Study Time = Students may go to any classroom to study for finals if a teacher is there and there is not a final on-going. Students will not be roaming halls. Students will be in classrooms with teacher, or library preparing for final exams, or will leave the building.

Students must stay in class at least 1 hour for their final and then if they are done with their final, they may leave.

During class, or review days on the 18th, if students are disruptive they will be required to take the final exam.

Students are not allowed to take exams before the scheduled date for any other reason unless approved by the office and the instructor. No exceptions will be made without parent/guardian contact explaining the situation.

The Office will have the Attendance List done Monday, the 16^h and by 3rd hour it should be ready. Please inform you students who needs to take finals no later than Tuesday, the 17th.
