Hello Parents,

**Message from the Office**

If you have a new address, phone number, or any new contact numbers, please update your changes in the Parent Portal. It’s **VERY** important to have correct information on file in case of an emergency to ensure medical service won’t be delayed.

Keep Your Child on track in Middle School. Showing up for school has a huge impact on a student’s academic success starting in kindergarten and continuing through high school. Even as children grow older and more independent, families play a key role in making sure students get to school safely every day and understand why attendance is so important for success in school and on the job.
A “NOTE” FROM THE ATTENDANCE DESK

It is important that your student arrive to school on time each day. School begins at 8:20 a.m. Students arriving later than 8:25 a.m. will be marked tardy and need to come to the office for a pass to class. Health notes from the student’s doctor, dentist or counselor will be required to excuse student for health appointments. It’s important for students to be prompt to all classes during the day; classroom tardies are recorded and will result in a detention after three offenses. If your child is absent please call the office at 530-532-3078, extension 201 to leave a message with our Attendance Clerk, Becky Wilson. Please note the following attendance policy for excusing absences:

*Changes to absences must be made within five (5) school days according to AR5113(b). After this time elapses, the absence will remain unexcused.

Ishi Hills School has a breakfast program. Serving begins daily at 8:00 a.m. Please note that this is the earliest time students may arrive on campus; no supervision prior to that time.
