

# BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

## November 2022

It's cold and snowy outside, but our building project is full steam ahead!

### New Elementary PreK-6 Building & 7/8 Gym

- We have enclosed several areas of the building and started priming the cement block.
- We are able to run heating in several areas of the building.
- We continue to install the windows, and the metal roof is nearly complete.
- We continue to work on landscape restoration around the tennis courts and driveways.
- We have graded the bus lot, and it will be ready for the base coat in the spring.
- Watch the building progress 24/7 at <https://www.schoolcraftschools.org/page/bond-program-updates>.

### Athletic Improvements

- You can get involved in fundraising for field turf for Roy Davis Stadium through our Buy a Brick Fundraiser. Support our students and buy your bricks at <https://polarengraving.com/schoolcraftcs>.

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at [facilities@schoolcraftcs.org](mailto:facilities@schoolcraftcs.org).

Thank you for your support of our schools and students! Go Eagles!
