

GREENWOOD

SCHOOL DISTRICT NEWSLETTER | NOV 2019

DPI ACCOUNTABILITY REPORT CARDS RELEASED

The Accountability Report Cards for the 2018-19 school year were released by the Wisconsin Department of Public Instruction on Tuesday, November 12, 2019.

The School District of Greenwood earned **five [5] stars** on the state report card, which means the district **Significantly Exceeds Expectations** for educating its students! This is the top rating a school district can receive.

Only 40 out of the 419 districts in the state earned this rating!!

Obviously, we are very pleased with these results; however, we will continue to strive for continued improvement. As a district, we must work to insure all of our students are properly prepared for their future whether it is a college or career path.

This level of performance is the result of the hard work and effort of our students and staff, the leadership of

MR. TODD FELHOFER

DISTRICT ADMINISTRATOR/
MIDDLE-HIGH SCHOOL PRINCIPAL

our School Board and the great support the district receives from our parents and the Greenwood community.

Learn more about the Department of Instruction Report Cards at:
<https://dpi.wi.gov/accountability/report-cards>

ELEMENTARY HAS BIG REVEAL!

Elementary Principal Mr. Joe Green (far left picture) shared that the Greenwood Elementary School received an overall score of 90.9% on the state report card with students (shown above) in an all school assembly on November 12th. We are proud of our students and staff for earning this recognition!

SCHOOL IMPROVEMENT PROJECTS COMPLETED

Greenwood School District is happy to announce that our remodeling projects from this past summer are completed. Projects this summer included the relocation of the Elementary School Office and conference room and the installation of new carpeting in the high school library. We invite the public to stop in and see our new changes.

Greenwood School District WINTER WEATHER REMINDERS

It seems the historic winter we experienced last year is being followed by an early arriving one this year!

How is the decision to cancel school made?

The decision-making starts prior to 5:00 AM with communications with neighboring school district administrators, bus company staff, and school board members. In addition, weather conditions, weather warnings and forecast information from the National Weather Service are reviewed. **The most important consideration in making this decision is always the safety of our students and staff.**

It is our goal to have this decision made by 6:00 AM.

If school is canceled, or dismissed early due to inclement weather, ALL afterschool and evening school activities, practices, and games are also canceled.

Information regarding school closings will be shared with the public in following ways:

- ❄ SkyAlert Message Center-our automatic phone message system.
- ❄ Skyward Family Access will generate email messages to households with email setup.
- ❄ TV Stations-WEAU TV 13, WSAW TV 7, WAOW TV 9, WQOW TV18
- ❄ Radio Stations- WCCN AM 1370, WCCN FM 107.5, WAXX FM 104.5, I-94 FM 94.1
- ❄ The District's webpage will also post any closings or dismissals.
- ❄ The Greenwood School District FACEBOOK page.

NHS and FCCLA members shown above in costume pose for a quick picture before students arrive for the Annual Halloween Party.

NHS AND FCCLA SPONSOR HALLOWEEN PARTY

**BY AMANDA
BOGDONOVICH
NHS MEMBER**

On October 26 the NHS and FCCLA hosted a Halloween party. Many elementary students attended in their Halloween costumes to play games, get their faces painted, and create Halloween crafts. These stations were run by members of the clubs. Each of the students played many games to earn candy/prizes in their trick or treat bags that were given out when they checked in. For an entry fee each student was to bring canned food items to donate to the local food pantry. This was a huge success and allowed both clubs to bring a hefty selection of items to the community food pantry. For lunch, mini corn dogs and various sweets were served and seemed to be a huge hit with both parents and students. At the end of the party each grade had a costume contest, which was judged by both Ms. Greenwood, Rachel Lindner and First Attendant, Amya La Marr. Gift bag prizes were awarded to the top three costumes in each grade level. We would like to thank all who attended and donated, including special thanks to the Greenwood Legion Auxiliary. We hope to see you all next year for more fun!

WINTER SPORTS SCHEDULES

For up-to-date sports
schedules please use the
website link below.

➡ <https://cloverbeltconference.org/public/genie/159/school/9/>

VETERANS DAY CELEBRATIONS

Veteran's Day events were held at both schools on November 11th. This day is set aside to honor veterans who have served to protect our country and the ideals that we all hold.

Thank you to MSgt. Chuck Susa for speaking to grades 4K-2 and to Gunnery Sgt. Carl Rossow for speaking at the High School ceremony, including grades 3-12 and the public. This year's legacy stone, presented by Mr. Moseley, was given in honor of Gene Kolbo. Special guest presenting the legacy stone was past Wisconsin State Assembly member David Zien.

A special thank you to the members of the Greenwood American Legion Wallis-Hinker-Bruce Post #238. We thank all veterans for your service and sacrifices.

Honored guest speakers were (top left) Carl Rossow and (top right) Chuck Susa. Program also included high school band and choir performances and Greenwood American Legion members.

GHS ART CLUB & DESIGN CHALLENGE OPPORTUNITY

BY MARY KRAUSE, ART TEACHER

The Art Department will now be offering open art club during 9th hour RICE time on Tuesdays and Fridays to expand the creative endeavors of our students. Completing mural work for the High School walls will be one of our goals. In addition to the 9th hour, Mondays and Fridays will be rotating days after school from 3:30-4:30 pm. Students are encouraged to come in

and be a part of the Art club. Students will explore their interests in a variety of ways and attend a field trip to area art venues. Overall focus during this time will remain flexible. Additional support for students interested in being part of the Visioneer Design Challenge will be happening as well. This program is part of the Wisconsin Art Education Association and culminates at the University of Milwaukee with a

daylong creative work study with artists in the design field. Watch for more information coming soon.

ABOVE (L-R): Drawing students, Kaylee Rinehart and Ashlee Hamm are working on charcoal projects.

GREENWOOD FITNESS CENTER

The Greenwood Community Fitness Center is open to Greenwood School District residents and recently has been approved for non-residents (with special rates that apply). Our next trainings are scheduled 6 p.m. on the following dates:

- DECEMBER 2ND, 11TH & 16TH
- JANUARY 6TH & 20TH
- FEBRUARY 3RD, 5TH, & 17TH
- MARCH 2ND, 4TH & 16TH
- APRIL 6TH & 20TH
- MAY 4TH, 6TH AND 18TH

We ask that you pre-register for training by contacting Lisa Hinker at 715-267-6101 ext. 2222.

Elementary News & Highlights

4-YEAR OLD KINDERGARTEN NEWS MRS. CAMILLE BAEHR

The boys and girls have done a great job so far in the 4-K program. We have been adjusting to our classroom and the long school day. We are working on our daily routine and learning where everything important is in our classroom and school (our cubbies, the bathroom, the lunchroom, etc.). We have also been having a lot of fun getting to know all of our friends by sharing things from home in our "Me Stew" bucket. During the month of September we talked about apples and made applesauce in our classroom. During October we learned about fire safety, how pumpkins grow, and practicing our counting skills and shapes by making a shape jack-o-lantern. During the first week in November we had our Fall Family Day! We sang songs, made a project, and made a snack with our families. We are very excited about being in school and learning new things every day!!

KINDERGARTEN NEWS MRS. LORI COOPER & MRS. AMANDA SCHLOUGH

Happy Holidays! In ARC, we have been reading lots of yellow-leveled books. The stories are short and repetitive but that is the first building block of reading! Along with learning to read, we are working on comprehension skills such as; retelling and order of events, naming the characters, setting, and main ideas. We have also been working on rhyming words and identifying the beginning sounds in words. We had our first kindergarten book club night, families were able to bring in their favorite books from home to share with one another! We look forward to our next family event!

In math, we have focused our attention on numbers 1-5. We have looked at their quantities and all the different arrangements for each number. We have also practiced writing the numbers. We are now studying numbers 6-10. We are

comparing the numbers, which are fewer and which are greater. We are looking at what partners go together in numbers (ex. 4 is 2 and 2) and if there is a 5 group in the number (ex. 8 is 5 and 3).

1ST GRADE NEWS MRS. JULIE PLAUTZ

First grade is WILD! The first graders are actively engaged in Wild and Endangered animals in our reading program. All of the first grade researchers are engaged in picking a Wild or Endangered Animal to become an expert on. We will focus on physical characteristics of our animal, how it's behaviors help it survive, how it changes, where it lives, what it eats, and what kind of animal it is. Our research will culminate in a final publication about our animal. We have been building up our reading stamina since the beginning of the year and everyone is able to read for 30 minutes. We have trained our brain muscle to focus!

Our class is getting close to our first reading celebration. As a class, we decided when everyone reaches 100 steps we wanted to have a pajama/blanket day. We are so close to meeting that goal!

In math we are focusing on building up our fluency in addition and subtraction up to 10. We have started adding and subtracting in vertical form and we are learning how to use addition to solve subtraction. We focus each day on different methods to solve a problem.

We enjoyed our Veterans Day presentation by Chuck Susa. He took us to a new country and made us aware of life as a soldier and what the world looks like outside of Greenwood. Thank you Chuck and all the Veterans!

2ND GRADE NEWS MRS. MARIE ECKDAHL & MS. STACIA JACOBY

The second graders are going BUGGY! The second graders just started a new unit of study called Bugs in Their Ecosystems. The second grade area has been infested with books about bugs. The students are reading, writing, and learning all kinds of interesting facts about the lives of these interesting creatures. Over the

next nine weeks the students will study a variety of bugs and their habitats. Each student will become an expert on one bug, learning its physical characteristics, eating habits, adaptive behaviors, and much more.

The second graders have become mathematicians! In math, the students have been learning all about place value and using this knowledge to add 2- and 3-digit numbers. The second graders have become adequate problem solvers in learning the "big mystery" in adding is making a new ten or a new hundred. Students have learned various methods to solve two and three digit number addition problems including Show All Totals, New Groups Below, and New Groups Above to find the solution!

3RD GRADE NEWS MR. MATTHEW HESSEL & MRS. TERA HORVATH

Third grade has hit the ground running!! We are learning new things and developing new skills. In math, we are working on all of our multiplication and division facts. Please help us to continue our understanding, and let us know what strategies you use every day. In reading and writing, we are working in the new ARC program. Our current unit of study is on research and informational text. Every third grader will be researching a specific weather phenomenon, which they will be compiling into a final project. Please feel free to ask us what weather phenomenon we will be writing about, and look for our projects at our Family Literacy Night later this year!

4TH GRADE NEWS MRS. DEANNA JORDAN & MRS. KIMBERLY KOLANO

What a busy start to the 2019-2020 school year. We are all glad to be back learning about our world. We started with a brand new reading curriculum this year and it has been exciting to see the progress we are already making. Students are picking out books that are just right for them: fast, fun, and easy. They have become strong independent readers. We

just completed our first unit, where we have read closely to determine what the text says explicitly and make conclusions drawn from the text using textual evidence. Students have written a narrative using some figurative languages. In unit 2, students will be researching on Animal Adaptations for 9 weeks. They will become "experts" on their animal, so make sure and ask them anything once they are done

In math so far, students have been learning place values for really big numbers and multiplying larger numbers.

Our social studies curriculum for 4th grade is all about Wisconsin. We began by looking at geography and how the last Ice Age shaped Wisconsin.

Our science curriculum, we start out learning how to become a scientist. We experimented with scientific method then we moved onto learning all about living things.

I can't wait to see what else this year brings us!

5TH GRADE NEWS

MRS. MICHELLE JOHNSON

What a busy beginning to our 5th grade year! In Reading/Writing Workshop, we have been working hard to build a community of readers and writers. We began the year learning to find our best fit books...books that are fun, fast, and easy for us to read with no adult support. We learned that research says the best way to become a better reader, (a college and career ready reader) is to spend at least 60 minutes every day doing the work of independent reading! And boy have we read! We have each read over 25 hours worth of steps so far this year!

Throughout our first unit, The Literacy Lab, we have reviewed reading closely to determine what a text explicitly says, to make logical inferences about our text, and to use text evidence to support our conclusions about a book's theme and author's purpose. We have worked on building our reading vocabulary through noticing academic and technical words in our reading, and using context clues to help us figure out the meanings of unfamiliar words. We are noticing the 8 types of figurative language in our reading and learning

to add them into our own writing. We have practiced writing routinely over short periods and extended periods of time for many different purposes (narrative, informational, and argumentative writing).

In math, we hit the year hard, working on fluently comparing, adding and subtracting fractions. We learned how to quickly find equivalent fractions and how to simplify fractions to lowest terms. We have also finished our second unit on comparing, ordering, adding and subtracting decimals through the thousandths place. Understanding fractions has been a huge help in understanding decimals!

Overall, we are settling in to the higher level expectations and routines of 5th grade. I look forward to watching them grow and blossom as readers, writers, and mathematicians.

6TH GRADE NEWS

MS. JAMI HODOWANIC & MR. SCOTT MOSELEY

The sixth grade students have been very busy in Language Arts class. They recently finished reading a science fiction book titled The Missing Found by Margaret Peterson. Many of the students have realized that they enjoy science fiction so they have continued to read from this series. The students studied figurative language during the unit and learned that idioms and puns can be quite entertaining. The sixth graders just started unit 2 which is an informational unit on the American Revolutionary War. The students are researching an event from the war to become experts on their topic.

In math class the students have finished units on fractions, decimals, and are currently studying algebraic expressions. They continue to increase their problem solving skills.

In science the students have enjoyed studying the five Kingdoms. They have had the opportunity to study living things in the outdoor classroom. They made an animal model out of natural objects found in nature to emphasize camouflage and completed leaf projects.

In social studies the sixth graders are studying ancient civilizations such as Mesopotamia and Ancient Egypt. They are

Greenwood Elementary

HOLIDAY PROGRAM

December 13 - 1:30 p.m.
Greenwood Middle-High School
West Gymnasium

learning about the customs and culture of each civilization

ART ROOM NEWS

MS. MARY KRAUSE

The elementary art room is booming with creative minds and impressive works of art that show skill and talent in many art forms. Kindergarten leaves are falling along with first grade pumpkins that show highlights and shades line the hallways in celebration of the fall season. Presently they are working on completing snowflake props for their winter concert. Snowflake Bentley is our inspiration.

Second grade learned about folk artist, Heather Galler. They worked with a variety of media to complete a stunning painting of flowers and pattern. Third and fourth grade learned about proper body proportions and painted human forms in motion. Fifth grade created repetitive pattern in print inspired by the world's most beautiful Persian tile designs. They are now showing great observation and skill using pen and ink to record the details of fallen leaves. Designs of blended color pencil, contrast, and natural tree formations dazzle in sixth grade art works. They are now beginning to create pottery and learn new techniques in clay. Stop in and see the beautiful works of art going up in the halls.

CRYSTAL APPLE TEACHERS OF DISTINCTION ANNOUNCED

MACCI visited Greenwood Elementary and Greenwood Middle-High School on Wednesday, November 13th to share who had been chosen as a 2020 Teachers of Distinction sponsored by Marshfield Clinic Health System.

We're very proud to share that Mrs. Michelle Erickson, Greenwood Elementary Special Education Teacher and Mrs. Jenny Hafermann, Greenwood

Middle-High School Teacher are this year's recipients. Congratulations on this well-deserved recognition.

The Marshfield Area Chamber of Commerce & Industry received 1,147 for 310 different educators. They were selected from these nominations to be one of the 24 finalists and have been selected as the Teacher of Distinction to represent Greenwood School District.

Your 20/20 vision in the classroom develops the future workforce and benefits our communities for years to come!

All 24 Teachers of Distinction will be honored at a banquet on April 29, 2020 at Hotel Marshfield. The next step is to identify 4 teachers who will be the Crystal Apple Award winners, with each receiving \$1,000.

Elementary students are happy to share in the presentation of the Crystal Apple Teacher of Distinction presented to Mrs. Michelle Erickson, Greenwood Elementary Special Education Teacher. Adults (L-R): Mrs. Michelle Erickson, Mr. Joe Green—Elementary Principal and Mrs. Debbie Bauer—Program Director from MACCI.

(SHOWN L-R): Debbie Bauer - Program Director from MACCI, Jenny Hafermann - Greenwood Middle-High School Teacher of Distinction and Mr. Todd Felhofer - District Administrator/Middle-High School Principal.

LOYAL-GREENWOOD CROSS COUNTRY HIGHLIGHTS

**BY HANNAH OLSON
CO-HEAD COACH**

Hard to believe it's time again to reflect back on another Cross Country season. Sixteen students from Greenwood

Middle and High School joined forces with Loyal to create the 2019 Loyal/Greenwood Cross Country team. There were plenty of high's and low's throughout the season for both the boys and girls teams. The varsity girls team finished 7th and the boys varsity placed 11th at our Conference meet. Avrey Horvath received a 1st-Team All Conference award with his 5th place finish at Conference. Horvath also placed 7th at our Sectional meet -- missing a State berth by just one place. On the girls side, Rylan Lindner received a 2nd-Team All Conference award while finishing 11th at Conference and Savannah Schley earned a 1st-Team All Conference award as well as punched her ticket to the State Cross Country meet with her 1st place finish at Sectionals. Overall the season brought plenty of challenging weather and muddy races but our runners certainly are a tough bunch and a great group of student athletes to work with.

(Top Left) Savannah Schley, Rylan Lindner & Avrey Horvath with their Confence Awards. (Bottom Left): Center runner, Rylan Lindner going the distance and, (Top): Devin Degenhart finishing strong.

GREENWOOD PARTICIPATES IN THE NOW PROGRAM

The Nutrition On Weekends program is a collaborative, community effort to target childhood hunger. The program provides healthy, ready-to-eat nutritional foods for children during the weekend.

The program was created in response to data collected from Marshfield students as part of the Youth Risk Behavior Survey. In 2012, 20% of students surveyed indicated he/she had gone to bed hungry at least once in the past thirty days because there was not enough food in the home. In 2015, this percentage increased to 23%.

A pilot of the program began serving twenty-nine children in the Marshfield School District in October 2013. Since then, the program has grown to serve 250-300 students weekly on an annual basis in the Marshfield, Auburndale, Granton and Spencer School Districts. In 2016-17 Loyal and Greenwood School Districts were also been added to the program. With the addition of these two school districts and our early enrollment numbers we anticipate this being our biggest year yet.

* Numbers fluctuate throughout the school year.

At the end of each week during the school

year, each child will receive a food pack containing:

- 2 peanut butter & jelly sandwiches
- 2 cups low-sugar cereal
- 2 pieces of fruit
- baby carrots and celery sticks
- 2 snack items
- Cheese

TO HELP GUARANTEE THE NOW PROGRAM TO BE A SUCCESS, DONATIONS ARE NEEDED THROUGHOUT THE YEAR TO MEET THE NEEDS OF OUR CHILDREN.

Donations can be dropped off at either school office. Please see the wish list of items for donations at right.

If you have any question about the program, or want further information please contact the Elementary Office at 715-267-7211. We look forward to you joining us in our efforts to combat hunger in our community.

WISH LIST ITEMS FOR DONATION

- PEANUT BUTTER
- JELLY
- GRANOLA BARS
- CHEERIOS (ORIGINAL, HONEY NUT, OR MULTI-GRAIN)
- RAISIN BRAN

- ZIPLOC SANDWICH BAGS

CLOVERBELT ALL CONFERENCE BAND AND CHOIR FESTIVAL

Twelve students from Greenwood High School will be participating in the Cloverbelt All Conference Band and Choir Festival on

**BY MARIXA WEPFER
BAND & CHOIR
INSTRUCTOR**

Saturday January 19 held at Fall Creek High School. Students are nominated and selected based on their talent and participation in solo/ensemble and other honors groups. Students selected for this year's honor choir are sopranos: Korinna Johnson, Hayley Kuester, and Jasmine Wolf, altos: Dakota Gorton, Maddi Raese, and Mesa Rasmussen, and basses

Austen Humke and Treyton Thomas. Band students include Georgia Butterbrodt (flute), Emma Schlough (flute), Anna Aichele (clarinet), and Rhey La Mont (clarinet). They will rehearse all day on January 18th with the top students from the Cloverbelt Conference and conclude the day with a concert in the Greenwood High School West Gym at 6:00 p.m. Admission is \$3 and all are welcome at the concert.

2019 FOOTBALL SEASON CELEBRATES BIG WINS!

BY HEAD COACH CHRIS SCHMITZ

The 2019 football season started out with four big wins, which was the first time since 2012! We then lost the next 3 games, by only one score in each game. Finishing our season with two more conference wins earning us another trip to the playoffs. The team finished 5th in conference with a 6-4 overall record. Defensively the team only allowed 96 points, making us 2nd in conference with points allowed.

This successful season helped seven of our players get recognized for their accomplishments. (Left to right) Austen Humke, Second Team All-Conference for Offensive Lineman, Wyatt Artac received Second Team All-Conference for both Fullback and Defensive End, Jonah Hinker, Second Team All-Conference for Linebacker, Westen Schmitz, Second Team All-Conference for Tight End,

This successful season helped seven of our players get recognized for their accomplishments. Receiving awards were (L to R): Austen Humke, Wyatt Artac, Jonah Hinker, Westen Schmitz, Sullivan Whitford, Cooper Bredlau & Treyton Thomas.

Sullivan Whitford, Honorable Mention All-Conference for Linebacker, Cooper Bredlau, First Team All-Conference for Defensive Back and Honorable Mention for Quarterback and Treyton Thomas, First Team All-Conference for Offensive Lineman and Honorable Mention for Linebacker.

Thank you to the coaching staff, players, parents, fans and community for the support throughout our final 11-man season. Looking forward to an exciting new chapter in Greenwood Football for the 2020 season with the start of our first 8-man season.

FOOTBALL PROGRAM RECEIVES GRANT FROM WFCA

BY HEAD COACH CHRIS SCHMITZ

The Greenwood Football program was awarded a \$3,000 grant for assistance with its program needs through the Wisconsin Football Coaches Association. The Wisconsin Football Coaches Association (WFCA) offers grants to Wisconsin high school football programs. The purpose of the grant is to supplement high school football budgets with an emphasis on the health and well-being of the students participating in state high school programs. The WFCA Grant is designed to enhance programs beyond what a typical budget will cover. Elements such as player safety, injury prevention, and concussion protocol are examples of items the WFCA would entertain and apply weight to in determining recipients of a WFCA Grant. Any Wisconsin high school football program can apply for the WFCA Grant. Significance was applied to schools with a yearly budget or three-year average budget under \$3,000. Head Coach Chris Schmitz applied for the grant and was eligible for the grant as he is a member of the Wisconsin

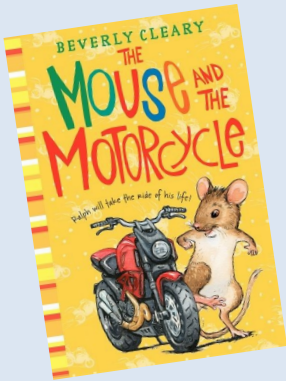

Shown above are members of the Greenwood High School Football Program along with the equipment purchased with the WFCA Grant they received.

Football Coaches Association.

With funds from the WFCA Grant, the Greenwood Football Program was able to update equipment for the protection of our football players including

Guardian caps for the entire team, hand pads, tackle dummies, 2 Sling Tackle balls, and padded girdles. All monies from this grant was used for equipment to reduce player contact, reduce the risk of concussion and overall player protection.

ELEMENTARY FAMILY BOOK CLUB

Greenwood Elementary School started a book club this year!

Over 50 students and their families chose to participate in this new program! The featured book was Beverly Cleary's *The Mouse and the Motorcycle*. The book club kicked off in October and included a private Facebook page for families to discuss each chapter.

On November 14, families gathered at the Elementary School for a showing of the movie!

Greenwood Family Book Club sought to build a community of family readers and it did just that! The book club was funded by a grant from the Trifecta Foundation Fund within the Community Foundation for the Fox Valley Region. There was no cost to families to participate. Thank you to all of the families that participated!

NEWS FROM THE SCHOOL LIBRARIES

K-12 LIBRARY MEDIA TECHNOLOGY SPECIALIST | MRS. MICHELE GREEN

LMC ASSISTANTS

MIDDLE-HIGH SCHOOL | MRS. TINA PRINDLE

ELEMENTARY | MRS. LORI TRAVIS

ELEMENTARY LIBRARY COUNCIL

The Elementary Library has started a Library Council! Students applied to be a part of this club which will help with library events, suggest new ideas for the library, and promote reading! Here library council members are seen sorting books for the start of the Family Book Club!

MIDDLE/HIGH SCHOOL BOOK AND REEL CLUB NEWS

The Greenwood High School Book and Reel Club is off to a strong start this year! 29 students have joined the club and are excited to share books and reading throughout the year. The club discussed their first round of books in early November. Students read the mystery *All the Rage* by Courtney Summers, the survival story *I Am Still Alive* by Kate Alice Marshall, or the realistic fiction book *Until Friday Night* by Abbi Glines. All three book choices were met with rave reviews from the students!

Sophomore Emma Schlough states, "Until Friday Night was the best book I have ever read in my entire life. It gave me butterflies, a lot of butterflies. It took me three sittings to read it - it was so good!"

School Board Meeting Minutes

REGULAR MEETING MINUTES SEPTEMBER 9, 2019

Dean Lindner, President called the regular meeting of the Greenwood Board of Education to order at 6:30 p.m. Members present were Krempasky, Jacobson, Lindner, Shain and Shaw were present. Quorum established.

Meeting notice published in the September 4, 2019, issue of the Tribune-Record Gleaner.

- A motion made by Krempasky and seconded by Jacobson to approve the minutes of the previous Regular Board meeting of August 12, 2019 as presented. Motion carried.
- A motion made by Shaw and seconded by Lindner to approve the Treasurer report as presented. Motion carried.
- A motion made by Jacobson and seconded by Krempasky to approve vouchers #81988-82073 for \$255,365.83 general fund and #1004 for \$44,929.80 from fund 41 for payment. Motion carried.
- A motion made by Krempasky and seconded by Shain to accept Forward Financial Bank's donation of \$200. Motion carried with Shaw abstaining.
- A motion made by Lindner and seconded by Shain to approve hiring Heather Brehm as 4K Education Aide. Motion carried with Krempasky abstaining.
- A motion made by Shaw and seconded by Krempasky to approve hiring Rebecca Bernhagen and Laura Boyd as Substitute Teacher, Penny Hebert as Study Hall Monitor and Kids Club Supervisor, Kaitlyn Keech as School Counselor, Dylan North as High School Special Education Aide, and Lori Olson as Library Assistant. Motion carried.
- A motion made by Lindner and seconded by Shaw to approve volunteers as listed. Motion carried.
- A motion made by Shain and seconded by Jacobson to approve the field trip for Dorian Choir Festival 1/12/2020-1/14/2020. Motion carried.

COMMUNICATION FROM THE PUBLIC

- Dan Coughlin asked if the district has looked into Babble for Foreign Languages.
- Heather Brehm said that her girls are enjoying the 2 options at lunch and the additional fruits and vegetables.

- **Presentations:** None for this month

ELEMENTARY PRINCIPAL REPORT

Mr. Green reported on the increase in Kids Club attendance, added lunch options and fresh fruits, refreshing playground equipment, possibility of a Youth Activities Coordinator, staff is serving as morning greeters, Forward Exam IPRs, iReady, Curriculum Review, ARC Training, and the New Teachers In-service/Mentor Program.

DISTRICT ADMINISTRATOR'S REPORT

Mr. Felhofer reported on Governor Evers' letter, great start to the year with enrollment being up about 30 students, and Open House - 7th grade students/parents attended an orientation. There have been no further discussions with 7C's, increased discussions regarding the Native American team names/mascots, Crystal Apple Kick-off is September 24th at 8:15 a.m. Annual meeting is Monday, September 23, at 7:30 p.m. in Cafetorium.

ANNUAL MEETING MINUTES SEPTEMBER 23, 2019

The Annual Meeting called to order by President Dean Lindner at 7:30 p.m. on September 23, 2019, in the Greenwood High School Cafetorium.

Board members present were Shain, Shaw, Lindner, Krempasky. Absent was Jacobson.

The Annual Meeting notice published in the September 11, 2019 issue of the TRG Inc. and the newsletter that was mailed on September 18, 2019.

Ralph Smrecek, Jr. and Mark Shain nominated Dean Lindner for Chairperson.

A motion made by Ralph Smrecek, Jr. and seconded by Mark Shain to elect Dean Lindner as Chairperson for the meeting. Motion carried.

Sarah Shaw was present as board clerk.

The minutes of the previous annual meeting were discussed.

There was a presentation and a discussion of the 2019-20 District Budget.

A motion made by Jerome Krempasky and seconded by Sarah Shaw to approve the Treasurer's Report as presented. Motion carried.

District Administrator's Report: Mr. Felhofer reported on the increase in enrollment and the students coming in from various areas. Summer school was a smash hit this summer and attendance was really up with Camp Invention and looking to increase middle school attendance. Kids Club that was brought back 2 years ago is continuing to grow. The K-8 reading curriculum was researched last year and it is being implemented this year. In grades 7-12 we continue to work on interventions to reduce the number of D's and F's. Our major project for summer was relocating the elementary office to the front of the building. We will be planning a grand opening for this area once it is complete. The high school library and surrounding rooms had the carpet changed out. We continue to work on the Safety Grant materials such as more cameras within the building and door monitoring. Math curriculum was implemented a couple of years ago and we are seeing positive results. Reading curriculum is being implemented and high school English will be reviewed. The next to be reviewed is the Science curriculum.

Staff development is being reviewed and we are looking to improve communication at all times. When preparing the budget as presented, the mil rate is up a little, but we continue to try to be fiscally responsible in our effects.

A motion made by Ralph Smrecek, Jr. and seconded by Phyllis Goeke to approve the tax levy of \$2,474,471 for the General Fund-10, and tax levy of \$15,000 for the Community Service Fund - 80. Motion carried. All ayes. Except one – nay.

A motion made by Dan Coughlin and seconded by Ralph Smrecek, Jr. to approve the salaries of the school board members remain same as last year at Board President at \$1,670 and all other members \$1,370. Motion carried.

A motion made by Dan Coughlin and seconded by Ralph Smrecek, Jr. to approve the reimbursements for a school board member on a per diem basis to be absent from his or her job duties to be paid for being absent from his or her job duties in the amount of \$125 per day, remaining the same. Motion carried.

A motion made by Sarah Shaw and seconded by Dan Coughlin to approve the Sale of obsolete school district property. Motion carried.

A motion made by Phyllis Goeke and seconded by Ralph Smrecek, Jr. to approve the Board to acquire real estate through purchase or condemnation. Motion carried.

A motion made by Sarah Shaw and seconded by Mark Shain to authorize the sale of school property. Motion carried. All ayes.

A motion made by Jerome Krempasky and seconded by Ralph Smrecek, Jr. to authorize the district to purchase student accident insurance. Motion carried.

A motion made by Jerome Krempasky and seconded by Ralph Smrecek, Jr. to set the date of the 2020 Annual Meeting on September 28, 2020 at 8:00 p.m. Motion carried.

Other business appropriate to annual meeting brought up by Dan Coughlin advised the board to work with other area schools. It was discussed that administrators meet once per month in the area and share information.

A motion made by Ralph Smrecek, Jr. and seconded by Dan Coughlin to adjourn the annual meeting. Motion carried adjourned at 8:24 p.m.

*/S/ Sarah Shaw, District Clerk
Approved October 14, 2019*

REGULAR MEETING MINUTES OCTOBER 14, 2019

Dean Lindner, President called the regular meeting of the Greenwood Board of Education to order at 7:00 p.m. Members present were Krempasky, Lindner, Shain and Shaw were present. Jacobson came at 7:15 p.m. Quorum established.
