Viborg Hurley Announces Partnership with LiveTicket.tv

Winner, SD – Viborg-Hurley has announced a partnership with Live Ticket TV as their new source of streaming home high school sporting events.

Over the past several years, streaming high school sports in South Dakota is becoming more and more popular. As the demand goes up, so does the need to bring the best services to fans, friends, and families. Viborg-Hurley schools are announcing their partnership with the South Dakota based streaming company Live Ticket TV. This partnership will allow fans easier access to games. Free to watch sporting events & the school will benefit by receiving partnership dollars.

“We are extremely excited to have Viborg-Hurley joining our family. The school and their staff have excelled in every area of sports and academics. This partnership continues to build our strong connections in the Southeast” says Jody Brozik, CEO of LiveTicket.tv

Live Ticket TV was created back in 2011. Today Live Ticket TV along with their second business of 605Sports cover over 10,000 Sporting events in South Dakota each year. Live Ticket TV was created for the fans and families of high school sports to have better access to the South Dakota athlete.
