The Trojans

## HOMECOMING

### *The Trojans Host Timberlake*

Fall is definitely in the air and it finally feels like football season. There's nothing like putting on your favorite Trojan sweatshirt and feeling a little chill of fall while cheering for your Trojans on a clear crisp night under the Friday Night Lights. Fall is football (metaphor). Fall football is for fans (alliteration). After downing and upsetting the Tyrone Bobcats

We may laugh at the above quote because the original quote (BC...before computers) was "to err is human, to forgive is divine" by Alexander Pope. But that is exactly what happens when you get computers involved. You may have noticed some errors in the last couple of papers. You may have also noticed that some of the junior high roster was inadvertently omitted from the September issue. Of course this error was not intentional.

**JUST FOR THE RECORD** (for those who don't know what a record looks like, see the below image). The following young men are on the junior high roster and we are proud of them. The news regrets this error.

And NOW, we present (drumroll, please)

#88 Isaiah Mitchell (8th)

#35 Aaron Mullins (8th)

#44 Carson Groff (8th)

#62 Landon Dahl (7th)

#56 JD Sessoms (7th)

Congratulations men on a successful season! We are proud of how tough you have played against some pretty stiff competition.
