

INFORMATION ABOUT SCC'S FOOD SERVICE PROGRAM

SCC Schools serve nutritious breakfast and lunch meals daily at each building. Students may choose to purchase an additional meal at lunch or an additional carton of milk if the account balance is large enough to remain in the positive. Please remember if your child is on free meals, they must take a meal in order to receive their milk. If students bring a cold lunch, they can purchase a milk for \$.40 for that day.

Please call the Food Service Department at 715-796-5383 x.1111 if you:

- Don't allow your student to purchase more than one meal per day, extra milk, or have any other special requests.
 - Do not want your student to use the family account for Ala Carte purchases.
 - Need to inform the school of any diet restrictions, such as food allergies or for other medical reasons.
- ☐ Milk Allergies MUST BE turned in every year that you are in the district.
