The FFA ended the year with another outstanding banquet. We are proud to have such a wonderful and active chapter.

Junior High Track had seven State Qualifiers this year.

The spring music concert was very good and a thank you to our music teachers.

Prom was well attended and decorations were outstanding once again.

The District has six students of the class of 2016 expressing interest in taking L-Tech courses next fall. L-Tech is held in Lincoln so that scheduling and availability for students will need to be researched. The cost to the district will be \$750 per student per semester.

Superintendent Kunz provided updates on insurance costs, Co-op with Athens, and negotiations:

- The insurance cost for workman's comp will increase by 10% to \$28,929 due to two current claims that are open and the property/casual will increase by 3% to \$18,416. Part of the increase is the addition of Cyber/Identity Theft Coverage as a mandated line of coverage in the program.
- Co-op with Athens has been approved by the Athens Board except for High School girls' basketball.
- Contract Negotiations with the GEO made some changes to the contract but the focus was the salary schedule.

Superintendent Kunz provided the board members with the DCFS Mandated Reporter paper work to be completed by each board member.

Superintendent Kunz noted that the amended budget was complete and has been on file since May 18, 2015 for public viewing. The Board received summary pages of the amended budget for review.

Superintendent Kunz gave the board a copy of the Greenview Awareness Initiative brochure.

Superintendent Kunz reviewed the fees for the 2015-2016 school year with only two changes recommended. Those changes a science fee of \$5 for grades 6-12 and an increase of the student lunch charge to \$2.25 for 6th. grade.

Superintendent Kunz noted that the lighting grant for the replacement of the gym lights reads that the grantee will pay based on the number of annual kilowatt hours of electricity reduced as a result of the project. The cost will not be more than \$18,025 or 40% of the total resulting cost of the project. The district will pay from \$4,000 to \$13,000 of the \$22,000. This project will help by cutting utility cost as well as contributing 40% of the project cost.
