SPORTSMANSHIP/CITIZENSHIP RULE 52
Activities are an important aspect of the total education process in the American schools. They provide an arena for participants to grow, to excel, to understand and to value the concepts of SPORTSMANSHIP and teamwork. They are an opportunity for coaches and school staff to teach and model SPORTSMANSHIP, to build school pride, and to increase student/community involvement; this ultimately translates into improved academic performance. Activities are also an opportunity for the community to demonstrate its support for the participants and the school, and to model the concepts of SPORTSMANSHIP for our youth as respected representatives of society. Sportsmanship is good citizenship in action!
