Friday, November 15, marks the end of our first trimester. We are already $\frac{1}{3}$ of the way through the school year! Buckle up because we will be racing through to Winter Break! There are several field trips scheduled this week (look below in the Upcoming Events section). Also, please remember that parent conferences will be next week with minimum days on Wednesday, Thursday, and Friday. We then take a week break for Thanksgiving before gearing up for the holidays! Our Winter Musical Performance will be in the evening on Tuesday, December 17, so mark it on your calendars! Mrs. Z has been working hard with the performing arts crew and K-3rd grades to get them ready for the musical extravaganza!

Egg Drop Madness

The Egg Drop last week was super successful! Almost all students participated and there was very little mess to clean-up! That means that the egg drop designs were engineered to perfection! Thank you Mr. Kyle and Student Government for running such a smooth Egg Drop this year! And of course, a shout out to **A Cut Above** for donating their time and equipment to make the egg drop so successful!

Teacher-Parent Conferences

Teacher conferences will be held November 18-22 before Thanksgiving Break. Randi sent you a link via email to invite you to

use **Sign-up Genius**. You will be able to select your own conference times for that week. It will be on a first come/first serve basis. If your email has changed or is different than the one you provided Randi, please contact her so that she can make the changes and send you the conference schedule to the correct email address.

If you have an issue scheduling your conference, please contact your teacher to make other arrangements.

In the email link sent out by Randi, there will NOT be parent/teacher conference slots for the 6th and 8th grades for the following reasons:

- If you have a 6th grader, Mr. Lewis will be scheduling his own parent/conferences with you for another week.
- 8th graders do not have scheduled conferences, unless requested by the teachers.

Every Friday is Spirit Wear Day!!

"I can have school spirit, or I can learn fractions.
The choice is yours."

Student council wants to revive our spirit wear day. Wear Butteville colors every Friday to show your support for our school. Prizes will be awarded to the class that shows their spirit the most! Order your butteville gear at <https://www.prepsportswear.com!> Go Eagles!

Girls Basketball Tryouts

Sixth-Eighth grade girls basketball tryouts will be held on November 12-13th from 3-4:30pm. If you, or if you know someone that might be interested in being a cheerleading coach, please contact the school.

Box Tops

The way we collect Box Tops is changing! Historically, we have clipped Box Tops from boxes of crackers, cereals, soup can and even parchment paper. The money we earn from all our clippings (10 cents per Box Top) goes straight to our school and is used for classroom supplies and other needs.

How- 1. Download the Box Tops for Education app; 2. Scan your receipt; 3. Earn Money

The best news is that during this transition, our school can get twice the amount of earnings for each Box Top-10 cents for eligible items on scanned receipts and 10 cents for the clipped Box Top. Earn money for Butteville via Box Tops via the Box Tops for Education app, but also keep clipping Box Tops until it phases out completely. Turn clipped Box Tops either to your teachers or the front office!

Ever thought of working at Butteville?

We are looking for substitutes for our aides and kitchen staff. Come work at our school, nestled in the beautiful hills of Edgewood. Good hours, fresh air, happy students and staff make this an exciting place to work. If interested, please stop by the front office to pick up an application.

Reminder: Our Butteville Bulletin is online and on a free app for mobile phones. We are continually updating our website to make it more user-friendly.

Dress Code, Bus, and School Rules

Parents please review and discuss the rules for dress code, bus and school conduct as explained in the student handbook. The handbook was sent this week in the school packet. This will help reduce infractions and the number of phone calls home from yours truly. Our primary goal is to keep the school safe and create a positive environment for learning.

Reminder to parents that they should plan to park or wait on the side of the street where the bus picks up. Please do not cross the street with your child (Vehicle Code Section 22112)
