

BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

October 2022

We have had great collaboration between our staff and construction partners, and it is great to see the elementary school coming to life! Here's what's new with our bond project.

New Elementary PreK-6 Building & 7/8 Gym

- Our new building project remains on budget and on schedule.
- We are preparing to close in the building to allow interior painting to begin.
- We are starting to install windows with frames and glass.
- Roofing projects are starting to wrap up.
- Spray foam insulation of the entire building is nearly complete.
- Final finishes are visible on the east side of the building.
- Curbs and concrete continue to be installed around the building.
- Work has begun to shape the large berm to the north of the building.
- Watch the building progress 24/7 at

<https://www.schoolcraftschools.org/page/bond-program-updates>

Athletic Improvements

- Athletic facility planning is entering the final stages.
- You can get involved in fundraising for field turf for Roy Davis Stadium through our Buy a Brick Fundraiser. Support our students and buy your bricks at <https://polarengraving.com/schoolcraftcs>.

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at facilities@schoolcraftcs.org.

Thank you for your support of our schools and students! Go Eagles!
