

**KELSO SCHOOL DISTRICT NO. 458
REQUEST FOR QUALIFICATIONS
ARCHITECTURAL AND ENGINEERING SERVICES
PLANNING AND DESIGN OF CAPITAL FACILITIES**

In accordance with chapter 39.80 RCW, Kelso School District is utilizing the Request for Qualifications process for acquiring architectural and certain engineering services. The District invites you to submit your firm's qualifications for architectural and engineering services for planning and design, and related services, for projects in the Kelso School District as part of the district's Capital Facilities Bond Program.

The projects include the construction of three New in Lieu elementary schools. These projects will be funded from capital bond proceeds as well as OSPI SCAP funding.

For purposes of this submittal, engineering firm qualifications will be limited to those disciplines traditionally under the management of the architect (structural, mechanical, electrical and civil engineering).

Copies of the RFQ submittal requirements may be obtained from the following web address:
