

Staying Connected With Our Community

Ninnekah Public Schools
Dr. Ashley Davis
Superintendent

January, 2023

January brought cold temperatures, crazy weather and Owl success!

Ninnekah Public Schools has received two very large grants! The COPS grant is a federally funded grant for \$500,000 that will allow the district to upgrade security technology over the next 3 years. Adding to that grant, we very recently learned that we were awarded the Connections Grant for \$350,000 over the next 3 years to fund a school resource officer (SRO) and a school nurse with a few additional security features to compliment the COPS grant. Ninnekah Public Schools has secured close to \$1,000,000 in grant money this year!

Look at the pages that follow to see the successes of our Ninnekah Owls in January!

Substitute teachers and bus drivers are still needed. If interested, please call the district office.
