

Volunteer & Chaperone Information

Thank you for supporting our school today. We appreciate your willingness to take time away from your day to day routines to be with our students.

During this time, we ask that you abide by our confidentiality expectations. While you are with us, you may become aware of information about our students and staff members that is of a personal and confidential nature. We ask that any information that you learn about a student or staff member remain confidential unless it is mandated by law to report, or if the failure to disclose the information could jeopardize the health and/or safety of others. This includes putting information and/or photographs on social media that could identify students. While you may photograph your child or share photos of the group with the classroom teacher privately, we ask that these are not published online as that goes against the RSU #57 FERPA policy (JRA).

Thank you for understanding. We hope you enjoy your time with our staff and students today.
