Kelso School District No. 458 is requesting qualifications for professional services from interested firms for various projects in the Kelso School District as part of the district's Capital Facilities Bond Program. Additional information can be found at <http://bit.ly/ksdconstruction>.

Statement of Qualifications should be submitted no later than 4:00 p.m. on April 17th, 2018. Qualifications submitted after this deadline may not be considered at the discretion of the district.

Interested firms with recent experience in the following disciplines are requested to submit qualifications, separately or together:

- **Land Surveying**
- **Geotechnical Engineering**
- **Traffic Engineering/Analysis**
- **Wetland Consulting**
- **Archeological Consulting**
- **Environmental / Hazardous Material Consulting**
- **Material Testing/Special Inspections**

In order to be considered, interested firms should submit their qualifications addressing the following:

- Firm background and qualifications.
- Experience with public K-12 school projects
- Public school references with names and phone numbers of contacts.
- Resumes of key individuals providing service, including specific experience similar projects.
- Availability to immediately commence work.

The qualifications package shall be by PDF electronic format only and shall limited to ten (10) 8.5" x 11" pages. If your company provides more than one of these services, you may submit one statement of qualifications indicating the services for which you are qualified. Please limit total pages to 10, which may include one or multiple disciplines.

Kelso School District will review all applicants and select the most qualified firm with which to negotiate a mutually agreeable fee for the anticipated scope of work based on project requirements.

All questions as well as the Statement of Qualifications shall be sent to Scott Westlund, Chief Financial and Operations Officer, Kelso School District at the following email address:
