

Section: **INSTRUCTION**

Policy Title: **Sunday Activities**

The Kelso School Board of Directors believes that students and families should have at least one day per week that is normally free of school-planned or sponsored activities to encourage rest and family-oriented activities. To further this goal, school activities on Sunday are prohibited unless permission is obtained in advance under this policy. Activities, practices, and competitions on Sunday shall be held in only the rarest of circumstances. Under no circumstances may students be required to attend these practices/activities/competitions, nor shall sanctions be applied to students absent from such practices/activities/competitions.

Any Sunday practice/activity/competition must receive prior approval from the Board of Directors.

In addition, any WIAA competition must also receive prior approval from the Board of Directors.

For field trip participation, Policy 2320 should be followed. Unless the activity occurs on a Sunday, this policy does not apply to field trips.

Request for Sunday Activity

- 1. What sport/club/class/activity is this request related to? _____

- 2. What is the title of the activity/event? _____

- 3. Date and times (start and finish) of activity being requested? _____

- 4. Where is the activity/event being held? _____

- 5. Please be detailed and specific as to the extenuating circumstances prompting the request: _____

- 6. Can accommodations be made for students who cannot participate on Sunday? _____

(I recognize that Sunday travel/activities are exceptional and only requested under special circumstances. By signing this form, I understand that students must be informed this Sunday activity is optional, and no sanctions will apply against them if they choose not to participate.)
