

BOND PROGRAM UPDATES

WHAT'S COMPLETE, IN PROCESS AND ON THE HORIZON

April 2023

We continue to make great progress on our new elementary building and are busy making plans to ensure our entire campus is upgraded and ready for fall. Here are the highlights:

New Elementary PreK-6 Building & 7/8 Gym

- We ordered a time capsule for the main office space. Look for ways you can become a part of Schoolcraft history!
- We will start up permanent heating and air conditioning units at the end of the month.
- The competition gym floor has been laid and sanded. Staining and painting will begin this week.
- Final paint is on many of the walls.
- We are installing the panels for the media center.
- Cupboards and casework are already installed in most rooms.
- Marker boards, carpet, and doors are being installed in classrooms.
- We have started to install technology in some classrooms.
- We submitted the final furniture order, and it will be delivered on time for the fall.

Athletic Improvements

- We are moving forward with the athletic stadium upgrades as well as the new practice fields.

If you have questions about the bond program, please reach out to Superintendent Rick Frens or Jennifer Gottschalk or Wade Rutkoskie from the Board of Education Facilities Committee at facilities@schoolcraftcs.org.

Thank you for your support of our schools and students! Go Eagles!
