

Section: **STUDENTS**

Policy Title: **Response to Student Injury or Illness**

The board recognizes that schools are responsible for providing first aid or emergency treatment in case of injury or illness of a student. To that end, the board encourages school staff to become certified in first aid. Further medical attention in non-emergency cases is the responsibility of the parent or guardian. Schools will notify the parent or guardian of student s who suffer injuries, illness or physical trauma at school or any school-sponsored activity as soon as practicable.

The superintendent shall establish procedures to be followed consistent with this policy.
