SUBJECT: SCHOOL TAX ASSESSMENT AND COLLECTION/PROPERTY TAX EXEMPTIONS

A tax collection plan giving dates of warrant and other pertinent data shall be prepared annually and submitted for review and consideration by the Business Manager to the Board of Education. Tax collection shall occur by mail or by direct payment to the place designated by the Board of Education.

Senior Citizens

Unless specifically exempted by law, real property used exclusively for residential purposes and owned by one (1) or more persons, each of whom is sixty-five (65) years of age or over, or real property owned by husband and wife or by siblings, one of whom is sixty-five (65) years of age or over, shall be exempt from taxation to the extent of percentum of the assessed valuation determined by the Board if the owners meet the criteria established annually by the Board.

The real property tax exemption of real property owned by husband and wife, when one of them is sixty-five (65) years of age or over, once granted, shall not be rescinded solely because of the death of the older spouse so long as the surviving spouse is at least sixty-two (62) years of age.

The District may permit a property tax exemption to an otherwise eligible senior citizen even if a child who attends a public school resides at that address, provided that any such resolution shall condition such exemption upon satisfactory proof that the child was not brought into the residence in whole or in substantial part for the purpose of attending a particular school within the District. The Board must adopt a resolution allowing such an exemption following a public hearing on this specific issue.

Volunteer Firefighters/Ambulance Corps and Clergy

In accordance with law, the District, after a public hearing, may adopt a resolution allowing the full benefits of the real property tax law exemptions for enrolled members of an incorporated volunteer fire company, fire department/Ambulance Corps.

Enrolled members of volunteer firefighter/ambulance corps shall be exempt from real property and school taxation to the extent of ten percent (10%) not to exceed three thousand dollars (\$3000) multiplied by the latest state equalization rate for the assessing unit in which the property is located. Members of the clergy shall be exempt from real property and school taxation to the extent of ten percent (10%) not to exceed one thousand five hundred dollars (\$1500) multiplied by the latest state equalization rate for the assessing unit in which the property is located.

SUBJECT: IMMUNIZATION OF STUDENTS

Every child entering or attending a District school must present proof of immunization or proof of immunity by serology (blood test) if applicable unless a New York State licensed physician certifies that the immunization is detrimental to the child's health. The requirement for that immunization is waived until the immunization is no longer detrimental to the child's health.

Except for this exemption, the District may not permit a child lacking evidence of immunization to remain in school for more than 14 days, or more than 30 days for an out-of-state or out-of-country transferee who can show a good faith effort to get the necessary certification or other evidence of immunization.

The administration will notify the local health authority of the name and address of excluded children and provide the parent or person in parental relation a statement of his or her duty regarding immunization as well as a consent form prescribed by the Commissioner of Health. The school will cooperate with the local health authorities to provide a time and place for the immunization of these children.

For homeless children, the enrolling school must immediately refer the parent or guardian of the child to the District's homeless liaison, who must assist them in obtaining the necessary immunizations, or immunization or medical records.

The District will provide an annual summary of compliance with immunization requirements to the Commissioner of Health.

All schools will also post educational information on influenza and the benefits of influenza immunization which will be in plain view and available to parents.
