

Beacon Hill Elementary

Volunteer Guidelines

Beacon Hill welcomes parent involvement. We have several opportunities for you to help around campus once your background clearance has been approved by OSPI and the Kelso School District.

- Contact your student's teacher to see if there are available times to help in the classroom. (Not all teachers need volunteers.) You could help with:
 - Small group supervision
 - Copying
 - Laminating
 - Cutting
 - Holiday Parties
- Our Boosters are always looking for help
 - Popcorn Fridays
 - Fundraisers
 - Holiday Bazaar
 - After-school Events
- Special Event Days
 - Harvest Festival
 - Pumpkin Run
 - Color Run
- Other Classrooms – some teachers don't have parent volunteers available to help in their class. If you have extra time we can always fit you into another needing class.

Please note: Volunteers are not allowed on our playground during recesses.
