

Stewartsville C-2 Athletic Department Dual Participation Agreement

Name _____

Season _____

Activities:

Primary _____ Secondary _____

1. Mutual agreement among all parties involved is required. This includes students/ parents, coach/sponsor of the two activities, and the athletic director.
2. If all parties listed above are not in complete agreement then dual participation will not occur. It is the student's responsibility to initiate discussions with each of the coaches/sponsors involved.
3. A plan must be formulated **before** dual participation begins, outlining contest and practice participation to avoid as many conflicts as possible. Changes may be made with the agreement with all the parties mentioned.
4. Any disciplinary action taken by either coach/sponsor shall apply equally and concurrently in both programs.
5. If the student is unable to accommodate dual participation, he/she will be able to withdraw from either program. The following must be met before termination:
 - a. The student must personally inform the coach/sponsor of the program of which he/she is withdrawing before the activity is dropped.
 - b. If the student is going to drop one activity, both the coaches/sponsors and the student must meet to finalize any obligations incurred by the student.

Failure to meet these requirements will cause the student to be dropped from both programs.
6. Primary and secondary activities need to be chosen by the student 2 weeks prior to the start of the season of each activity involved. (Unless extenuating circumstance arise and is approved by both coaches/sponsors and the athletic director)

Sponsors will clearly state expectations in writing and provide copies to all parties involved. The contract will be kept on file with the athletic director. It is expected that the coaches/sponsors will work with the student and other coaches/sponsors to do what is best for the kids.

Conflicts will be decided by the following priorities:

1. Team sports will take precedence over individual sports.
2. Students must attend the team sport unless they are competing in a district event to advance to the next level.

Signatures below are required of all parties involved in the agreement.
