

STEM Scholarships!

2020-2022

Scholarships are available for **new WWCC students** interested in the following **STEM degree programs**:

- Watershed Management/Natural Resources
- Engineering
- Energy Systems Technology
- Agriculture: Plant and Soil Science

Each scholarship award covers **up to \$3,600 in tuition & fees** per academic year...for **up to two years** towards associate degree completion!

These scholarships are for full-time students who:

- ✓ Have limited financial resources to pay for college
- ✓ Have prior experience or schooling that demonstrates they are academically talented
- ✓ Can maintain a GPA of 2.8 or greater (per quarter and cumulative)
- ✓ Have a high school equivalency or diploma
- ✓ Have completed a federal financial aid application
- ✓ Are 18 years old or over
- ✓ Are US citizens or permanent residents

Priority Deadline: April 24, 2020

To apply, go to: <https://www.wwcc.edu/stem-scholarships/> --
or--contact matt.williams@wwcc.edu or 509.527.4696 today!

Scholarships awarded through this WWCC program are supported by the National Science Foundation under Grant No. 1741982.
