

Bureau Valley Wyanet Elementary Storm Report

Issue 5 Volume 1

November 7, 2019

Unity, Excellence and Pride!

We are what we believe. What we believe unifies us.

We promise to our students and communities to provide a positive learning environment which promotes both academic and social success

Website-- www.bv340.org

Farmer Jason Live at Bureau Valley

The kids were dancing machines during the Farmer Jason concert. While they danced and sang, they also learned about farm animals, practiced rhyming, and learned about the Native American Indians in Illinois.

Farmer Jason currently lives in Nashville, Tennessee, but he was originally from Sheffield, Illinois.

Colder Weather

Please make sure your child is dressed appropriately for the weather. We will be going outside for recess and PE class. Please be sure to send a coat and hat with them to school. Thank you!

November Student of the Month

Congratulations to Molly Joos for being named student of the month for November! Molly is very sweet and kind. She is a great role model for her classmates. She is very responsible. Molly takes her time on her work and always uses her best handwriting.

Veterans' Day Programs

We will be celebrating Veterans' Day with a special program on November 11th in Wyanet at 2:00pm.

At 1:30pm on November 11th all Veterans are invited to Wyanet for cookies and refreshments prior to the 2:00pm Pre-K-2 Veterans' Day program.

Fall Costume Parade

Thank you to all who could join us for the fall costume parade. The students loved being able to parade around and show off their costumes to all the visitors.

Stem Day in Wyanet

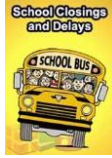

Mrs. Litherland continued our knowledge during our STEM Day on Friday, November 1st. Students worked in small groups to build a home for their solar beaded animal, built on the previous STEM Day. In their groups they spent the first five minutes drawing and designing their homes. After the time was up they started constructing their homes with various materials. Our next STEM day will be when we test our homes to see if they keep our animals sheltered from the sun.

Winter Music Programs

Bureau Valley Wyanet Winter Program is on Monday, December 9th at 6:00pm at Bureau Valley High School.

It is never too early to make plans for school closing due to bad weather conditions.

Please take some time to make arrangements with family members, friends, or other parents in the case of an early out or school closing due to bad weather conditions. Please make sure the school has your correct phone number, as we will use the call system to alert you to school closings.

Free Children's Orthopedic Clinic
