Monday, December 16 is the start of our Holiday Store. If anyone has any small items you would like to donate to the Holiday Store, we would be glad to accept them at our front office. For those of you that are not familiar with the Holiday store, it is an opportunity for students to have the independence to purchase surprise gifts for family members ranging in price from .25 cents to \$10.00. The majority of items cost \$4.00 or less. This event is hosted by our PTF and we have several volunteers that come help students shop and wrap gifts for their families. Students that are unable to bring in money to shop are still provided the opportunity to select

gifts for their family members. There is a schedule listed below so you know what day your child will be able to shop at the Holiday Store.
