Comments: So proud of all of these girls for all the work they've put in and how hard they competed at the State Meet! I know they weren't totally satisfied with their performances, but that's really a testament to how high they set their expectations. This was our 2nd highest finish for our girls program. It was the 8th time in a row we have come home from State with at least 4 medals, a mark only reached twice in school history before this current streak.

We're sad to see another senior class go. Jenna Donaldson, Danielle Murphy, and Rebekah Stuhlsatz have given their all to our program and will be missed. At the same time we're excited about the future as we're set up well to continue the successful run we have been on.

Thank you to everyone who came to State to watch us compete!
