1. Participation in a Running Start Program is being a member of the partnership between The Community College of Rhode Island and the Blackstone Millville Regional school District. It is designed for those students who demonstrate an academic success and maturity and choose to take college courses during their senior year.
2. Participation in a dual enrollment program with the community college is strictly voluntary decision.
3. Parents/ Guardians and students are responsible for all financial obligations.
4. Parents/Guardians and students are responsible for all transportation.
5. Students are allowed to participate in extra- curricular activities at BMR.
6. Students are allowed to attend BMR events.
7. **Students are not allowed to participate in MIAA sports. (BMR cannot verify attendance and discipline)**
8. Should a student make a decision to return to BMR, this decision must be made within the first three weeks of school to align schedules and meet graduation requirements. Students who return after three weeks jeopardize their graduation which may lead to a fifth year.

I, _____, have read the above and take all said responsibilities
(Parent/guardian) and understand all the conditions associated with a dual
enrollment decision.
