

# Schoolcraft High School

Wednesday, November 20, 2019

Dear SHS Families,

Schoolcraft High School has certainly set a high bar for achievement since I arrived in July. Between remaining as one of the top high schools in the area, our music programs achieving a top ratings at fall competitions, football adding a District Championship trophy to our showcase, and now volleyball making it to the State Semifinals, our students, staff, and school community have a great deal of positivity to talk about around the Thanksgiving table next week.

As a school community, we are touching base with you regarding Friday's volleyball match. Students choosing to attend and leave school will need to return the Parent Permission form below in order for students to receive an excused absence for attending the match. Given the noon start time in Battle Creek, we are encouraging students to remain on campus through third hour before leaving to support our volleyball team. Unlike previous post-season athletic contests, a spectator bus will not be provided. If attending the match, students will need to make their own transportation arrangements. Please check in with the SCS website for information about ticket sales.

While it is always a great time to be a Schoolcraft Eagle, this year has heightened our pride and raised our school spirit. We appreciate your enthusiastic support of our accomplishments and celebrating our culture of excellence.

With Eagle pride,

Matthew J. Dailey, Principal

---

I, \_\_\_\_\_, give my child, \_\_\_\_\_, permission to leave Schoolcraft High School on Friday, November 22, 2019 to attend the MHSAA State Semifinal volleyball match.
