School	School Improvement Status	% of Poverty	% of Minority	ASC Teachers (Appropriately State Certified)	Non-ASC Teachers	Teachers with less than 3 years of experience
Tussey Mountain Elementary School	N/A	61%	4%	100%	0%	4

Tussey Mountain Elementary School employs 30 teachers that provide instruction to students. All 30 teachers are Appropriately State Certified in their content area. Of the 30 teachers, 4 teachers are defined as a new teacher which has less than 3 years of experience. These teachers are currently working toward a Level II Certification. Based on this data, it has been determined that all students at Tussey Mountain Elementary School are served by Appropriately Certified Teachers.
