Next week, **December 9th-13th** the entire SC district is hosting a canned food drive. The High School is competing against both the elementary school and the middle school. Our goal for total canned goods throughout the district is **5,000**! Our goal at the High School is 1,000 canned goods. Each day there will be updates as to which school is in the lead! If we can collect 1,000 canned goods at the high school, **Deputy Mitch will take a pie in the face!!** The student (or staff member) who brings in the most items will get to smash the pie in Deputy Mitch's face!! Also, if the district reaches our goal of **5,000** canned goods, **Mr. Chaffee is going to take a pie in the face!** You can bring your canned goods into your advisory teacher each day next week. Thank you! Let's make sure Deputy Mitch gets hits with that pie!!

The band is selling SC Christmas ornaments for \$5. If you would like one, stop by the band room. There is only a limited amount left.

The new Winter & Spring sports schedules are now available in the office. Pick up yours today!

The Trojan Pit Stop is open daily from 7:10-7:30 am. Get a punch card when you purchase a beverage or a breakfast. If you purchase a beverage you will now receive a **FREE** beverage after 5 punches instead of being put into a drawing. The punch cards will be kept with the foodservice staff so that you don't forget to bring them with you.
