

Johnson-O'Malley (JOM) is a federal program whose main objective is to ensure Native American children receive educational opportunities that would not otherwise be provided through the public school system. JOM is a supplemental program providing special services to Native American students based on the needs of individual communities.

Did you know Ninnekah has a JOM program?

However due to low or no parental participation in our program we are in danger of losing this very valuable program.

We MUST have parent involvement so that our school may keep their funding through the Johnson O'Malley Program.

If you wish to only participate by attending meetings we fully understand and that is okay, it will help our school keep this funding resource for our children.

If your child(ren) is registered on a Native American Tribal Roll please be sure to include that information with your enrollment forms to the office.

JOM Services Provided:

- Basic School Supplies
- Team Sports Incentives
- ACT & SAT Assistance
- Senior Cap and Gown Assistance
- Graduating Senior Gifts
- College & Career Information, Workshops & Scholarships

To ensure your child(ren) is enrolled in our JOM Indian Education program please provided the following:

- Your child must have Certificate Degree of Indian Blood (CDIB) documentation OR tribal enrollment card/verification to qualify for our JOM services.
- Submit CDIB or Tribal Enrollment card to Ninnekah School office with your enrollment forms.
