Program Participation Form

As part of the laboratory experience for some of the classes at the OVCTC it may be necessary for students to leave school grounds and travel to another site for actual hands-on-experience. These experiences are directly related to the vocational program in which your child is enrolled.

While away from school students will be under the direct supervision of the instructor of the vocational program. Transportation will be provided to students. Every attempt will be made to make these trips as safe and educationally sound as possible.

We request that you mark one of the statements below either giving permission for your child to participate or denying them permission to participate.

Student Name : _____ Program: _____

_____ My child has permission to participate in the activities mentioned above

_____ My child does NOT have permission to participate

Signature of Parent / Guardian _____

Date: _____
