

# BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

## June 2022

We are still on schedule and on budget with our bond project!

### New Elementary PreK-6 Building & 7/8 Gym

- Our staff members were able to tour the building on our last day of school, and the excitement is growing!
- Roofing has started on one wing of the building.
- The front drive is being torn up as we start to build our bus loop.
- Steel beams are now over the gyms.
- You can watch the construction progress here

### Athletic Improvements

- Athletic facility plans are in being finalized.
- Posts and fencing will go up around our tennis courts next.

### Former Middle School and Elementary Building

- We continue to study our elementary and middle school buildings and the costs involved to demo those buildings.

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jill VanDyken, Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at [facilities@schoolcraftcs.org](mailto:facilities@schoolcraftcs.org).
