Dear Parent or Guardian:

Dear Parent or Guardian: Our district is required to inform you of information that you, according to Every Student Succeeds Act of 2015 (Public Law 114-95), have the right to know.

Upon your request, our district is required to provide to you in a timely manner, the following information:

- Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.
- Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.
- Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.
- Whether your child is provided services by paraprofessionals and, if so, their qualifications.

In addition to the information that parents may request, a building receiving Title I.A funds must provide to each individual parent:

- Information on the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.
- Timely notice that your student has been assigned, or has been taught for 4 or more consecutive weeks by, a teacher who has not met applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

The Knox County R-I School District offers Title I services to eligible students in Reading and Mathematics to students in grades K-5. This federally funded remediation program provides supplemental instruction in small groups or through in-class assistance to students who have a need for extra attention. We offer a School-Wide Title I program so all students are eligible to receive assistance if there is evidence of need. This program varies slightly year to year. Title I teachers are highly qualified considering Every Student Succeeds Act. For more information or to offer suggestions, please contact Nancy Goodwin Title I coordinator at 660-397-2228.

If you have any questions concerning any of the above information feel free to contact me any time. We appreciate the support you give your child(ren) and the school district.

Sincerely,

Nancy Goodwin  
Federal Programs Coordinator
