

WHY ESTEN IS PAWSOME

By Madison Dever and Riley Boylan

The Principal

The principal at Esten is kind, caring, and responsible. She makes assemblies and safety super fun! She works with groups such as the P.A.C! She adds fun events throughout the year like spirit week, field day, vocabulary parades, and Memorial Day celebrations! When we are doing fire or A.L.I.C.E. drills she always makes sure we are safe either outside or inside. She is the best principal anyone could ask for. Thank You Ms. Smith!

Teachers & Staff at Esten

The teachers and staff are not only AWESOME at Esten they are PAWSOME!!!! They help us EVERY DAY to make sure we try our best and succeed in everything we do. They are nice, caring, and EXTREMELY kind. They are nice because they teach us things EVERY DAY. They are caring because they care for our safety. They are kind because they are always generous to other students and teachers. They also have to take care of all the kids in this school and trust me that's A LOT. THANK YOU TEACHERS and STAFF!!!!!!!!!!!!!!

The P.A.C.

The P.A.C. has a very important role of having PAWsome happen at Esten! The P.A.C. helps get us get pencils, desks, chairs, books, and fun events for our school. Additionally, they help BUY things for events like munchkins and donuts with our parents. The P.A.C. is a group of parents that go to meetings once every couple weeks to help us and the school plan events. They buy everything just for our school.

Thank You So Much P.A.C.

Students at Esten

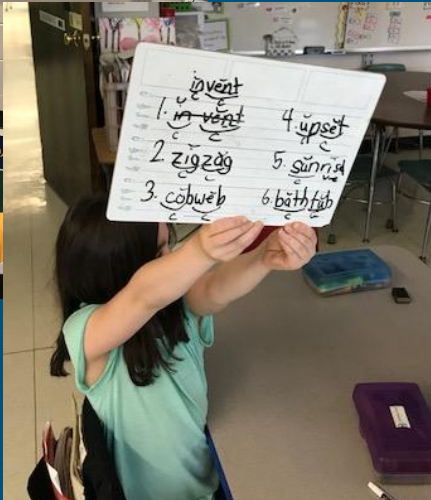

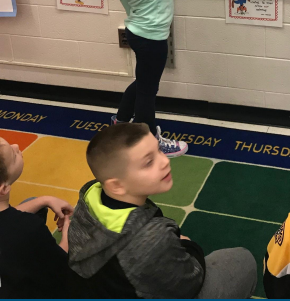

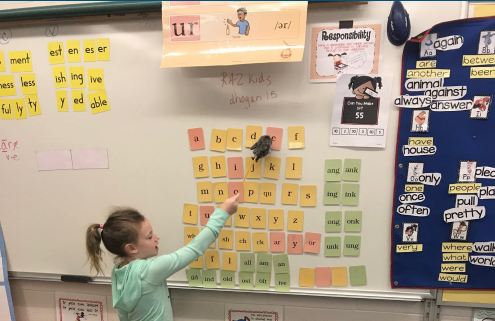

The students at Esten are SAFE, RESPONSIBLE AND RESPECTFUL. We all have to work together to do all those things and to make this school a good place. As students we can try to do a good thing for a student or a teacher or anyone who needs a friend. We try to make other people in the school happy every day and make someone's day. We try to make every day PAWSOME!!! Every day we are BULLDOGS!
