

# **Staying Connected With Our Community**

Ninnekah Public Schools  
Dr. Ashley Davis  
Superintendent

## February, 2023

February has passed too fast! It's hard to believe that we are in Spring and the end of the school year is close. Time does fly when we are having fun! February had Homecoming, Sr. Night, basketball district competitions and Valentine's Day.

Our students continue to amaze us in their accomplishments. It's a great time to be a Ninnekah Owl! If you don't follow our facebook page, please do so! Bragging on our students and staff is always fun.

Parent -Teacher conferences were a success! It is always great to see so many parents involved in their child's education. Please continue to be involved throughout the school year.

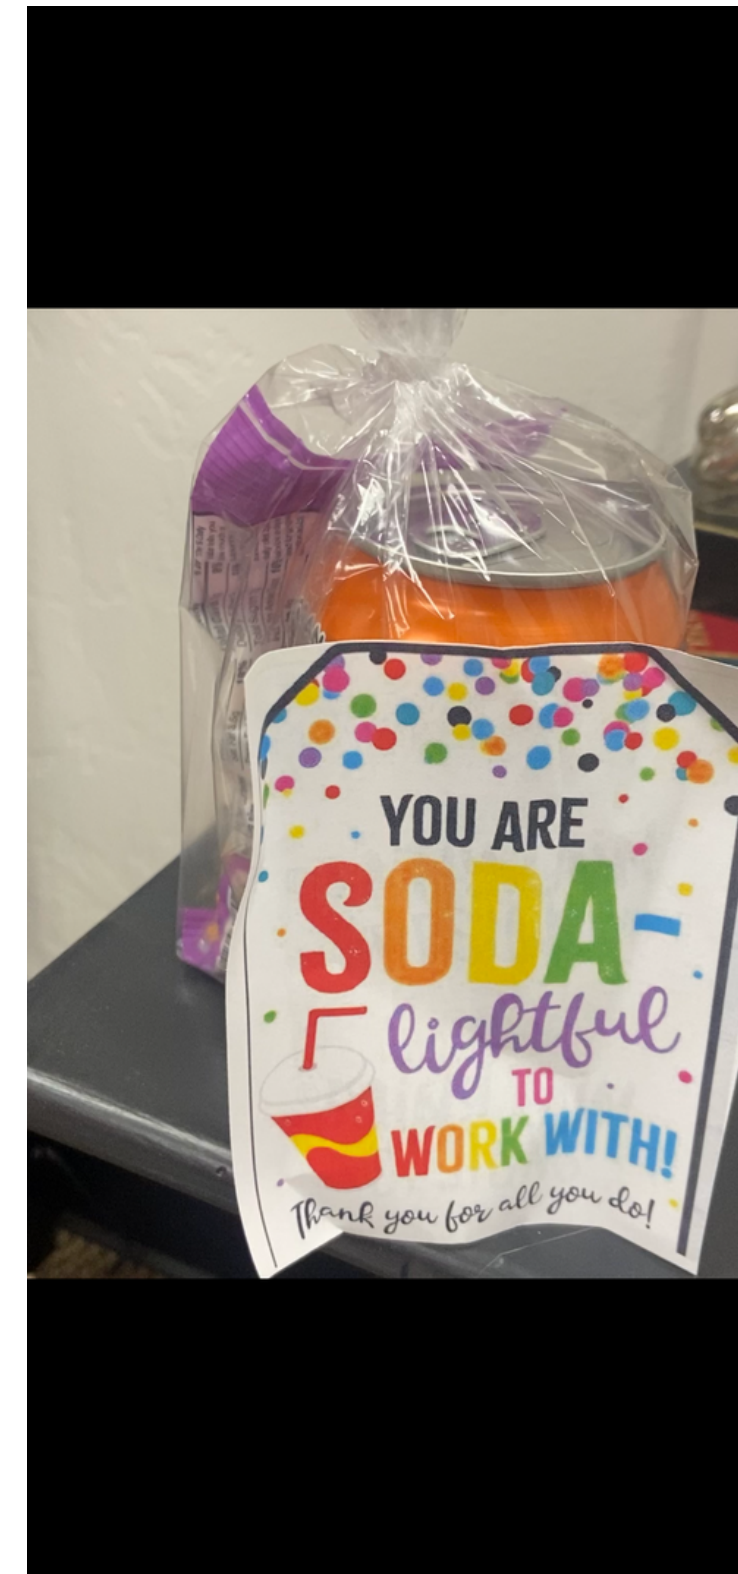

Substitute teachers and bus drivers are still needed. If interested, please call the district office.

# Highlights

Archery has qualified to  
compete at Nationals!  
Good luck team!

The high school students participated in  
Random Acts of Kindness!  
Fun snacks were delivered to staff members.  
THANK YOU STUDENTS!

Ninnekah Middle School is doing great things! The Academic Team placed in Regionals demonstrating the hard work of our students! The middle school also participated in a food drive to help those in need. These students make us proud!

JERDEE SCORES 1000  
CAREER POINTS

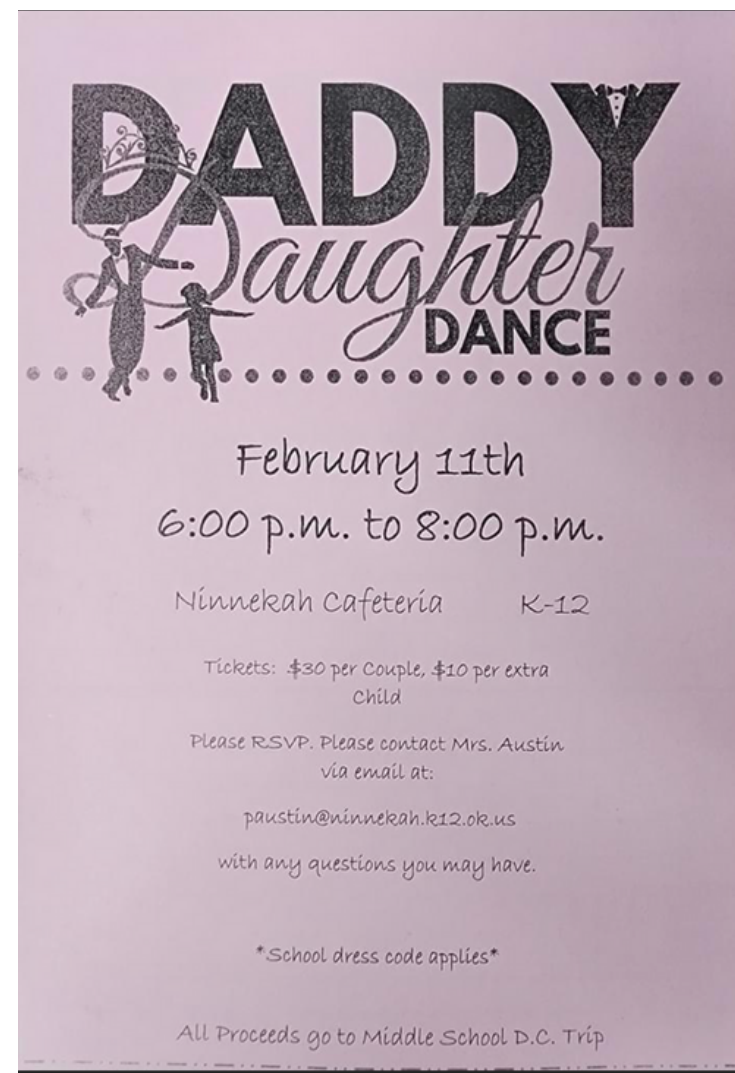

Ninnekah Schools

Ninnekah Owls are busy people!
