Dear Academic Advisor,

We are sending you this letter along with the enclosed flyer to encourage your students who are considering attending the University of Michigan, College of Engineering, to apply for the **Geisinger Scholarship**. The **Geisinger Scholarship** is awarded to non-Michigan resident students from selected geographic areas.

The Geisinger Scholarship is a \$20,000 per year annual award. The scholarship is renewable as long as the student maintains a 3.0 GPA, is enrolled full-time in the College of Engineering, and declares an Engineering major. The scholarship is awarded over eight semesters, or until the student completes his or her undergraduate program, whichever occurs first. The full value of the award over eight semesters is \$80,000.

Scholarship applications must be received by **16 January 2020, 1:00 p.m. EST**. Please notify your students of this scholarship opportunity, and post/distribute the enclosed flyer.

If you have questions regarding the **Geisinger Scholarship**, or if you prefer electronic notice of this and other scholarship announcements, please contact the College of Engineering Scholarship Office (coe.scholarships@umich.edu; 734.647.7113).

Sincerely,

Taryn Colangelo

The College of Engineering is pleased to announce the following merit scholarship opportunity:

The Geisinger Scholarship Program

During his lifetime, Joseph M. Geisinger created a trust fund to provide support to forward the careers of students pursuing degrees in engineering at the University of Michigan.

- ❖ The scholarship program will provide \$20,000 in annual support to students from selected geographic areas.
- ❖ Scholarships will be awarded to first-year students admitted to the College of Engineering at the University of Michigan, Ann Arbor for the 2020-2021 academic year.
 - ❖ Recipients must be enrolled full-time at the University of Michigan and pursuing an undergraduate degree program in engineering.
- ❖ Scholarship support is awarded for four years of undergraduate study or through graduation, whichever is less; annual renewal is contingent on satisfactory academic progress and maintaining a cumulative GPA of 3.0.

Scholarship applications must be received no later than 1 pm EST, 16 January 2020.
