Comments: This is an extra meet we have started scheduling to provide an opportunity for athletes who have missed an earlier meet for various reasons. This year we took just under half the squad, 11 athletes. In terms of the number of events we had entered, we really had a higher rate of PR's and Season Bests than many of our meets with the full squad.

This was the last of our regular season meets and now we are ready for the 3 meets we have been targeting all year long: League, Regional, and State. It starts with the MEL meet on Thursday at Silver Lake. Then it will be on to the Regional back at JCN the following week on Friday. I like how our performances are coming around and think we are ready to take it to the next level over these last 3 weeks!
