Field Trip Form

Each of our vocational programs requires that the students travel on field trips to attend educational activities. These activities will be directly related to the instructional programs that the student is covering in class. Some field trips will be within the general locality of our district.

We are asking that you sign one blanket field trip form giving your permission for your son or daughter to participate in any field trips related to their program. We will make every effort to inform you of any trips involving a long distance.

***** Please note this is the only Field Trip Form you will receive during the school year, as this will cover any and all trips*****

I have read the above and hereby give permission for _____ to go on regular field trips for his/her regular schedule of activities and classes.

Signature of Parent / Guardian: _____

Date: _____
