

**Message from our
General Manager/CEO**

Basin Electric Power Cooperative takes great pride in its ability to assist in developing rural leadership in our region through our scholarship program.

The Basin Electric Power Cooperative Scholarship Program is designed to recognize and encourage the achievements of the children of employees of the Cooperative and its subsidiaries, and children of member-cooperative employees and consumers.

The Scholarship Program is administered and conducted by the Basin Electric Power Cooperative Human Resources Division. Winners are selected by a scholarship selection committee.

Since the scholarship program began, more than 4,600 young people in the Basin Electric system have benefited from this program. I wish all applicants the best. We have high expectations for your success in the future.
