1 District and County Spelling Bees

October was filled with spelling bees, from individual classrooms all the way to the Stanislaus County Spelling Championship.

Four students advanced from the district-wide spelling bee and on to the county competition. After a full day of putting their spelling abilities to the test all four students earned either a gold or silver medal!

Congratulations:

Mynie Ocampo (Bonita)- Gold Medal

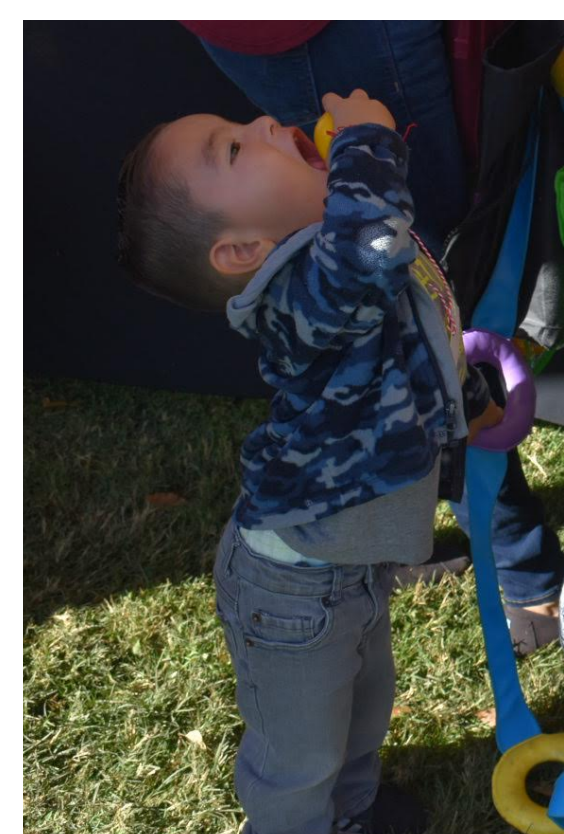

Evangeline Suarez (Hurd Barrington)- Gold Medal

Andres Verdin (Hurd Barrington)- Silver Medal

Benjamin Culpepper (Hurd Barrington)- Silver Medal

2 Health & Wellness Showcase

The Health & Wellness Showcase returned to NCLUSD for the second year with a bang!

The event provided students and community members a chance to sample current and possible future, cafeteria menu items, pick up produce from the farmers market, pot a vegetable/herb plant from Joe's Landscape, pick a pumpkin and visit booths from community organizations. This year students were also able to voice their opinions at the booths as they tried samples, checking "yes" or "no" if they'd like to see the item added to the menu.

The event was very well attended with classes visiting throughout the day and families and community members visiting in the evening.

Thank you to all those who attended and to all the vendors and local organizations who made the event so successful.

NCLUSD Mission: Through strong relationships, design, and orchestrate relevant and rigorous experiences that inspire and empower all learners.

3 Fire Prevention Week

Fire Prevention Week 2019 had a simple and effective theme "Not Every Hero Wears a Cape. Plan and Practice Your Escape!" Each day firefighters attended a different elementary site to treat students to a Fire Prevention Assembly where Newman Fire Chief Bowen, his firefighters, Sparky and Sparkles taught students about the importance of fire safety and prevention. The assemblies included a firefighter turnout drill, tours of the engines, pictures with Sparky and Sparkles and a Q&A session with Chief Bowen.

Fire Prevention Week at NCLUSD would not be possible without the leadership of our very own School Board Members RoseLee Hurst and her fantastic team of volunteers. Special Thanks go out to Newman Fire Chief Keith Bowen, the entire Newman Fire Department, Fire Auxiliary President Jenny Cabral, all Fire Auxiliary members, Mr. Scott Ball and the OHS Warrior Watch Members.
