

BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

January 2023

Welcome to 2023! Things are moving right along with our building project. Here's an update.

New Elementary PreK-6 Building & 7/8 Gym

- Paint and final finishes are underway in the east academic wing.
- We installed translucent windows in both gymnasiums, and wood flooring installation in the competition gym will begin in March.
- We are installing casework (cupboards and storage cubbies) and individual air units in the classrooms.
- We started concrete grinding (flooring finish).
- Elevator installation will begin next month.

Athletic Improvements

- We halted our turf fundraising campaign but are committed to the stadium and athletic complex improvements as part of our bond work. We will move forward with our plans for a facelift to the stadium, improved facilities, and field and track improvements.

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at facilities@schoolcraftcs.org.

Thank you for your support of our schools and students! Go Eagles!
