, maintain a professional relationship and exhibit a professional demeanor in their interactions with students. Further, employees shall refrain from engaging in any actions or conduct of a sexual nature (verbal or physical) directed toward a student, including, but not limited to, sexual advances, activities involving sexual innuendo, or requests for sexual favors or sexually explicit language or conversation. Employees shall not form inappropriate social or romantic relationships with students, regardless of whether or not the student is 18 years old. Employees shall not use profane or obscene language or gestures in the workplace or any situation where students are present.

3.31 Physical Examination

- A. <u>Examination</u>: Upon initial employment and thereafter, physical examinations shall be required of District employees in accordance with Section 118.25 of the Wisconsin statutes. Upon initial employment, evidence that employees are of sound health, sufficient to perform the essential functions of their assignment, is necessary to make binding the offer of employment or the initial contract, as applicable, with the District.
- B. <u>Fitness for Duty</u>: The District may require a physical and/or mental examination at the expense of the District where reasonable doubt arises in the minds of the District concerning the current health of the employee, and consistent with the limitations imposed by applicable state and federal law. Failure to comply with this request or failure to provide a doctor's certification of sufficiently sound health to perform duties assigned may result in discipline up to and including discharge/termination.

The Genetic Information Nondiscrimination Act of 2008 (GINA) prohibits employers from requesting or requiring genetic information of an individual or family member of the individual, except as specifically allowed by GINA. Accordingly, we are asking that you not provide any genetic information when responding to this request for medical information. "Genetic information" includes an individual's family medical history, the results of an individual's or family member's genetic tests, the fact that an individual or an individual's family member sought or received genetic services, and genetic information of a fetus carried by an individual or an individual's family member or an embryo lawfully held by an individual or family member receiving assistive reproductive services. An exception to the prohibition outlined in this paragraph is family medical

history for situations in which the employee is asking for leave to care for a family member with a serious health condition (e.g., under the Family and Medical Leave Act).

3.32 Political Activity

Employees may exercise the rights and privileges of any citizen in matters of a political nature consistent with the following restrictions:

- A. No school employee shall, (1) in the presence of any student, and (2) during hours for which pay is received or while the employee is otherwise acting within the scope of their employment, engage in any activity for the solicitation, promotion, election, or defeat of any referendum, candidate for public office, legislation, or political action. When not engaged in the performance of their duties (e.g., during designated break periods) and when no students are present, employees who are at a work location may engage in private conversations with non-students or in other personal activities that address, for example, political topics. Employees should use discretion when discussing political views with students and not give personal opinions, especially when students are part of a captive audience.
- B. During established hours of employment or while an employee is engaged in his/her official duties, no employee or other person may solicit or receive from any employee any contribution or service for any political purpose, where a "political purpose" includes an act done for the purpose of influencing the election or nomination for election of a person to office. Furthermore, no person may enter any District building, office or facility in order to request, make or receive a contribution for a political purpose.
- C. No school employee shall use in any way the classrooms, buildings, or pupils for the purpose of solicitation, promotion, election, or defeat of any referendum, candidate for public office, legislation, or political action. This provision does not apply to use of District facilities by employees for events or activities that are not within their scope of employment and that are held pursuant to the District's policies regarding facilities use by third parties.
- D. No school employee shall make use of school equipment or materials for the purpose of solicitation, promotion, election, or defeat of any referendum, candidate for public office, legislation, or political action.
- E. This section does not apply to the provision of information by school employees in connection with any election, referendum or legislation where authorized by the Board or Superintendent and where consistent with legal limitations on the use of public funds and school District resources.

3.33 Job Descriptions

Job descriptions are available for inspection for each District employee. At a minimum, the descriptions will include the job title and description, the minimum qualifications, and the essential functions of the position. Employees must be able to perform the essential functions of the job description. Job descriptions are posted on the district website at: www.scc.k12.wi.us > Menu > Documents > Staff > Job descriptions.

- F. Job abandonment.

3.35 Solicitations

Individuals, groups and organizations often wish to solicit employees to support a particular activity or organization. This solicitation may be charitable, political or for other purposes. All solicitations of employees must be approved in advance by the administration and be consistent with Board policy.

- B. <u>Employee Wellness</u>: The District shall encourage healthy behaviors by providing wellness programs, educational opportunities and a healthy work environment for employees.

3.39 Employee (Whistleblower) Protection

- B. <u>Purpose</u>: It is the intent of the District to adhere to all laws and regulations that apply to the District, and the underlying purpose of this provision is to support the District's goal of legal compliance. The support of all employees is necessary to achieving compliance with various laws and regulations.
- C. <u>Anti-Retaliation</u>: An employee is protected from retaliation only if the employee brings the alleged unlawful policy, practice, or activity to the attention of the District and provides the District with a reasonable

opportunity to investigate and correct the alleged unlawful policy, practice, or activity pursuant to the District's chain of command or complaint policies. The protection described below is only available to employees who comply with this requirement. The protection against retaliation that is described below does not limit the District from taking disciplinary or other employment action, including termination, against an employee where that discipline or employment action is not based on the employee's filing of a good faith complaint under this policy. The District will not retaliate against an employee who in good faith has made a protest or raised a complaint against some policy, practice, or activity of the District, or of another individual or entity with whom the District has a business relationship, on the basis of a reasonable belief that the policy, practice, or activity is in violation of law or a clear mandate of public policy. The District will not retaliate against an employee who discloses or threatens to disclose to a supervisor or a public body any policy, practice, or activity of the District that the employee reasonably believes is in violation of law or a rule or regulation mandated pursuant to law or is in violation of a clear mandate of public policy concerning the health, safety, welfare, or protection of the environment. Nothing herein shall limit or diminish an employee's protections against retaliation for filing a complaint, or participating in an investigation or legal proceeding, if such actions are protected by state and/or federal law.

3.40 Work Spaces, Including Desks, Lockers, etc.

Employees shall have no expectation of privacy with respect to any item or document stored in or on District-owned property, which includes, but is not limited to, desks, filing cabinets, mailboxes, lockers, tables, shelves, and other storage spaces in or out of the classroom. 3.41 Work Made for Hire

Occasionally an employee has questions regarding the use of materials to be included in books or other commercial materials. Such materials created by the employee may include lesson plans, staff development presentations or tests/test items. Any work prepared by an employee within the scope of his/her employment is owned by the District. Under federal copyright laws, this is called "work made for hire." An employee with questions regarding ownership or copyrights on materials prepared within the scope of his/her employment should consult with his/her supervisor.

3.42 Workplace Safety

- A. <u>Adherence to Safety Rules</u>: All employees shall adhere to District safety rules and regulations and shall report unsafe conditions or practices to the appropriate supervisor. Fire safety is an essential element of having a safe working environment. Employees should know the following:

 - 2. location of fire extinguishers;
 - 3. evacuation routes; and
 - 4. whom to notify in case of fire.

B. <u>Protection of Staff</u>: An employee shall report all cases of assault or injury suffered in connection with employment in the performance of duties to the Superintendent or his/her designee, who shall acknowledge receipt of such report and keep the staff involved informed of action taken.

- 2. "Performance of duties" means duties performed within the employee's authorized scope of employment and performed in the line of duty.
- C. <u>Notification of Safety and Health Standards</u>: Section 101.55 of the Wisconsin statutes requires the Wisconsin Department of Safety and Professional Services to adopt and enforce safety and health standards that will provide protection to public employees at least equal to that provided to private sector employees under standards promulgated by federal Occupational Safety and Health Administration (OSHA). A District employee who believes that a safety or health standard is being violated, or that a situation exists which poses a recognized hazard likely to cause death or serious physical harm, may request the District to conduct an internal review of the matter. Furthermore, the employee may request the Wisconsin Department of Safety and Professional Services to conduct an inspection.

The District shall not discriminate against or discharge any employee for exercising any right afforded by this section. An employee may file a grievance under Part I, Section 5 of this *Handbook* and under pertinent District policy to address the workplace safety issues as defined in subsection F, below. The employee may, in his/her discretion also file a complaint with the state Division of Equal Rights within thirty (30) days if the employee believes a violation of the first sentence of this paragraph occurred. The person(s) conducting the hunter safety class will assume responsibility for the safe handling and care of the firearms/weapons and see to it that all firearms/weapons are removed from the premises promptly after the class.
- E. <u>Disaster Preparedness</u>: All employees must become familiar with building procedures in the event of emergency such as fire, tornado, intruders, etc. When drills are staged, every staff member and student must follow proper procedures.
- F. <u>Workplace Safety Definition for Grievance Procedure</u>: In accordance with relevant state law, the grievance procedure established by the District permits employees to file grievances over workplace safety. For purposes of that procedure, the following guidelines shall apply:
 - 1. A grievance can be filed over workplace safety only if the safety of at least one employee is involved (as opposed to the safety of students or visitors).

- 2. The issue must concern the safety of a person (e.g., not the "safety" of one's vehicle or other personal possessions).
- 3. The grievance must be filed by the affected employee(s) (i.e., one employee may not file on behalf of another).
- 4. The individual(s) filing the grievance must propose a specific remedy.

In appropriate circumstances, the District will inform the reporting individual of the results of the investigation. To the extent possible, the District will maintain the confidentiality of the reporting employee and the investigation, but may need to disclose results in appropriate circumstances; (e.g., in order to protect individual safety or to conduct an adequate investigation). Furthermore, the District shall provide a place, other than a bathroom, that is shielded from view and free from intrusion from coworkers and the public, which may be used by an employee to express breast milk. Preferably, the space should have an electrical outlet for use by the employee.

SECTION 5. GRIEVANCE PROCEDURE

5.01 Purpose

The purpose of this section is to provide for the exclusive internal method for resolving grievances concerning discipline, termination and workplace safety. A determined effort shall be made to settle any grievance at the lowest possible level in the grievance procedure.

5.02 Definitions

- A. Grievance: A "grievance" is defined as any complaint that arises concerning discipline, termination or workplace safety.
- B. Grievant: A "grievant" may be any employee or group of employees.
- C. Day: The term "days" as used in this Section shall mean regularly scheduled workdays, unless otherwise indicated.
- D. Discipline is defined in Part I, Section 1.02, Subsection C of the *Handbook*.
- E. Termination is defined in Part I, Section 1.02, Subsection J of the *Handbook*.

5.03 Time Limits

The time limits set forth in this Section shall be considered as substantive, and failure of the grievant to file and process the grievance within the time limits set forth in this Section shall be deemed a waiver and a settlement of the grievance. The number of days indicated at each level should be considered a maximum. The time limits specified may, however, be extended by the mutual consent of the District and the grievant. The parties may, through mutual consent, agree to start the grievance at a higher step if the grievance involves termination and is initially filed in a timely manner pursuant to the timelines set forth below.

5.04 Grievance Processing Procedure

Grievances shall be processed in accordance with the following procedure:

Step One - Informal Resolution: An earnest effort shall first be made to settle the matter informally between the employee and the immediate supervisor. A grievance may be initiated through an informal meeting and discussion with the immediate supervisor, the employee and the employee's designated representative. The informal meeting and discussion shall occur within thirty (30) days after the facts upon which the grievance is based first occurred. The immediate supervisor will give an answer to the grievance. The grievant(s) shall be required to state the purpose of the discussions and event(s) upon which the discussions are based. The immediate supervisor shall notify the grievant and (if applicable and appropriate) the representative of his/her answer within ten (10) days. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file a written grievance.

Step Two - Written Grievance: If the grievance is not resolved at Step One, the grievant(s) shall file a written grievance with the immediate supervisor within ten (10) days of the response in Step One above or if no response is provided within ten (10) days of the deadline for the response. The written grievance shall include the facts upon which the grievance is based, the issues involved, the *Handbook* provision alleged to be violated and the relief sought. The grievance shall be signed and dated by the grievant. The immediate supervisor shall respond to the grievance in writing within ten (10) days. However, if there is an ongoing investigation related to the subject matter of the grievance, the immediate supervisor shall have until ten (10) days after completion of the investigation to respond to the grievance. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the Superintendent.

If the grievant's immediate supervisor is the Superintendent, the grievant shall skip Step Three and proceed directly to Step Four if he/she is not satisfied with response of his/her immediate supervisor at Step Two (or if no answer is provided in the above timeframe).

Step Three - Appeal to Superintendent: If the grievance is not resolved at Step Two, the grievant may appeal the written grievance to the Superintendent within ten (10) days after the response at Step Two or if no response is provided within ten (10) days of the deadline for the response. The Superintendent shall meet with the grievant(s) and/or the employee's designated representative and the principal or immediate supervisor within ten (10) days after receiving the written grievance. The Superintendent shall respond to the written grievance within ten (10) days of the meeting or at a later date as determined by the Superintendent if further investigation is warranted. The Superintendent shall indicate in writing the disposition of the grievance and forward it to the grievant and (if applicable and appropriate) the grievant's representative. If the matter cannot be resolved or if no answer is provided in the above timeframe, the grievant(s) may file an appeal to the impartial hearing officer selected by the

Step Four - Appeal to Impartial Hearing Officer: If the grievance is not resolved in Step Three, the employee must notify the Superintendent, within ten (10) days after receipt of the Superintendent's answer or if no response is provided within ten (10) days of the deadline for the response, if he or she intends to process the grievance to an impartial hearing officer. The selected impartial hearing officer will be approved by the School Board.

This step of the process is available only if the alleged violation of District policy or *Handbook* involves discipline, termination, or workplace safety.

If there is a dispute over the timeliness or the ability to use the grievance procedure on the issue, the administration shall have the discretion to bifurcate the hearing for the purpose of deciding those issues (i.e. address whether the grievance was filed in a timely manner before hearing the merits of the grievance or address whether the content of the grievance is properly before the impartial hearing officer).

<u>Step Five – Appeal to School Board</u>: If the grievance is not resolved at the prior step, the grievance may be appealed to the School Board within ten (10) days after the decision at the prior step. Either the administration or the grievant may appeal an impartial hearing officer's decision to the Board.

The Board shall meet with the parties to review the evidence and hear testimony relating to the grievance. At the hearing, each party may cross-examine any witness of the other party. If either party presents an exhibit that was not presented at a prior step of the grievance process, the exhibit must be provided to the other party at least twenty-four (24) hours prior to the hearing. The Board shall be free to conduct a de novo review of the facts and law.

The Board shall render a written decision that affirms, reverses, or modifies the decision of the hearing officer (or, if applicable, of the Superintendent). Such decision shall be rendered in a timely manner and shall be sent to the administration, the grievant, and (if applicable) the grievant's representative. The Board's decision is final and may not be appealed. All Board actions throughout this process shall comply with requirements of Wisconsin's Open Meetings Law.

<u>Grievances Filed by the Superintendent</u>: In the event a grievance is filed by the Superintendent, it shall be initially filed with the Board President and Board Clerk according to the deadlines established within Step 1 of this grievance procedure and the Board shall have the role and responsibilities of the Superintendent in Step 2 and elsewhere in the process. All other notices provided by the Superintendent acting as a grievant shall similarly be filed with the Board President and Board Clerk.

The District, pursuant to the Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) and state law, offers employees the opportunity to remain on the District's health, dental and vision insurance plan at the group rate in certain instances where coverage under the plan would otherwise end.

- A. **Qualifying Events**: An employee, employee's spouse and an employee's dependent children (if any) covered by and participating in the District's health insurance plan (medical, dental, and vision), may qualify for continuation coverage if District-sponsored coverage is lost due to the occurrence of any of the following qualifying events:
 - 1. Voluntary or involuntary termination of employment for any reason other than "gross misconduct";
 - 2. death of the covered employee;
 - 3. divorce or legal separation from the covered employee;
 - 4. loss of "dependent child" status;
 - 5. eligibility for Medicare entitlement;
 - 6. reduction in work hours such that the employee no longer qualifies for coverage under the plan.
- B. **Period of COBRA Continuation**: In the event of one of the above qualifying events, COBRA coverage is available for up to eighteen (18) months, but may be extended to a total of twenty-nine (29) months in certain cases of disability (*see* Disability Extension in Section F) or up to thirty-six (36) months if a qualifying spouse or dependent suffers a second qualifying event. The employee, employee's spouse and each covered dependent has an individual right to request COBRA coverage. Additionally, any child born to or placed for adoption with a covered employee during a period of continuation coverage is automatically considered a qualified beneficiary.
- C. **COBRA Extension** (Second qualifying events): A spouse or dependent child may be eligible for COBRA extension coverage for a period of up to thirty-six (36) months if coverage is lost due to one of the following second qualifying events:
 - 1. The employee's death;
 - 2. divorce or legal separation;
 - 3. the covered employee becomes eligible for Medicare;
 - 4. a child loses his or her "dependent child" status.

*Note: The second event can be a second *qualifying* event only if it would have caused the qualified beneficiary to lose coverage under the plan in the absence of the first qualifying event.

- D. **Premium Cost & Payment**: The cost for this extended continuation coverage shall not exceed the group rate in effect for an active group member, including the District's contribution (i.e., the total amount the employee and District have been paying for health insurance coverage). If the cost for COBRA coverage changes during an employee's participation, the employee will be notified of the new premium in writing prior to its due date.
- E. Termination of Coverage: Employee continuation coverage may be terminated automatically if:
 - 1. the employee fails to make a monthly premium payment to the District on time;
 - 2. the employee obtains similar coverage through a different employer;
 - 3. the employee becomes eligible for Medicare and converts to an individual policy;
 - 4. the District terminates its health plan;
 - 5. the employee's guaranteed continuation period expires.

The employee or a qualified beneficiary has the responsibility to inform the District of a divorce, legal separation, or a child losing dependent status under the group health plan within sixty (60) days of the qualifying event. The District will then notify covered dependents that are affected by the event of their right to elect COBRA coverage.

COBRA participants must also notify the District if they experience additional COBRA qualifying events during their COBRA term that might qualify them for additional months of extended coverage.

F. **Disability Extension** - If an employee elects COBRA continuation coverage based on termination of employment or reduction of hours, and the employee or a qualified beneficiary from his or her family becomes disabled (as determined by Social Security) anytime within the first sixty (60) days of COBRA continuation coverage, the employee and his or her family's qualified beneficiaries may elect a special additional eleven (11) month extension, for a total of twenty-nine (29) months of COBRA continuation coverage. To elect the eleven (11) month extension, the employee must notify the Plan Administrator within sixty (60) days of the date Social Security determines that the employee or a qualified beneficiary from his or her family is disabled and within the first eighteen (18) months of COBRA continuation coverage. (The cost of COBRA coverage will increase from 100% to 150% of total premium during this additional eleven (11) month extension period.)

The District shall, at a minimum make up all days/hours necessary to guarantee the receipt of state aids and/or necessary to meet the minimum annual school year requirements (days and hours) of the State of Wisconsin.
