

Transportation to School of Origin Flowchart

⁴As of January 1, 2017, short term residential treatment programs (STRTPs) must provide core educational services such as transportation to school of origin. WIC § 11463(b). Additionally, current group home contracts for foster and probation youth may include obligations to provide and funding for transportation, including school of origin.

⁵All County Letters 11-51 and 13-03 specify guidelines for reimbursement of caregivers for transportation to school of origin. Although biological parents may not be directly reimbursed, if the court allows unsupervised visits, the caregiver can make an appropriate plan to have the parent transport the youth and be reimbursed by the child welfare/probation agency. Otherwise, the school district should provide reimbursement for biological parents who transport the youth to school.
